EXPERTS IN POLICE, EMS & SECURITY EQUIPMENT

Designing & Manufacturing your bespoke product requirements.

ABOUT US

MC Products UK Ltd - Almost Four Decades of Expertise in Police and Security Equipment

MC Products has established itself as a trusted partner of all UK emergency services, designing and manufacturing bespoke equipment and 'kit' bags for almost 40 years. With an unwavering reputation in the Police, Security, and Emergency Services sectors, the company has consistently delivered innovative and reliable solutions tailor made to their clients needs.

MC Products UK maintains close relationships with UK Police Officers, enabling them to gain firsthand insights into the challenges and requirements of both covert and overt operations. This collaboration drives the company's in-house design facilities, where products are continuously developed and refined to meet the evolving needs of police forces.

Their trusted and respected range, **PROTEC** has been designed around the always evolving needs of a modern Police force, using the latest in modern materials and fittings, these uniform accessories are robust and durable, guaranteeing only the best performance even in the most challenging environments. The range includes a comprehensive selection of items to enhance the functionality and professionalism of uniformed officers.

At it's core MC Products UK Ltd is dedicated to providing exceptional customer service. Their team of experts are available to assist with product selection, customisation, and after-sales support. Their commitment to quality and satisfaction ensures that customers receive only the very best possible experience... ALWAYS.

Police Supplies

by MC Products UK Ltd

YOUR ONE-STOP SHOP FOR ESSENTIAL GEAR

Equipping Police, Emergency Services & Security Personnel with the best uniform and equipment at the best prices.

ABOUT US

In today's fast-paced world, the needs of police, emergency services, and security personnel are ever-evolving. At Police Supplies, a subsidiary of MC Products UK Ltd, we understand that having access to quality gear and uniform is crucial for those on the front lines. Our online shop hosts an extensive range of equipment designed specifically for the demanding requirements of law enforcement, EMS and security services.

Whether you are a police officer, a member of the fire service, or a security personnel, having the right equipment can make all the difference in the line of duty. From tactical vests and body armour to uniform items and essential tools, our varied inventory meets the high standards required by professionals.

Shopping for essential gear should be straightforward and accessible. With Police Supplies, you can purchase the equipment you need 24/7 from the comfort of your home or office. Our user-friendly website makes it easy to browse through our extensive range, providing detailed descriptions and specifications for every product.

We also understand that time is often of the essence for those working in emergency services. That's why we offer next-day delivery options on many of our products. When you need gear in a hurry, you can count on us to deliver your essentials promptly and reliably.

We know that that budgeting for equipment and uniform can be challenging for organisations and individuals alike. That's why we offer a price match promise to ensure that you always get the best value for your money.

WHY CHOOSE US?

- ✓ 24/7 Online Ordering
- ✓ Price Match Promise
- ✓ Worldwide Delivery
- ✓ UK Next Day Delivery Options
- ✓ Excellent Customer Service

DESIGN & MANUFACTURE

Our broad range of products include bespoke and customised equipment vests, medical bags, backpacks, covers and tabards. All design, customisation and personalisation work is done in-house in our UK manufacturing premises.

As a manufacturer developing clients ideas into working prototypes is a key objective, with almost 40 years experience in the industry and with an understanding of the latest materials and technology gives us an edge that clients appreciate.

SOURCING

MC Products UK Ltd have established a large network of manufacturing and distribution agents covering a diverse range of industries.

No matter what you're looking for, our network covers an array of categories. Our agents specialise in various industries, ensuring that we can help source practically any product you require.

From consumer goods to niche market items, we have you covered.

IMPORTATION & DISTRIBUTION

Clients that require large volumes manufactured we offer a development and importing option with an established and reliable network of factories built up over a 30 year period, taking care of all aspects, from pre-production samples to delivery and duties.

PROJECT MANAGEMENT

Working with a wide range of companies planning and developing carrying solutions, advising on suitable materials and design that would be the most cost effective for production, modifying as prototyping develops.
