*Trusted expertise to find the product you need, fast.*

**WMLLabels**

All our labels are printed by WM Labels Ltd.

## Colour Coded Syringe Labels

Our Latex free syringe labels follow the guidelines of the Association of Anaesthetists.

By adopting a nationally and internationally recognised colour coding system, use of our syringe labels can help to reduce drug administration errors in critical care areas.

**PLEASE VISIT OUR WEBSITE**

For a full list of our Syringe Labels and to download our Sterile Label Strip enquiry form

**ALSO AVAILABLE**

Wall mounted and free standing clear Perspex label containers

**500 LABELS PER BOX**

**Over 500 syringe label titles stocked**

## Sterile Label Strips

To complement our range of colour coded syringe labels, and for specific use within a sterile environment, we offer an entirely bespoke sterile label service.

- Select up to 18 syringe labels from our range and/or add new drug title(s) to suit your exact requirements
- Syringe labels available with Tallman lettering
- Supplied in boxes of 250 strips
- Quantity discounts available
- Waterproof label option
- Latex free
- Stocking service available on request
