

HFR  
SOLUTIONS  
CIC

Your **Trusted Partner** in  
Emergency Response &  
Workplace Safety  
Since 2012

## Providing **Life-Saving** Services

### Training

We deliver unrivalled workplace safety training and have a deep understanding in the area of Fire, Medical, Height and Space.

### Rescue Teams

We will provide emergency and medical intervention during high risk activities as well as rescue provision.

### Consultancy

We can provide Rescue Plans, Method Statements, Medical Needs Assessments, Equipment, Risk Assessments & more.

### Community Return

As a Community Interest Company, we can support your corporate social responsibility by investing in community projects and initiatives.

## Who are HFR Solutions?

We collaborate closely with organisations, businesses, and communities to help plan, prepare, and respond in the event of an emergency, whilst complying with all legislation. The Solutions team comprises individuals from backgrounds including **Fire Service**, **Police**, and **Ambulance**.

A permanent presence is maintained at **Saltend Chemicals Park**, **British Steel**, and **Humberside Airport**, staffed with Emergency Responders and Fire Officers. We are equipped to travel nationwide to provide our expertise and support wherever it is needed.

Let's work together to make the **Humber region** a safer place to live and work.
