FINANCIAL STATEMENT ANALYSIS

TOP SELLER

COURSE #8105 • 20 CPE HRS • \$129.50

This course is a guide to interpreting and unpacking GAAP and non-GAAP financial statements. It provides the analytical framework needed to scrutinize a company's financial statements and outlines straightforward techniques for uncovering the reality behind the numbers. This course also addresses current information relevant to today's volatile markets and uncertain economy.

ANNUAL ACCOUNTING & AUDITING UPDATE & REVIEW

COURSE #5410 • 24* CPE HRS • \$209.50
* 16 ACCOUNTING AND 8 AUDITING HRS

The purpose of this course is to inform the reader of the various changes affecting accounting, compilation and review, and auditing engagements, as well as a review and recall of existing standards.

Topics include a summary of newly issued FASB statements, new statements issued by the Auditing Standards Board, changes in compilation and review engagements, current and pending developments, practice issues, and more.

TOP SELLER

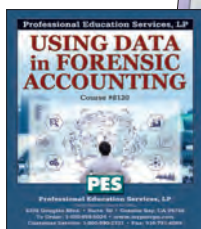

Prerequisites: Basic understanding of U.S. GAAP, compilation and review, and auditing standards.

USING DATA IN FORENSIC ACCOUNTING

COURSE #8120 • 12 CPE HRS • \$94.50

This course will serve as your guide to financial investigation that can be applied to almost any forensic accounting case. It emphasizes the use of best evidence to work through problem-solving data analysis that addresses the challenges of imperfect and incomplete information. It utilizes modern fraud investigation, as well as practical applications and processes for working accountants and auditors. You'll find that these techniques can help improve the quality of your work product.

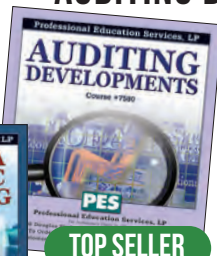

AUDITING DEVELOPMENTS

COURSE #7580
16 CPE HRS • \$109.50

This course addresses the latest developments affecting 2023 and 2024 audit engagements. In addition, auditors will learn about auditing estimates, obtaining audit evidence,

TOP SELLER

changes made to the auditor's understanding of the entity and its environment, risk assessment procedures, using the work of specialists as audit evidence, changes to compliance audits, and more. These changes are found in newly issued SAS Nos. 142-149. The course focuses on recalling, recognizing, and identifying rules related to auditing standards, including new developments pertaining to those standards.

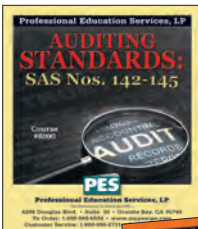

AUDIT REPORTING STANDARDS

AUDITING STANDARDS: SAS NOS. 142-145

COURSE #8090 • 4 CPE HRS • \$44.50

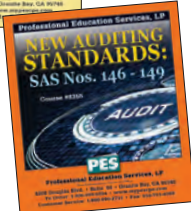

The first section of this course addresses SAS No. 142's expanded guidance on what comprises audit evidence in a financial statement audit. The second segment is a review of SAS No. 143's guidance on accounting estimates. The third portion consists of a review of SAS No. 144's changes to auditing standards in connect with use of specialists and the final section addresses significant changes made by SAS No. 145 to the auditor's understanding of an entity and its environment and the assessment of risks of material misstatement.

NEW AUDITING STANDARDS: SAS NOS. 146-149

COURSE #8355 • 2 CPE HRS • \$29.50

This course reviews the requirements found in SAS No. 146 related to quality management of an audit engagement, discusses the various changes made to AU-C 210, *Terms of Engagement*, by SAS No. 147, addresses amendments made to U-C 935, *Compliance Audits*, by SAS No. 148 and reviews SAS No. 149 which addresses special considerations that apply to a group audit.

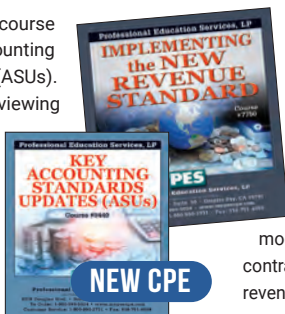

ACCOUNTING AND AUDITING

Unless otherwise noted: All course material provided. No prerequisites. Course level: Basic.

