Bespoke requests and Modifications

We can accommodate all of your bespoke requirements such as:

- Product development and prototyping
- Custom pouches for the interior of the EVOMED Response Bag
- Materials
- Buckles & Hardware
- Material Colours
- Altering pocket Layout

And much more!

EVOMED Response Bag

Named after its ability to adapt and evolve to suit your needs, the EVOMED Bag is a modular, fully reconfigurable solution which can be tailored to meet the most demanding of requirements.

Measuring 40cm W x 57cm H x 26cm D (with front pouches attached)

We have worked tirelessly to ensure that our first product to hit the market, is not only innovative but built to withstand the toughest conditions and enhance the effectiveness and efficiency of those who serve and protect our communities.

We take pride in our British roots and are dedicated to upholding the highest standards of quality in everything we do.

The EVOMED Emergency Medical Response Bag is a durable and organised solution for on-the-go medical professionals.

Featuring 3 removable modular pouches on the front of the bag and a main compartment with full length zips allowing the bag to fully fold open and its Velcro lining allows our modular pouch system to be configured to suit your needs.

ALS Modular Drugs Bag

Experience unmatched efficiency and organisation with our cutting-edge Advanced Life Support Modular Drugs Bag.

This modular solution is tailored for advanced medical scenarios, ensuring readiness and quick access to vital medications.

Measuring 30cm W x 25cm H x 10cm D

Stay prepared for any emergency with this specialised storage system which optimises your workflow and enhances patient care by streamlining medication management and administration.

Invest in the future of emergency care with this innovative modular drug bag and elevate your team's capabilities and provide optimal support to those in need.

- Can be tailored to your exact requirements
- Ensures quick access to vital medications
- Optimise workflow and enhance patient care
- Modular Design allows for versatility
- Enhances team capabilities in critical situations

Search And Rescue Chest Rig

In critical moments, every second counts.

Our Search and Rescue Chest Rig with modular pockets ensures you have everything you need right at your fingertips. Built for reliability, designed for adaptability—because when others count on you, you can count on us.

Compact Tear-Away Trauma Pouch

When every second counts, you need gear you can trust. Our Compact Tear-Away Trauma Pouch is designed for fast access and ultimate reliability, ensuring you're always prepared to make a difference when it matters most.

Tactical Admin/utility pouch

Maximise your tactical efficiency with our Tactical Molle Compatible Utility/Admin Pouch. Designed to be versatile and durable, this pouch easily attaches to any Molle system for easy access to all your necessary tools and gear.

With its secure storage and organisational features, you'll be ready for any mission or task
