

Chaplain Program

Firefighters For Christ Chaplains are a non-denominational group of volunteers, trained to assist those in need of emotional and spiritual guidance, encouragement and support.

Our role is one of presence and caring. Our faith in Jesus Christ shows us how to come alongside someone who is having difficulties navigating circumstances of life. We are motivated by the love Jesus Christ has for each one of us and we desire to extend His love and grace to all.

If you or someone you love is in need of such support contact FFC through the website or mobile app.

ENCOURAGING FIREFIGHTERS

TO LIVE THEIR LIVES FOR

JESUS CHRIST!

“Let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another — and all the more as you see the Day approaching.”

Hebrews 10:24-25

FFC Chapters

Local and virtual FFC Chapters are the heartbeat of Firefighters For Christ.

Our vision is for every Christ-following firefighter to be connected with other believers in their department or region who will encourage them to live their lives for Jesus Christ and reach firefighters with the Good News of the Gospel of Jesus Christ.

FFC chapters are connected internationally as a collective network for support, encouragement, prayer, mentoring, teaching, equipping, and providing opportunities for service.

Training Missions

FFC Training Missions involves a team of members traveling internationally to provide assistance to firefighters in communities that lack the equipment and training to safely perform certain operations.

FFC members provide training in the areas of wildland firefighting, swift-water rescue and auto extrication. All the equipment used for training remains with the local department. Many have come to Christ over the years through this outreach.

Emergency Relief Team

FFC maintains a roster of individuals willing to respond to disasters world-wide. FFC ERTs have responded to hurricanes, tornados, earthquakes, fires and more.

Recently, FFC ERT's have teamed up with Samaritan's Purse and Global Crisis International (CRI) to have effective mission assignment and logistical support during these responses.

Whatever the need FFC ERT teams hit the ground running, remain flexible and available to be used where needed most in these dynamic situations.