KEY ACCOUNTING STANDARDS UPDATES (ASUs)

COURSE #8440 • 2 CPE HRS • \$29.50

The objective of this course is to address key accounting standards updates (ASUs). Topics include reviewing the new ASUs on accounting for joint ventures, accounting for crypto assets, income tax disclosures, and disaggregation of expenses.

IMPLEMENTING THE NEW REVENUE STANDARD

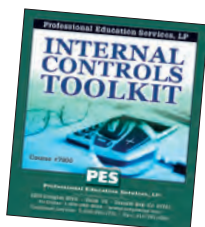

COURSE #7750 • 8 CPE HRS • \$69.50

This course addresses the new revenue standard in ASC 606 and its related updates. It provides guidance to nonpublic entities who implemented the standard in 2020 and are addressing post-implementation issue. Topics include an overview of the new standard, its core principle, an analysis of the five steps required in the revenue model, and various issues on how to account for contract costs, financial statement presentation of revenue-related accounts, disclosures, and more.

INTERNAL CONTROLS TOOLKIT

COURSE #7800 • 12 CPE HRS • \$94.50

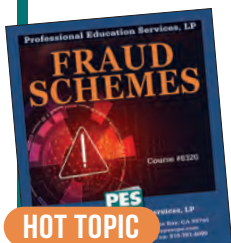

Internal controls are necessary in order to provide the reliable, timely, and useful data needed to support operating, budgeting, and policy decisions. This course takes a "tool-kit" approach to address the practical need for a series of standards of internal controls that can be used to mitigate risk within any size organization. It contains detailed controls and risks for key business processes as well as material to improve internal control efforts. It also provides guidance for M&A projects and SOX 404 initiatives.

ANALYZE... DETECT... PREVENT...

FRAUD SCHEMES

COURSE #8320 • 16 CPE HRS • \$109.50

This course will define and describe many types of corporate fraud schemes that all companies should be on the lookout for. It will identify the schemes, note

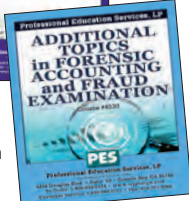

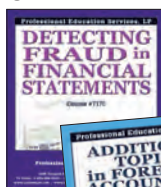

red flags to be aware of, and tools that can be used to offset or avoid the likelihood of the fraud being successful.

PLEASE NOTE: The course content contains material from course #8310: Financial Statement Fraud, therefore, we recommend you not take both of these courses in the same CPE reporting period.

DETECTING FRAUD IN FINANCIAL STATEMENTS

**COURSE #7170
4 CPE HRS • \$44.50**

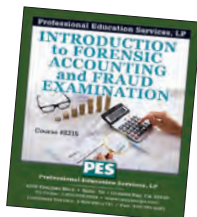

This course provides the knowledge necessary to identify where financial statement fraud happens, when to expect it, and how to detect it.

INTRODUCTION TO FORENSIC ACCOUNTING AND FRAUD EXAMINATION

COURSE #8315 • 10 CPE HRS • \$84.50

Forensic accounting and fraud examination can be complex. This course provides an introduction into the core foundations of this complicated world. It will contrast forensic accounting engagements to fraud examinations, identify how best to find the perpetrators, and then delve into the legal and regulatory aspects.

ADDITIONAL TOPICS IN FORENSIC ACCOUNTING AND FRAUD EXAMINATION

COURSE #8330 • 8 CPE HRS • \$69.50

This course builds on the more complex issues of forensic accounting and fraud examination. It will delve deeper into the types of financial crimes being committed today, including fraud in our elaborate digital age. Then it will discuss how to best deter these efforts with a strong corporate culture and good prevention techniques.

REAL ESTATE ACCOUNTING

COURSE #6970 • 6 CPE HRS • \$59.50

This course is filled with practical information for putting basic real estate accounting principles to work for you or your organization. It is a road map to a broad range of real estate accounting topics, including all forms of ownership. It will introduce real estate terms and products, discuss various types of transactions, and address the audits that real estate entities are subjected to.

ACCOUNTING AND FINANCIAL REPORTING IN A POST-COVID ECONOMY

COURSE #8200 • 4* CPE HRS • \$39.50
* 2 ACCOUNTING AND 2 AUDITING HRS

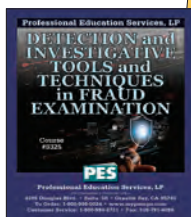

This course addresses the accounting and financial reporting for the current post-COVID economic climate including the effects of inflation, supply-chains, rising interest rates, and other events on company financial statements for 2023 and 2024. The course also discusses the accounting for selected tax changes affecting 2023 and 2024 financial statements.

