SUPPORT THE ARMED FORCES, HIRE OUR VENUES

ABOUT US

Alternative Venues London (AVL) is the dedicated venue hire department within the Greater London RFCA.

We are a non-profit organisation which generates additional funding by hiring out Military Venues in London.

With 39 Reserve Forces and 75 cadet sites spread across London available for commercial venue hire, the money generated by AVL is put directly back in to the Estate.

The Greater London Reserve Forces' and Cadets' Association (RFCA) champions London's Reserve Forces and Cadets through community and corporate engagement and estate management.

OUR CLIENTS

ENGAGEMENT

The RFCA works to establish and maintain strong relationships with employers and community stakeholders to develop a mutually beneficial working relationship with the Ministry of Defence.

YOUTH

There are over 13,000 cadets across London. At GL RFCA we provide financial, administrative and logistical support that enable them to take on challenges and adventures that would otherwise be unavailable to them.

Our Estates Team manage 39 Reserve Centres in London (including Maritime Reserve and RAF) along with 131 Cadet Training Centres.

CONFERENCES

AVL has a number of sites located in central London, which are perfectly suited for conferences.
