

The Clinisafe Cardboard Carton Range

A comprehensive cost effective solution for the disposal of clinical waste.

Clinisafe Cardboard Clinical Waste Container Range

The Clinisafe range of Cardboard Clinical Waste Containers is constructed from recycled cardboard and contains an integral polyethylene liner with ties for closure.

The environmentally friendly, lightweight design allows the Clinisafe Cardboard Clinical Waste Container range to be delivered folded flat prior to use reducing transport costs and minimising on storage space.

The range is approved to UN3291 and NFX 30-507.

The Clinisafe cardboard containers are available in: **12L, 25L & 50L**

Benefits & Features

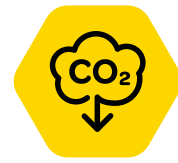

74% Recycled Cardboard

12L is 65% recycled
25L is 70% recycled
50L is 74% recycled

Ultra Lightweight

Lighter than traditional plastic containers, lowering transport costs

Emissions are minimised

Transport costs reduced

Stacking

Stackable when full to convenient storage

FSC approved materials

From sustainable sources
Indicating the product has been manufactured using board from sustainable forestry sources

Bar Coding

Unique barcode for traceability
All products also contain a unique identifier bar code which can allow single unit traceability

Accessories

25L Plinth 44100004
for use with all 25L cardboard containers

50L Short Plinth 44100001
for use with all 50L short cardboard containers

50L Tall Plinth 44100005
for use with 50L yellow cardboard container

Storage

Cardboard cartons are available as pallets of 400 (25L & 50L); pallets of 800 (12L); or as banded 10's.

Flat-pack solution to save on crucial stock and transport space.

Products in banded 10's are easily stored and intended for use in areas of low usage.

Stacking

Cartons of the same size can be efficiently stacked, minimising pre-disposal storage space.

Product Codes

A range of cardboard clinical waste containers which provide a cost effective solution for the disposal of solid and soft clinical waste. Products are available in pallet quantities or banded 10's. Please refer to the table below.

		PALLETS		BANDED 10'S	
CONTAINER TYPES	ORDER CODE	QUANTITY	NHS SC CODE	QUANTITY	NHS SC CODE
 INFECTIOUS WASTE REQUIRING INCINERATION					
12L	20501001	800	n/a	10	FSL2145
25L	21001001	800	n/a	10	FSL1272
50L (Tall)	22001001	400	n/a	10	FSL2128
 SOLID PHARMACEUTICAL WASTE FOR INCINERATION
