### Thermal Comfort Gloves

#### Style T/C GLOVES

These gloves are made of Thermal Polar fleece material with sure grip anti slip silicone polka dots on the palms and fingers. The index finger includes a smart phone touch sensitive pad which allows you to use any touch screen device without removing the gloves. They have been specifically designed in the UK for use by medical & emergency crews.

They provide the wearer with a warm comfortable outer layer but remain highly tactile to allow the effective fine motor skills needed in medical or other applications. Smart and comfortable with AMBULANCE embroidered logo. Proven in service within UK ambulance & air ambulance operators.

#### Features:

- Warm, breathable & flexible
- Index finger smart device pad for use with touchscreen devices
- Ergonomically designed for user comfort and sensitive touch
- Sure grip anti slip silicone polka dots on the palms and fingers
- High, elasticated cuffs for added protection and warmth
- Smart AMBULANCE embroidery
