

Benefit Brokerage Services

A Benefits Program Designed Individually for your Business

Ever wish you could just “bundle” your health benefits, benefit enrollment, carrier management, payroll, and HR into one cost-effective solution?

Well, you can with Inova. Since 2018, we have offered Group Health Benefits with the mission to provide a more integrated, personal, customized benefits solution for our clients.

What sets us apart is our team and our approach. Our process is highly consultative, guided by a discovery process to ensure we identify your goals and present the right mix of benefits for the well-being of both your employees and your business. Simply put, we listen and provide personalized service through a single provider, Inova.
