FIRE LADDERS AND EQUIPMENT

GENERAL DESCRIPTION

NOVA is a high quality fire hose for use by Professional Fire Fighters in the most demanding situations. It is constructed with an all synthetic woven textile reinforcement encased in high tensile PVC / Nitrile rubber forming a unified lining and cover. NOVA exceeds the requirements of BS 6391 for type 3 fire hose and is M.E.D. (Ships Wheel) approved for marine use (previously M.C.A).

FEATURES

OIL & CHEMICAL RESISTANCE

Nova's construction and unique PVC / Nitrile rubber blend provide excellent resistance to a wide range of chemicals and oil.

HEAT RESISTANCE

Nova has excellent heat resistance against accidental contact with hot embers.

ABRASION RESISTANCE

Nova's strong PVC Nitrile cover provides a tough external coat ensuring excellent abrasion resistance.

MAINTENANCE FREE

No drying is required and cleaning is quick and easy.

EASY TO REPAIR

An easy to use repair kit is available for Nova.

WEATHER RESISTANCE

Nova has excellent ozone and weather resistance and is suitable for the most demanding environmental conditions.