FINANCIAL STATEMENT FRAUD TODAY!

DETECTION AND INVESTIGATIVE TOOLS AND TECHNIQUES IN FRAUD EXAMINATION

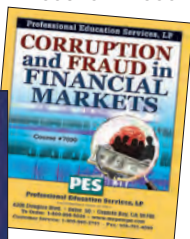

COURSE #8325 • 12 CPE HRS • \$94.50

This course takes a closer look at some of the tools available for fraud detection and prevention. It will first discuss good techniques for finding red flags and performing risk assessments. Then it delves into how to best conduct fraud examinations with good interviewing techniques and use of today's technological tools.

CORRUPTION AND FRAUD IN FINANCIAL MARKETS

COURSE #7890 • 24 CPE HRS • \$139.50

This course is designed to provide an understanding of the potential issues surrounding all types of fraud, misconduct, price/volume manipulation, and other forms of malpractice in order to

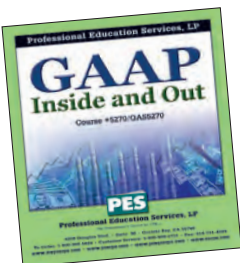

prevent a company from falling victim to unethical practices. It covers detection, prevention, and regulation of corruption and fraud within different financial markets and offers details on the many practices that bring potentially devastating consequences, which include insider trading, bribery, false disclosures, frontrunning, options backdating, and much more. **Course level: Intermediate. Prerequisites: Understanding of financial market terms/concepts and advanced mathematical calculations. This course uses British terminology.**

FINANCIAL STATEMENT FRAUD

COURSE #8310
4 CPE HRS • \$44.50

Focusing on real-world practicality, real-life examples, and case studies to reinforce comprehension, this course examines some of the principles underlying financial statement fraud. It looks specifically at identifying fraudulent financial statement schemes, the detection of such, and how to deter financial statement fraud.

GAAP: INSIDE AND OUT

COURSE #5270 • 16 CPE HRS • \$109.50

TOP SELLER

This course covers a variety of issues related to GAAP, including the unusual reporting and disclosure issues that develop in practice, such as how to disclose life insurance, leases, catastrophes, and tax-basis financial statements. Most of the course is in a Q&A format. Prerequisites: General understanding of GAAP and tax-basis financial statements.

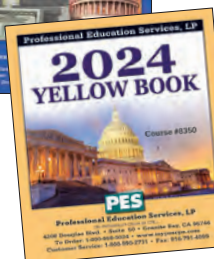

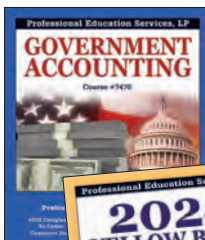

GOVERNMENT AND NOT-FOR-PROFIT

GOVERNMENT ACCOUNTING 2024 YELLOW BOOK

COURSE #7470 • 24 CPE HRS • \$159.50

COURSE #8350 • 8 CPE HRS • \$64.50

Designed to provide current accounting and reporting standards and practices related to government accounting, this covers the reasons behind the standards and practices, their strengths and limitations, and possible alternatives. It also covers the changes in the standards as a result of several new GASB Statements that have required implementation over the past years. **PLEASE NOTE:** If you are interested in an extension of this course related to Not-for-Profit accounting, please see course #7540.

Based on the 2024 revision of the *Yellow Book*, this course provides a framework for performing high-quality audit work according to Generally Accepted Government Auditing Standards (GAGAS) with competence, integrity, objectivity, and independence to provide accountability and to help improve government operations and services.

#7540 NOT-FOR-PROFIT ACCOUNTING 5 CPE HRS • \$49.50

VISIT WWW.MYPESCPE.COM FOR COURSE DESCRIPTIONS.

ANALYSIS AND FORECASTING

FINANCIAL FORECASTING AND DECISION MAKING

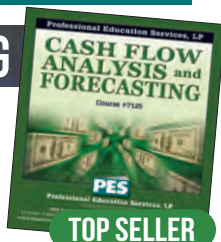

COURSE #7585 • 4 CPE HRS • \$39.50

This course shows how to use a forecasting model to forecast sales and maximize sustainable growth. It examines the effect of debt usage on a company's value and looks at the relationship between its value and taxes, risk, and even bankruptcy. Prerequisite: Understanding of financial forecasting. Course level: Intermediate.

