

# MODERNISE REGIONAL GOVERNMENT WITH SOLUTIONS THAT BENEFIT YOUR WORKFORCE AND THE PUBLIC.

Regional government has an opportunity to strategically improve the delivery of services by adopting solution lead technologies, making communities and their workforce safer, cleaner, healthier, and more prosperous.

## TECHNOLOGY IN REGIONAL GOVERNMENT CAN HELP TO INCREASE PERFORMANCE WHILE BENEFITING THEIR EMPLOYEES AND THE PUBLIC THEY SERVE.

### WE GET regional government needs:

- ▶ Increased productivity and output
- ▶ Employee retention and satisfaction
- ▶ Supporting a mobile workforce
- ▶ Secure data and devices
- ▶ Flexible and affordable financing

## THE ANSWER? MOBILISE THE WORKFORCE WITH CDW AND APPLE

As an Apple Authorised Enterprise Reseller, CDW can help local authorities to roll out a complete mobility programme that enables them to establish new forms of interaction with the Public, extend their efficiency, strengthen collaboration and improve the delivery of services with intuitive devices that work at the speed of your teams.

### Work from anywhere with Apple technology

iPad

iPhone

Mac

## BENEFITS OF APPLE IN GOVERNMENT

### Optimal performance

iPad has an interface that is easy to use and familiar which enables seamless mobile workflows, better collaboration, and higher productivity levels.

### Futureproofing

71% of millennials say that the degree to which an organisation embraces technology and innovation influences where they work.

Invest in your workforce and offer them a device that will assist them in their role and increase efficiencies.

### Enabling a Mobile workforce

iPad enables government professionals to work from any location, with unparalleled 5G connectivity providing instant access to the information they need while allowing them to share data and communicate with their team in the office.

### Security wherever you are

Apple Technology is secure by design with integrated hardware, software, and services that will help keep critical public data safe and protect the workforce when online.

### Streamlined management

Use Apple Business Manager and Mobile Device Management (MDM) to configure and manage devices and wirelessly manage content without compromising employee productivity or privacy.

## FINANCING AS UNIQUE AS YOUR NEEDS

Working directly with Apple Financial Services CDW can create a financing solution that works for your business by keeping your costs low, enabling flexible upgrades, and giving you complete control of your refresh cycle.

### CDW works with AFS to create a financing solution that works for you

Keep costs low by accounting for the high residual value of Apple devices upfront.

Take control of your refresh cycle with flexible upgrades on straightforward terms.

Get iPads, Macs, and iPhones pre-configured and ready to use, straight out of the box.

## CDW OFFERS A FULL LIFECYCLE MANAGEMENT SOLUTION FOR APPLE

### Assess

Pinpoint the needs of users and incorporate best practices in device management.

### Provide

We'll take care of sourcing the devices for you.

### Deploy

Through our ServiceTrack portal, you get a real-time view of orders and delivery status.

### Manage

Automated enrolment of devices, deployment of content, and configuration of administrative privileges.

### Support

CDW provides extra layers of reassurance, ranging from adoption services to ongoing technical support packages.

### Refresh

Retain, augment, upgrade or return your Apple assets as you wish.

CDW understands the need for digitisation to support the evolving workplace and to increase efficiencies within regional government, we can help deliver end-user computing that boosts employee satisfaction and services to the public while reducing total costs of ownership.
