The Well-Rounded Accountant Program

June 6 – Oct 31, 2023

This program is an extensive overview of several different services that accountants can provide including CFO services, tax preparation, bookkeeping, tax planning, and tax resolution. This in-depth overview will give participants an understanding of each field and prepare them to start their own businesses and offer these services to their own clients. At the end of the program, participants will be able to pick a niche or area or service they would like to specialize in, start or grow an accounting practice, confidently offer specialized services to help their clients, and develop as well-rounded accountants.

Participants will:

- Receive an in-depth understanding of specialized accounting services.
- Identify an area of service to specialize in to start or grow an accounting practice.
- Learn practical application with comprehensive training.

To register for this program, go to cpennies.com/thewellroundedaccountant.

In order to be awarded the full credits, you must respond to three out of the four polling questions asked during each class.

Participants will earn 24.0 CPE credits.
