X 300 ULTRA Tac-Light from Rig Equipment Limited

Rig Equipment Ltd is a leading manufacturer & solutions provider for specialist emergency services & defence professionals

The Rig X 300 Ultimate Tac-Light provides an interactive professional solution for your Personal Tactical Lighting requirement.

Made from tough lightweight aluminium, the Rig X 300 Ultimate Tac-Light is highly water resistant, durable and versatile. It incorporates many features critical to a safe operational deployment.

Supreme LED technology provides a very powerful light source that far exceeds what is expected from a unit of this size.

Like all Rig Equipment, it is one of the best in it's class. With a chunky toggle twist action switch capable of providing a constant light or press either side for a momentary function.

Please contact us for further information or for a no obligation visit by our representative.

Designed with the professional end user in mind
