

11+ & 13+ Choices: Discovery, Preparation, Application

Our Summer Fair returns for its sixth year, helping London parents find the right senior school for their child and prepare confidently for the admissions journey.

Independent Schools Show Summer Fair

Thursday 14 May 2026 | 09:30–15:30

RHS Lindley Hall, Elverton Street, London, SW1P 2QW

Designed for London families considering independent senior schools, the Summer Fair helps thousands of parents each year gain clarity, confidence, and perspective as they make important decisions about their child's education.

The event offers the opportunity for unhurried, meaningful one-to-one conversations with admissions leaders, headteachers, and experienced education advisors—helping parents identify the right school options and feel confident about the route ahead.

Parents leave with a clearer understanding of admissions timelines, assessment expectations, bursary and scholarship opportunities, and—most importantly—the confidence that they are finding a school where their child will thrive.

Speaking and exhibiting schools include Highgate School, Francis Holland School, Winchester College, Alleyn's School, University College School, Benenden School, City of London School for Girls, Cheltenham Ladies' College, Marlborough College, Radley College, Tonbridge School, Sevenoaks School, Bedales School, Wellington College, and many more.

For any London family considering independent senior schools, this is an essential event.

Advance tickets are free. On-the-door tickets: £15. Book now at schoolsshow.co.uk/tickets
