

PORTABLE POWER STATIONS

ZERO - Noise | Emissions | Fuel Consumption

www.power-2go.com

PORTABLE POWER STATION

Lightning-fast recharge capabilities, enhanced safety features, and versatile output options. This portable power station and solar generator is your ticket to uninterrupted adventures, facing a power outage at home, or you simply need reliable backup power.

Charge Time: Maxi-Charge Technology fuels the unit with lightning speed, offering a remarkable 100% recharge in just 1.5 hours.

SmartDrive Technology: Ensures safe and efficient power delivery, automatically adjusting to handle surges of up to 1200W, so your devices always operate at their best.

LiFePO4 Battery Cells: Our long-lasting LiFePO4 battery retains 80% capacity even after 2000+ cycles, providing reliable backup power during emergencies without the risk of fire or explosion.

Product Code: PTG-PS-600-UK

Cell Type:	LiFePO4
Battery Capacity (Wh):	672
Life Cycles (@25°C, IC Discharge):	2000+
Nominal AC Power (W):	600
AC Surge Power (W):	1200
Dimensions (W/H/D) (mm):	348x264x192
Weight (Kg):	9.5

Power-2Go | 1000

PORTABLE POWER STATION

Recharge from 0% to 100% in just 1.5 hours. With multiple BMS protection and dual-core processor, this generator delivers powerful capabilities for efficient multitasking while still providing redundant protection.

Uninterruptible Power Supply: Equipped with a UPS functionality that switches as a backup power source within 10 milliseconds once placed between the loads and the grid for uninterrupted power.

Charging Methods: Three rapid charging methods for your portable power station, wall, solar or car .

Versatile Output: Featuring 11 output ports across 6 types, including wireless charging, the Power-2Go 1000 lets you charge multiple devices simultaneously, so you can stay connected wherever you go.

Product Code: PTG-PS-1000-UK

Cell Type:	LiFePO4
Battery Capacity (Wh):	1008
Life Cycles (@25°C, IC Discharge):	2000+
Nominal AC Power (W):	1000
AC Surge Power (W):	2000
Dimensions (W/H/D) (mm):	348x264x192
Weight (Kg):	11.1

Power-2Go | 2000Pro

PORTABLE POWER STATION

With rapid recharge capabilities, advanced safety features, and versatile outputs, this portable powerhouse ensures uninterrupted power for all your devices. Whether you're off-grid camping, preparing for emergencies, or seeking reliable backup power, the Power-2Go 2000Pro delivers.

Fast Charge: With Maxi-Charge Technology, recharge from 0% to 100% in just 1.8 hours, ensuring minimal downtime and maximum adventure time.

SmartDrive Technology: Delivering 2000W nominal AC output and handling surges of up to 4000W, SmartDrive technology ensures safe and efficient power.

LiFePO4 Battery Cells: Retains 80% of its capacity even after 2000+ cycles.

Product Code: PTG-PS-2000P-UK

Cell Type:	LiFePO4
Battery Capacity (Wh):	1920
Life Cycles (@25°C, IC Discharge):	2000+
Nominal AC Power (W):	2000
AC Surge Power (W):	4000
Dimensions (W/H/D) (mm):	355x347x226
Weight (Kg):	20.5

Power-2Go | 3000

PORTABLE POWER STATION

The Power-2Go SmartDrive technology switches automatically when connected appliances exceed 3200w, ensuring safe and efficient power delivery without performance compromise.

Super Fast Recharge: From 0% to 100% in 1.5 hours.

LiFePO4 Battery Cells: 4000+ lifecycles. Retains 80% of its usable capacity even after 4000+ cycles.

Multiple Output Ports: 13 output ports across 6 types, allowing you to charge 13 devices simultaneously,

including an optional wireless charger.

Seamless UPS: Switches as backup power source within

Product Code: PTG-PS-3000-UK

Cell Type:	LiFePO4
Battery Capacity (Wh):	2048
Life Cycles (@25°C, IC Discharge):	4000+
Nominal AC Power (W):	3200
AC Surge Power (W):	6400
Dimensions (W/H/D) (mm):	355x312x299
Weight (Kg):	25

Power-2Go | 4600

PORTABLE POWER STATION

Featuring an expandable battery capacity from 2.56KWh to 10.24KWh to meet daily energy requirements. The battery capacity can be expanded combining up to 4 pieces of 2.56KWh battery, which is an ideal solution for higher power requirements.

High Power AC Output: An impressive nominal output of Max. 4600W AC and can handle up to 9200W surges, delivering reliable energy to multiple devices simultaneously.

APP Smart Control: Wi-Fi and Bluetooth design enables users to remotely monitor the system and upgrade the software through a smartphone APP anytime and anywhere

AC Super Charge: Maxi-Charge Technology allows for a fast charge of Max. 3600W via AC power. It takes within 1 hour to charge from 0% to 100%.

Product Code: PTG-PS-4600-UK

Cell Type:	LiFePO4
Battery Capacity (Wh):	5120
Life Cycles (@25°C, IC Discharge):	4000+
Nominal AC Power (W):	4600
AC Surge Power (W):	9200
Dimensions (W/H/D) (mm):	450x152x352
Weight (Kg):	36.7
