VIRTUAL CONNECTIONS: Keep up with AFWA via [Facebook](#), [Twitter](#), and [LinkedIn](#). Not affiliated with a local Chapter? Join the AFWA [Members-at-Large LinkedIn](#) group to connect with other members just like you.

ADVANCING WOMEN: AFWA has initiatives to increase both student and young professional engagement in the organization – as well as the industry. Join the initiative to advance young women in accounting and finance. We're looking for volunteers and inspiration!

SHARE YOUR EXPERTISE: AFWA Members hold a variety of skills and knowledge. Complete an application to speak at the [AFWA National Conference](#), or submit an article for our Accountability newsletter. Contact marketing@afwa.org for an editorial calendar.

PICK UP THE PHONE: AFWA has a calendar full of teleconference chats and webinars exclusively for our members. Login to the AFWA Member Site for a complete calendar or check out a library of on demand webinars.

KEEP UP WITH YOUR CONNECTIONS: AFWA gatherings don't have to be centered around CPE. Meet up with other members in the area for lunch, happy hour, or walks. For those connections you've made at Conference, connect on social media, or plan a virtual coffee date.

VOLUNTEER ON A NATIONAL OR FOUNDATION COMMITTEE: AFWA is always looking for more volunteers. Consider becoming a Chapter Advocate, joining the National Conference Committee, or helping out on a number of other committees. Complete the National Volunteer form at AFWA.org/volunteer and we'll find a place for you.

MEMBER DISCOUNTS: AFWA partners and sponsors offer discounts to AFWA members. Check out the latest offers at AFWA.org.

GO BEYOND YOUR LOCAL BOUNDARIES: Visit the [AFWA Events](#) page to find out about other AFWA happenings across the country. Maybe a local Chapter is hosting a luncheon during your next business trip.

PUBLICATIONS: As a member you have a subscription to all AFWA publications, including the weekly NewsBrief, monthly Accountability, and Foundation Quarterly.
