

Wednesday 15 June

## The Auditorium

09:25 – 09:45	Opening address
10:00 – 10:30	Keynote – Matthew Taylor, NHS Confederation Chief Executive
10:30 – 11:00	The future of health: digital and democratic Supported by Google Health
11:15 – 12:15	Narrowing the gap: reducing healthcare inequalities
13:45 – 14:30	Keynote – Amanda Pritchard, NHS Chief Executive
14:45 – 15:45	Making health and social care the best employer
16:00 – 17:00	Integration in action: how ambitious should systems be to achieve better outcomes for citizens?

## The Forum

09:30 – 09:45	Opening address live stream
10:30 – 11:00	Managing your ‘bank balance’ to tackle the backlog Supported by NHS Professionals
11:15 – 12:15	Reducing inequality in mental health access, experience and outcomes
13:45 – 14:30	Keynote – Amanda Pritchard, NHS Chief Executive, live stream
14:45 – 15:45	Better insights. Better decisions. Better health.
16:00 – 17:00	It takes all of us to care for each of us

All programme information correct at time of print

## Theatre sessions

	Theatre 1 – 1B	Theatre 2 – 1C	Theatre 3 – 3A	Theatre 4 – 3B
09:30 – 11:00	Putting data to work: tackling the elective care backlog Supported by Palantir Technologies UK	The future of urgent and emergency care (60 mins)	Population health management: from integrated data to impacting population health outcomes and reducing inequalities (60 mins)	Integration through the lens of leadership (60 mins)
11:15 – 12:45	Realising the NHS People Promise: improving employee experience, retention, and nurturing talent	Responsibly disrupting healthcare – five stories of health innovation you won’t want to miss! In partnership with IBM	Community diagnostic centres (CDC): speeding up diagnosis and creating a service fit for the future	The voluntary and community sector: the secret weapon for joining up care for people
13:15 – 14:45	More information can be found on the app and the conference website	Inclusive recovery: tackling health inequalities when bringing down the elective backlog	How digital is enabling system transformation for the future	Delivering high-quality personalised outpatients follow-up in the context of elective recovery (60 mins)
15:15 – 16:45	The learning health system: how data and AI can transform quality, safety and workforce pressure Supported by Beamtree	The Fuller Stocktake: how can primary care work best with partners across newly formed integrated care systems to meet the health needs of people in their local areas?	Where next for NHS pay? (60 mins)	Digital inclusion and health equity

For full session and speaker information, please download the NHS ConfedExpo app or visit the conference website.

# Pop-up universities

	PUU1 – 4A	PUU2 – 4B	PUU3 – 11A
09:30 – 10:30	<b>Children and young people’s asthma</b>	<b>Levelling up dementia diagnosis</b> Supported by Roche	<b>Successful innovation isn’t always easy! How do we successfully embed mental health practitioners into primary care networks?</b>
11:15 – 12:15	<b>A pioneering partnership to eliminate hepatitis C</b> In partnership with MSD	<b>Starting with the patient: redesigning care pathways across primary, community and acute care</b>	<b>Transforming the use of medicines to benefit patients</b>
12:30 – 13:30	<b>Communications and engagement for ICSSs</b>	More information can be found on the app and the conference website	<b>The levelling-up agenda: how domain sharing supports digitalised system working in an integrated care system</b> Supported by Cerner
14:45 – 15:45	<b>Redesigning clinical pathways to improve productivity and reduce elective waiting lists for high volume, low complexity (HVLC) procedures</b>	<b>Beyond COVID-19 and the health and care bill: the future of home and community-based cancer care</b> Supported by LloydsPharmacy	<b>What role should performance management play in the age of integration?</b>
16:00 – 17:00	<b>Population health management: it’s the way we do things around here, right?</b> Supported by Optum	<b>Embracing broadcast</b>	<b>Pioneering transformation through the innovative findings of the Beneficial Changes Network</b>