CASH FLOW ANALYSIS AND FORECASTING

COURSE #7125 • 15 CPE HRS • \$99.50

This course provides the tools and knowledge needed to restate published cash flows into a more user-friendly format and to extract the maximum information from them for any type of business. **PLEASE NOTE:** This course uses British terminology.

PROFESSIONAL AND PERSONAL DEVELOPMENT

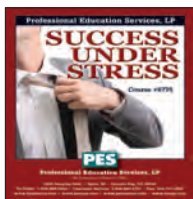

Unless otherwise noted: All course material provided. No prerequisites. Course level: Basic.

Some states limit or may prohibit CPE credits earned in personal development. Please check with your licensing board for details / limitations.

SUCCESS UNDER STRESS

COURSE #6775 • 10 CPE HRS • \$69.50

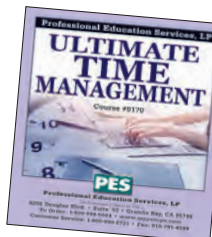

Satisfaction, respect and a sense of accomplishment come from completing a project or closing a deal. However, many of us are running around with too much

to do, facing obstacles to progress, and having to deal with stressed-out people. This course provides an arsenal of solutions for increasing your productivity and minimizing your stress. It will help you turn down your internal pressure-cooker, remove friction from relationships, and find more career satisfaction.

ULTIMATE TIME MANAGEMENT

COURSE #8170 • 8 CPE HRS • \$69.50

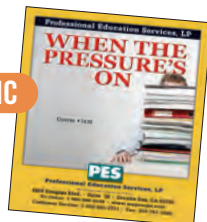

Business professionals often dedicate long hours to work, sometimes with little to show for it. This course helps to identify where you may be sabotaging your own goals, where you are losing personal time, and where you could be possibly mismanaging career time. Using practical productivity tools and techniques it shows how you can be more productive at work, have more time to pursue life goals, and avoid burnout.

WHEN THE PRESSURE'S ON

COURSE #7430 • 6 CPE HRS • \$59.50

HOT TOPIC

How a person functions in high pressure situations can be critical to one's success. This course reveals five core mental skills necessary for excelling under duress: goal setting, adaptive thinking, stress/energy management, attention control, and imagery. Tailored for business leaders, this course identifies and brings peak performance principles to the workplace through practical exercises, assessments, and real life stories.

CPE COURSES OFFERED BY PES ARE RECOGNIZED BY NATIONAL ORGANIZATIONS LIKE NASBA, CFP AND THE IRS!

Professional Education Services, LP is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.nasbaregistry.org.

PES Sponsor Identification Number: 103592

PES is an approved Enrolled Agent continuing education provider through the IRS Return Preparer Office.

Approval code #ZX34G

CFP

To review a current listing of Board registered

CFP courses and their associated credits you can contact PES at 800.990.2731 or visit the Board's website at www.cfp.net

In addition to being a NASBA Registry sponsor, we also have the following specific state Program Sponsorship Agreement numbers: Hawaii #94028, Illinois #158-001075, New Jersey #20CE00108400, New York #001043, Pennsylvania #PX177292, and Texas #005928.

CPE CREDIT MEASUREMENT: CPE credit measurement is based on NASBA/AICPA guidelines of one credit for every 50 minutes. Credit calculation may vary in different states – check with your State Board of Accountancy. • Unless otherwise noted in the specific course description, no advanced preparation is required in order to register or complete any PES CPE course. • Learning objectives for individual courses are available on our website at www.mypescpe.com or by contacting customer service at 800-990-2731.

Use of materials or services provided by Professional Education Services, LP ("PES") are governed by the Terms and Conditions stated on PES' website (www.mypescpe.com). PES provides these courses with the understanding that it is not providing any accounting, legal, or other professional advice and assumes no liability whatsoever in connection with its use. PES has used diligent efforts to provide quality information and material to its customers, but does not warrant or guarantee the accuracy, timeliness, completeness, or currency of the information contained herein. Ultimately, the responsibility to comply with applicable legal requirements falls solely upon the individual licensee, not PES. PES encourages you to contact your state Board for the latest information and to confirm or clarify any questions or concerns you have regarding your duties or obligations as a licensed professional.
