UKCA MARKING

IMPORTANT INFORMATION

From the 1st January 2021, the United Kingdom leaves the EU. With this change comes new Great Britain and Northern Ireland legislation covering the manufacture and supply of Personal Protective Equipment, ATEX products, Machinery and other applicable product areas.

The UKCA (UK Conformity Assessed) marking is a new UK product marking that is to be used for goods being placed on the market in Great Britain (England, Wales and Scotland). It covers most goods which previously required the European CE marking.

For most products relevant to our customers:

From 1st January 2021, manufacturers may start the process of gaining approval for affixing the UKCA mark to their applicable products. They have until 1st January 2022 to achieve this if they wish to continue to sell their products in Great Britain and Northern Ireland.

Between 1st January 2021 and 1st January 2022, CE-only marked product can continue to be sold as normal. As a manufacturer gains the UKCA mark for the product it can be applied, and the product introduced bearing the new mark.

From 1st January 2022, only applicable product with a UKCA mark affixed to it can be sold in Great Britain and Northern Ireland. From 1 January 2022, the CE marking will not be recognised in Great Britain for areas mentioned. However, a product bearing the CE marking may still be sold in the UK so long as it is also UKCA marked and complies with the relevant UK rules.

Lyon is working with its suppliers to ensure that all products it offers will meet the 1st January 2022 deadline. Where a specific product area has an earlier timeframe, such as Medical Devices, those products will meet that deadline.

As individual products gain the UKCA marking during 2021, Lyon will post updated Declarations of Conformance on its web site and on its delivery notes/declarations.

Please note: This information is current at time of issue (10.11.2020) but may be subject to change depending on the final exit negotiations and pending UK legislation. See <https://www.gov.uk/guidance/using-the-ukca-mark-from-1-january-2021>

Bespoke Marking - Helmets

Lyon Equipment offer a bespoke marking service on the selected Petzl helmets as shown below.

STRATO VENT, STRATO, VERTEX VENT, VERTEX, METEOR, BOREO, BOREA.

What we need from you:

Artwork in EPS or Illustrator format using solid colours

Images must fit within the approved areas
(front, back and sides)

Your new Petzl helmets – please send these in their ORIGINAL packaging to Lyon Marking Services (all shipping at the customer's cost)

Once we have received and processed your artwork we will send you a proof document which **MUST** be signed and returned before we can start production.

Please Note:

- Stickers are not available separately and can only be provided for current helmet models
- We cannot accept used or unpackaged items – these will be returned unmarked at customer's cost
- If your artwork is particularly complex, additional charges may apply – you will be advised before any additional costs are incurred

DESCRIPTION	TYPE	SIDES	PRICE £*
Sticker	Standard	1 - 2 panels	3.55
		3 - 4 panels	6.85
		5 panels	8.30
Sticker	Reflective	1 - 2 panels	4.15
		3 - 4 panels	8.00
		5 panels	10.05
Artwork set-up			35.00

* Net prices - no discount available

Lyon Equipment is able to offer a bespoke marking service on new and unused metal products.

This service is available on pre-delivery metal items only. Batch or sequential numbering and logos can be re-produced. Sizes vary depending on the available flat space on the item! For logos an artwork charge is applicable.

We strongly advise purchase of a sample item to be checked and approved before ordering in quantity.

Once your artwork has been processed we will send you a proof document which **MUST** be signed and returned before we can start production.

Please note: if your artwork is particularly complex additional charges may apply, we will advise you of this when we receive your artwork and before you incur any costs.

Engraving is still available. Batch or sequential numbering up to 35 characters can be applied, depending on space available.

Laser Marking Service is not available on items with textiles directly attached.

For further information please go to www.lyon.co.uk

CODE	DESCRIPTION	PRICE £*
Product Marking Services		
MMARK LASER	Laser Etching	Per item 0.80
MMARK	Engraving	Per item 0.80
MMSETUP	Set-Up charge	Per item type 9.50

*** Net prices, no discount available**

Our Office Address and Contact

Lyon Equipment Limited, Unit 3-7, Tebay Business Park, Old Tebay, Penrith, CA10 3SS.

Tel: 015396 24040, Email: info@lyon.co.uk, Web: www.lyon.co.uk

Our Office Hours

Monday to Thursday 9.00 am to 5.00 pm, Friday 9.00 am to 1.00 pm

Pro B2B ordering available 24 hours a day, 7 days a week – all Pro B2B orders are processed through our system as received or the next working day if out of office hours along with emailed and faxed orders.

How to pay

Wherever possible, please make payment by BACS, quoting your account reference number and email your remittance to remittances@lyon.co.uk

Our bank details are as follows;

Sort code 01 04 81

BIC NWBK GB 2L

Sterling Account no. 76036197

IBAN Number GB82 NWBK 01048176036197

Euro Account no. 06443532

IBAN Number GB57 NWBK 60720206443532

By credit / debit card – we accept most cards except American Express and Diners'.