	PUU4 – 11B	PUU5 – 11C	PUU6 – 13	
09:30 – 10:30	<b>The head must represent the heart: modelling inclusive leadership</b>	<b>Using digital innovation to deliver a net-zero NHS</b>	<b>Improving community mental health provision for autistic people</b>	09:30 – 10:30
11:15 – 12:15	<b>Don’t forget the children – the importance of integrating children’s health and social care into systems</b>	<b>Digital workforce solutions</b>	<b>Making friends of adversaries: activism vs leadership</b>	11:15 – 12:15
12:30 – 13:30	<b>The Care Coordination Centre</b> Supported by TeleTracking Technologies	<b>I’m interested in quality improvement – how do I get started?</b>	<b>Future vision for mental health, learning disabilities and autism services</b>	12:30 – 13:30
14:45 – 15:45	<b>Building care pathways through a patient-centric data infrastructure</b> Supported by Bleepa	<b>Working effectively with provider collaboratives</b>	<b>Responding to the increase in demand for children and young people’s mental health support: UK wide perspective</b>	14:45 – 15:45
16:00 – 17:00	<b>Embedding research within the NHS and integrated care systems</b>	<b>Integrated care boards and integrated care providers board development and the role of leadership</b>	<b>Introducing NHS Supply Chain, delivering value and making it easier for the NHS to put patients first</b> Supported by NHS Supply Chain	16:00 – 17:00

## Feature zones

### Digital and data transformation zone

10:00 – 10:30	Collaboration at scale for the data and analytics community via AnalystX
11:00 – 11:30	The barriers and enablers of AI development, implementation and adoption: learnings from the AI Award
11:45 – 12:15	Using digital to transform mental health services
13:00 – 13:30	Insights and intelligence to support elective recovery and GIRFT’s High Volume Low Complexity Care programme
14:30 – 15:00	Voices of the digital profession
15:30 – 16:00	Population and person insights to enable integrated care
16:30 – 17:00	The MedTech Funding Mandate policy: innovation in action

### Innovation zone brought to you by the AHSN Network

10:00 – 10:30	The business case to champion diversity and inclusion in healthcare innovation
11:00 – 11:30	Principles for the successful adoption and spread of innovations in health
11:45 – 12:15	Sustainability in health and care: how innovation can help the NHS to meet its net-zero targets
13:00 – 13:30	Taking a joined-up approach to cardiovascular disease prevention: addressing health inequalities by focusing on hypertension and lipid management
14:30 – 15:00	A deep dive into the known and unknown effects of AI-driven technologies on the NHS workforce
15:30 – 16:00	Scaling innovations for children and young adults: AHSN learning from the FOCUS ADHD and Early Intervention Eating Disorders programmes
16:30 – 17:00	Driving national impact through local insight: tackling health inequalities and improving care for excluded communities

■ Supporter session

For full session and speaker information, please download the NHS ConfedExpo app or visit the conference website.

### International zone supported by Healthcare UK

11:00 – 11:30	Newcastle upon Tyne NHS FT: developing the innovation lab
11:45 – 12:15	Supporting international patients through telehealth, virtual consultations and remote monitoring
13:00 – 13:30	The strategic role of population health management in elective recovery Supported by Healthcare UK
14:30 – 15:00	Spreading innovation and best practice from the UK
15:30 – 16:00	Robotic surgery: the Guy's and St Thomas' NHS FT experience
16:30 – 17:00	Race and health: the international approach

### Recovery and system transformation zone

supported by Novartis Pharmaceuticals UK

10:00 – 10:30	Transforming dementia care through partnership working
11:00 – 11:30	A truly civic partnership: the future of NHS working with universities
11:45 – 12:30	Partnering to level up cancer outcomes Supported by Novartis Pharmaceuticals UK
13:00 – 13:30	Obstacles to effective place-based working and how to overcome them
14:30 – 15:00	CVD prevention recovery: restoring diagnosis and management of cardiovascular disease
15:30 – 16:00	The impact of the pandemic on children and young people’s mental health and wellbeing
16:30 – 17:00	Novartis Biome UK: harnessing the latest in technology for the healthcare solutions of tomorrow Supported by Novartis Pharmaceuticals UK

