SMS-330 – Professional labelling wherever and whenever you want!

The SMS-330 is the portable label printer for professionals who want flexible, reliable and fast labelling - in the office, workshop, warehouse or on the move.

With a print width of up to 81mm and support for various industrial label materials, you can effortlessly print everything from inspection stickers and wire-wraps to type plates and GHS labels. Thanks to intuitive control via Bluetooth (tablet or smartphone) or USB-C (Windows) designing and printing labels is easier than ever.

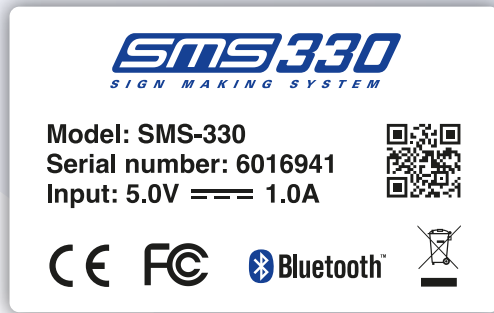

The SMS-330 makes it easy to create all the labels below!
