

Reed Talent Solutions

Reed Talent Solutions delivers bespoke, outsourced recruitment contracts to both local and national organisations across the UK. Working with a range of public and private sector clients, we provide temporary, contractor, fixed-term contract and permanent workers across every sector.

Our solutions include:

Managed service programmes

- Our managed services provide visibility and control of your contingent workforce.
- We manage sourcing, engagement, administration and pre-employment screening, across the entire supply chain, freeing up your time to focus on other business goals.
- Our agile approach and ability to scale means we can guarantee cost savings and access to quality contingent talent.

Workforce management & payroll solutions

- Our workforce management and payroll service provides control and assurance across your entire workforce.
- We manage compliance, onboarding and payroll to achieve an efficient, low risk and cost-effective workforce engagement solution.
- Our extended service option also provides the ability to source flexible workers via the supply chain, enabled by our market leading vendor management system.

Recruitment process outsourcing (RPO)

- We provide RPO solutions that support your talent strategy.
- Access the latest technology, unrivalled talent, and most efficient processes. We refine your recruitment journey, ensuring cost effectiveness and reduced time to hire.
- Our proven processes deliver high-quality talent and a positive candidate experience. We lighten your workload, allowing you to focus on other objectives. business goals.
- Our agile approach and ability to scale means we can guarantee cost savings and access to quality contingent talent.

Services procurement and statement of work

- We manage the strategic buying, contracting, delivery, reporting and payment of consultancy and professional services.
- Drawing on our dedicated programme management office and 'bespoke' technology packages, we offer you full control across all your project and consultancy spend. Our team of PRINCE2-qualified project managers will help keep projects on-time and on-budget.

Staff banks

- We help NHS Trusts and local authorities to put their workforce and patients first, by creating staff banks to ensure the right employees are in post at the right times, and that safe staffing levels are met.
- Along with putting patients first, benefits of using our staff banks include:
 - Reduced cost
 - Reduced time to hire
 - 100% compliance
 - Work with industry-leading recruiters
- Our staff bank solutions are flexible to meet the varying demands of the NHS and local authorities. Whether your focus is the fulfilment of shifts, agency reduction, talent attraction, or delivering the highest levels of patient care, Reed Talent Solutions have got you covered.