### Sustainable healthcare zone sponsored by Boehringer Ingelheim

10:00 – 10:30	High-quality, low-carbon respiratory care within primary care
11:00 – 11:30	NHS innovation in zero emission transport
11:45 – 12:30	Inspiring a clean air future: providing integrated care system leaders with a framework for change Sponsored and delivered in partnership with Boehringer Ingelheim
13:00 – 13:30	How to build a sustainable workforce: the NHS as an employer of choice globally and locally
14:30 – 15:00	How population health management is helping primary care identify and support high-risk patients
15:30 – 16:00	Pay it forward: the role of finance in reducing health inequalities
16:30 – 17:00	Recovery of the workforce

## Exhibition hall theatres

### In conversation with

zone supported by the Association of the British Pharmaceutical Industry (ABPI)

10:00 – 10:30	In conversation with Ian Trenholm, Chief Executive, CQC
11:00 – 11:30	In conversation with Dr Roopa Farooki, Internal Medicine Doctor and Author
11:45 – 12:30	<b>Biomedical innovation: driver of common good or exacerbator of health inequality?</b> Supported by ABPI
13:00 – 13:30	In conversation with Dr Phil Richardson, Chief System Integration Officer, NHS Dorset CCG
14:30 – 15:00	In conversation with Dr Garth Graham, Director and Global Head of Healthcare and Public Health, YouTube
15:30 – 16:00	In conversation with Professor Yvonne Doyle, NHS Medical Director for Public Health, and Professor Steve Powis, National Medical Director, NHS England and NHS Improvement
16:30 – 17:00	In conversation with Dr Ritu Garg, Chief of Growth and Innovation Officer, Fortis Healthcare India

### NHS England mini theatre

10:00 – 10:30	Out of the DARK and into the LIGHT – six CEOs’ lived experience of improving challenged organisations
11:00 – 11:30	Embedding children and young people’s voice in NHS policy
11:45 – 12:15	Improving earlier diagnosis of lung cancer
13:00 – 13:30	The race to eliminate hepatitis C in England: where we have come from and how we will reach the finish line
14:30 – 15:00	NHS Youth Forum – digital mental health services, health inequalities and widening participation; an overview of our 2021/22 projects
15:30 – 16:00	The next steps for long COVID

■ Supporter session

## Learning theatres

### Transforming long-term care sponsored by Lilly UK

Lilly has provided sponsorship funding to support the Learning Theatre programme. Lilly has had no involvement in the agenda or content of the events taking place in the sponsored Learning Theatre T01, with the exception of two Lilly-hosted panel discussions, taking place at 11.45 on Wednesday 15 June and at 11.45 on Thursday 16 June.

10:00 – 10:30	Examples of personalised care interventions to support people with long-term conditions
11:00 – 11:30	Delivering tobacco treatment services to tackle health inequalities and the burden of long-term conditions: the Leicester experience
11:45 – 12:15	Diagnosing dementia: a vision for the future Sponsored by Lilly UK
13:00 – 13:30	Specialist alcohol care teams: how supporting inpatients experiencing harm from alcohol can reduce long-term conditions
14:30 – 15:00	Inspiring and developing leadership skills of people with long-term health conditions to effect change
15:30 – 16:00	Stroke rehabilitation pilots: building the case for more high-intensity and integrated stroke rehabilitation service
16:30 – 17:00	Long-term condition care @home: supporting restoration and recovery of services

### The learning theatre

Primary care

10:00 – 10:30	Estates – there is never enough room!
11:00 – 11:30	First impressions matter: improving the digital journey for patients in general practice
11:45 – 12:15	GP referral pathway to the NHS Community Pharmacist Consultation Service: integrating community pharmacy into urgent care
13:00 – 13:30	Why primary care is well placed to do research
14:30 – 15:00	Embedding multi-disciplinary teamworking in primary care
15:30 – 16:00	Sustainable general practice: models for the future?
16:30 – 17:00	Looking after you: mental health and wellbeing for primary care

For full session and speaker information, please download the NHS ConfedExpo app or visit the conference website.

