

FUTURE FORCE CAPABILITIES

CONFERENCE & EXHIBITION

Armaments | Fuze | Integrated Precision Warfare | Munitions | Robotics

NDIA

September 24 – 27, 2024
Virginia Beach, VA

Please complete this application no later than **September 6, 2024**. Once approved, you will be sent a Range Safety Rules and Procedures packet that must be signed and agreed to, as well as an invoice for your demonstration fee of \$150 for current exhibitors or sponsors or \$2,000 for non-exhibiting or non-sponsor companies.

The demonstration will take place on Friday, September 27, 2024 at the Bear Swamp, Suffolk, VA. When completing the application, please keep in mind Bear Swamp is unable to accommodate .50 caliber. There is ample room to display vehicles and other products. Ranges that will be in use include the following:

Designation: Distance | **Demo Range:** 35 yards | **Rifle #2:** 300 yards | **Kill House:** NA | **Low Light:** 25 yards