By cheque – please make cheques payable to **Lyon Equipment Ltd** and send to **Unit 3-7, Tebay Business Park, Old Tebay, Penrith, CA10 3SS**. Please note for Pro Forma invoices, we will despatch goods only when funds have cleared, which is usually seven days from receipt.

On account - if you wish to open a credit or pre-payment account with us, please contact Daniel on 015396 26307 for further information. Please refer to our terms and conditions before placing an order or requesting a credit / pre-payment account.

Overdue Accounts - We understand and reserve the right to exercise our statutory right to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms.

Delivery

Subject to account status, we will make every effort to despatch orders placed before 1pm Monday-Thursday and 12 noon Fridays, the same day for delivery to your premises the following day (UK mainland only and subject to carriers guarantees of service). Orders received after 1pm Monday-Thursday and 12 noon Friday cannot be guaranteed next day delivery. **Once received, your order will normally be processed through to despatch very quickly, therefore it is not possible to add items to an order later.**

All deliveries by carrier must be signed for, it is your responsibility to ensure that the box count is verified and any damage to the delivery is highlighted on the carriers delivery receipt, Lyon Equipment cannot accept liability for missing cartons or damage without this.

Premium timed services for deliveries before 10 am and 12 noon are also available. If required, we can also offer a palletised service. If you require any of these additional services, please ask for details.

Carriage Charges - Orders with a net value below £150 will incur a carriage and handling charge of £7.00 per box. Orders with a value greater than £150 are despatched carriage free to a single delivery address within the UK or ROI. Deliveries split at customer's request will attract the carriage charge on individual package values less than £150.

Please Note; all deliveries to third party addresses will incur a carriage charge of £10 per box irrespective of order value. Delivery to third parties in Republic of Ireland – price on application. We do not offer an export service to third party addresses outside these territories.

Consignment tracking - please contact your sales administrator in case of late delivery.

Export Customers – please note that the carriage charge will be advised at the time of order.

Gas Deliveries – Dangerous Goods Transport Regulations

Regulations apply to all consignments including Gas and surcharges apply to all destinations. We will absorb some of these costs but there will be an additional charge for deliveries to the following areas: Scottish Islands, Northern Ireland, Republic of Ireland, Channel Isles

Please contact us for a quote.

For large (bulk) gas only purchases – please ask.

Lithium Batteries - Please note that products containing Lithium batteries that require return to Lyon Customer Services must follow the advice contained in this link: www.lyon.co.uk/lithium-batteries

Booked In Deliveries - If you require pre booked, timed deliveries into your warehouse we are happy to organise this. We will email or fax you the details including your booking-in reference. Please confirm booking arrangements by return – only then will your delivery be released. Please note that any pre booked, timed deliveries which are refused will result in your company being invoiced for the additional costs incurred.

Returns

If you need to return product for any reason, please contact your Customer Services – After Sales Team for Faulty Goods or Customer Service - Sales Administrator for all other returns in advance, as we may be able to provide advice or a solution without the need to return product. However, should a return be necessary the product will be evaluated on receipt and you will be contacted regarding the course of action.

Any goods returned should be complete, including packaging and instructions.

Please note you are responsible for the condition of returned product until it is delivered to us, therefore you should ensure that appropriate protective packaging is used.

Soiled items will not be accepted and will be returned to you, incurring a handling and return carriage charge.

Please ensure that all returned product is accompanied with a Lyon Product Return Form, clearly stating the following details;

Lyon case reference (if you have been provided with one)

Your returns reference (if applicable)

Company name, account number, address and postcode

Contact name, telephone number and email address

Product(s) and quantity being returned

Proof of purchase (invoice / delivery note details)

The reason for return, including history of use and the nature of the problem

The name of your Lyon Equipment staff contact

Please note: Subject to evaluation and manufacturers guarantee / warranty requirements our policy is to credit faulty items. In special circumstances we may be able to issue a replacement subject to stock availability. If a replacement is required please make this clear on your Lyon Product Return Form.

If the product is being returned for consideration under a manufacturers guarantee / warranty or we have supplied the product to you in error we will cover the cost of return up to a maximum carriage value of £7.00. If the cost is more than £7.00, please let us know and we will arrange collection from your UK mainland postal address. Collections can be arranged through your Sales Administrator. If however the product can be returned for less, please do so and we will credit your account on acceptance of your claim.

If you are returning products in a saleable condition as a result of your order error, or they are no longer required, then a restocking fee of 15% will be charged for handling the return and we will not credit postage. This is outlined in our terms and conditions (4.9). Copies are available on request.

Before contacting your sales administrator to arrange a collection, please ensure that product to be returned is boxed and ready for collection. When you contact us, please let us know your opening hours/days. Unfortunately, if the collection fails as there is no one to hand over the package, or it is not ready, any subsequent collection will be charged to you in full.

For further information or advice, please contact our **Customer Services - After Sales Team:**