Thursday 16 June

### SCW Live Lounge at E79 - Joining the dots across health and care

Visit the SCW Live Lounge and take part in the interactive sessions where experienced practitioners will explore, debate and share their learning on some of the pressing topics and challenges:

#### How we developed the strategic vision for our ICS

Bath, North East Somerset, Swindon and Wiltshire ICS share their journey to develop a system-level strategic vision for health and care.

**Weds 15 June**  
10.30-11.00

#### Structuring recovery programmes for success

How what we learnt about delivering change at pace during the vaccination programme, in the most challenging and dynamic environment, can help drive sustainable improvement in recovery.

**Weds 15 June**  
12.15-12.45

#### The Power of Prehab: Improving Cancer Patient Outcomes

Explore how the Greater Manchester Prehab4Cancer programme supports patients with certain cancers to become more activated and involved in their care leading to positive impacts.

**Weds 15 June**  
13.00-13.30

#### Optimising workforce planning beyond the spreadsheet

How do you move beyond 'traditional' approaches to workforce planning and put people at the centre of your workforce planning, strategy and delivery?

**Weds 15 June**  
14.45-15.15

#### Creating retention and engagement approaches your workforce value

How do you use insights and data to create plans that deal with the multiple strands and themes that can inform and retain your workforce?

**Thurs 16 June**  
9.30-10.00

#### Working collaboratively to improve local CYP mental health services

Collaborating to understand your challenges, develop tailor-made solutions and deliver efficiencies that improve mental health services.

**Thurs 16 June**  
10.30-11.00

#### How is OD enabling everyday conversations to transform complex systems?

If your organisation isn't a thing but a story inside people's heads, how can you disrupt these stories to enable people to lead change themselves using dialogic OD?

**Thurs 16 June**  
11.15-11.45

#### Discover how Core20Plus Connectors are targeting health inequalities

Hear the latest about how the Connectors programme is taking shape under the Core20Plus5 push to reduce healthcare inequalities with community-based action.

**Thurs 16 June**  
12.00-13.00

### Breakfast sessions

08:00 – 09:00

B1 4A	<b>Collaboration, to go far, go together: what could innovative partnerships mean for you, your community and your organisation?</b> Sponsored and delivered in partnership with Boehringer Ingelheim
B2 4B	<b>Lessons from the pandemic to overcome NHS challenges: keeping momentum on digital innovation</b> Supported by AccuRx
B3 11A	<b>How cultural literacy can reduce winter pressures</b> Supported by Barnardo's
B4 11B	<b>How can housing help tackle health inequalities in later life?</b> Supported by the Centre for Ageing Better
B5 11C	<b>NICE evidence standards framework for digital and AI technologies in healthcare</b> Supported by NICE

Free teas, coffees, fruit and pastries will be available for delegates at our breakfast sessions. We advise you arrive in plenty of time to get settled so we can begin promptly at 08:00.

Thursday 16 June

## The Auditorium

09:30 – 10:00	<b>Connected systems, integrated care: harnessing the power of data to improve patient outcomes</b> Supported by Palantir Technologies UK
10:00 – 10:45	<b>Keynote – David Olusoga, Historian, Broadcaster, Filmmaker</b>
11:00 – 12:00	<b>The challenge of maintaining a focus on health equity as we manage the elective and diagnostic backlog</b>
13:00 – 13:45	<b>Radical health – Dr Hilary Cottam OBE, Author, Innovator and Change Maker</b>
14:00 – 14:30	More information can be found on the app and the conference website
14:30 – 15:30	<b>Beyond hospitals: how do we truly transform healthcare?</b>
15:30 – 15:45	<b>Closing session live stream</b>

## The Forum

09:30 – 10:00	<b>Take the wait off: reducing backlog, improving referral to treatment, transforming outpatients</b> Supported by Medefer
10:00 – 10:30	<b>Rethinking citizen engagement: what can we learn from outside healthcare?</b> In partnership with IBM
11:00 – 12:00	<b>Achieving the NHS’s ambitions to become carbon net zero: what will it take?</b>
13:00 – 13:45	<b>Learning from COVID-19: how to build patient and community voice into integrated system care thinking</b>
14:00 – 14:30	More information can be found on the app and the conference website
14:30 – 15:00	<b>Purpose-led partnerships</b> Supported by AstraZeneca
15:30 – 15:45	<b>Closing session</b>

All programme information correct at time of print

## Theatre sessions

	Theatre 1 – 1B	Theatre 2 – 1C	Theatre 3 – 3A	Theatre 4 – 3B
09:00 – 10:30	<b>Think like a recruiter: put flexibility first for your workforce</b> Supported by NHS Professionals	<b>Perfecting partnerships</b>	09:30 <b>Google Health welcome</b> Supported by Google Health (15 mins) 09:45 <b>Information as a determinant of health</b> Supported by Google Health (45 mins)	More information can be found on the app and the conference website Supported by AstraZeneca
10:45 – 12:15	<b>How UK healthcare organisations are accelerating innovation with the cloud</b> Supported by Amazon Web Services	<b>Community care models working across health and social care – what’s next?</b>	<b>Connected healthcare: remote patient monitoring</b> Supported by Google Health (45 mins) <b>Building confidence in AI to improve clinical outcomes</b> Supported by Google Health (45 mins)	<b>Understanding the growing role of the NHS in economic and social development</b>
13:00 – 14:30	<b>Genomics: cutting-edge science transforming healthcare and supporting NHS recovery</b> (60 mins)	<b>Take the wait off: combining physical and virtual care for improved patient outcomes and increased clinical capacity and efficiencies</b> Supported by Medefer	<b>The role of communications in reducing health inequalities</b> (60 mins)	<b>Dealing with the pandemic after the pandemic – has mental health landed in the right place in systems?</b> (60 mins)

## Feature zones

### Digital and data transformation zone

09:30 – 10:00	Harnessing the power of data to drive elective recovery and transform the NHS
10:30 – 11:00	Delivering virtual wards: top tips for success
11:30 – 12:00	Citizen Tech's role in responding to COVID-19
12:45 – 13:15	A marathon and a sprint: health tech and data
13:45 – 14:15	The healthcare inequalities improvement dashboard: live demo
14:45 – 15:15	Levelling up: making the best use of digital technology to support the delivery of efficient, effective and safe care

### Innovation zone brought to you by the AHSN Network

09:30 – 10:00	NHS Innovation Accelerators: how we help innovators scale in England's NHS
10:30 – 11:00	Transforming asthma care through system-wide collaboration and innovation
11:30 – 12:00	Transforming health and social care: a Welsh perspective
12:45 – 13:15	Creating a perinatal improvement community
13:45 – 14:15	Driving sustained change by addressing systemic challenges with real-world data
14:45 – 15:15	Culture: a catalyst to innovation as a workforce benefit

### International zone supported by Healthcare UK

09:30 – 10:00	The role of non-executive directors in international commercial opportunities
10:30 – 11:00	International engagement: a virtual approach
11:30 – 12:00	NHS strengthening health systems globally: the UK's Better Health Programme
12:45 – 13:15	A globally engaged NHS: for equity, inclusion and wellbeing
13:45 – 14:15	An international perspective on net zero
14:45 – 15:15	Health system recovery from COVID-19: international lessons for the NHS

### Recovery and system transformation zone

supported by Novartis Pharmaceuticals UK

09:30 – 10:00	'Waiting well' My Planned Care: helping to support and empower people who are on elective waitlists
10:30 – 11:00	The power of provider collaboration: working across boundaries to improve patient pathways and outcomes
11:30 – 12:00	We are Mental Health Nursing: leading, advocating and innovating
12:45 – 13:15	Population health management: how primary care is overcoming barriers to implementation <small>Supported by Novartis Pharmaceuticals UK</small>
13:45 – 14:15	Beneficial Changes Network
14:45 – 15:15	System thinking. System building. System working

### Sustainable healthcare zone sponsored by Boehringer Ingelheim

09:30 – 10:00	Building a greener estate: laying the foundation for a net-zero NHS
10:30 – 11:00	NHS cadets: connecting with your future workforce
11:30 – 12:00	Taking the road less travelled: the role of digital partnerships in creating a sustainable NHS <small>Sponsored and delivered in partnership with Boehringer Ingelheim</small>
12:45 – 13:15	Supporting our staff to stay and stay well: how do we maintain the energy of our workforce?
13:45 – 14:15	'Poverty proofing' healthcare services
14:45 – 15:15	Embedding learning health systems

 Supporter session

## Exhibition hall theatres

### In conversation with

zone supported by the Association of the British Pharmaceutical Industry (ABPI)

09:30 – 10:00	In conversation with Chris Hopson, Chief Strategy Officer, NHS England and NHS Improvement
10:30 – 11:00	In conversation with Dr Matthew Sawyer GP, Managing Director, SEE Sustainability and Trainer, Speak Carbon
11:30 – 12:15	Clinical research recovery and growth in the NHS Supported by ABPI
12:45 – 13:15	In conversation with Sofiia Abdelani, Medical Support Worker from Ukraine, and Celia Ingham-Clark, Medical Director for Professional Leadership and Medical Workforce at NHS England and NHS Improvement
13:45 – 14:15	In conversation with Charlie Massey, Chief Executive, GMC, and John Barwick, Chief Executive, Health and Care Professions Council
14:45 – 15:15	In conversation with Dr Nikki Kanani MBE, Medical Director of Primary Care for NHS England and NHS Improvement

### NHS England mini theatre

09:30 – 10:00	Building the future of NHS vaccinations
10:30 – 11:00	The A&E Admissions Forecasting Tool
11:30 – 12:00	Introducing the Patient Safety Incident Response Framework (PSIRF)
12:45 – 13:15	Emergency preparedness resilience and response (EPRR)
13:45 – 14:15	Improving access, quality and sustainability in palliative and end of life care – implications for integrated care boards
14:45 – 15:15	Inspiring 1.4 million actions: how can we engage and educate the workforce in building a greener NHS?

■ Supporter session

## Learning theatres

### Transforming long-term care sponsored by Lilly UK

Lilly has provided sponsorship funding to support the Learning Theatre programme. Lilly has had no involvement in the agenda or content of the events taking place in the sponsored Learning Theatre T01, with the exception of two Lilly-hosted panel discussions, taking place at 11.45 on Wednesday 15 June and at 11.45 on Thursday 16 June.

10:30 – 11:00	How personalised care primary care roles are supporting people with long-term conditions
11:30 – 12:15	Activating change: tackling inequalities for minority ethnic groups living with diabetes Sponsored by Lilly UK
12:45 – 13:15	Using healthcare technology to deliver the NHS Digital Weight Management Programme to reach and support those with the greatest risk factors
13:45 – 14:15	Keeping people and communities with long-term health needs healthy through a focus on antimicrobial resistance
14:45 – 15:15	Pulmonary rehabilitation: how the NHS is developing new models of delivery for under-represented communities

### The learning theatre

#### Mental health

09:30 – 10:00	Reasonable adjustments to reduce health inequalities for people with a learning disability and autistic people
10:30 – 11:00	Transforming the children and young people’s mental health workforce with new roles, education and training
11:45 – 12:15	Mental health matters
12:45 – 13:15	What does a good ‘health action plan’ look like for people with a learning disability?
13:45 – 14:15	Digital open access in mental health: solutions to support ‘waiting well’
14:45 – 15:15	The integral role of social work in adult mental health services

For full session and speaker information, please download the NHS ConfedExpo app or visit the conference website.
