

ScanSnap **ix1500** Intuitive scanning at your fingertips

- Touch screen, one-button instant operation
- Personalised multi-user experience
- Smart tech automates and adapts to the way you work
- ScanSnap mixed batches in one go
- Powerful preview, manage, tag & search functions
- Fast 30ppm scanning with WiFi

ScanSnap **ix100** Battery powered to scan on the move

- Portable, rechargeable and Wi-Fi, ideal for scanning on the move
- High quality document scanner
- A4 straight to your favourite software
- Award winning design
- One button operation, scan straight to applications

ScanSnap **S1300i** Compact versatile ScanSnap

- Speedy duplex scanner, 12 ppm / 24 ipm
- 10 sheet ADF, scan from A8 to A4
- Can be optionally powered via USB
- Scan to editable Word, Excel and PowerPoint

ScanSnap **S1100i** Scan on the move

- Scan at 7.5 seconds per A4 colour page
- Seamlessly link to iOS and Android devices
- Scan documents to your cloud accounts
- Flexible paper paths, scan 2 small documents simultaneously
- Efficiently scan and organise business card data
- ScanSnap Receipt - efficient tax and expense filing

ScanSnap **SV600** Unique contactless scanner

- Premium contactless scanner rapidly scans documents, books, magazines and reports directly to your PC or Mac.
- Award winning design

ScanSnap Cloud

scansnapcloud.com/emea

Takes paper directly to your cloud.

SP-Series - Single purpose scanning for professional use

emea.fujitsu.com/scanners

SP-1120 / SP-1125 / SP-1130 / SP-1425

Simple operation and reliable performance

SP-1425

- Scan from 20 to 30 ppm
- Compact size
- Ultrasonic double-feed detection ensures reliable scanning
- True 600 dpi resolution
- Bundled with PaperStream IP

Operating in Europe, the Middle East, and Africa, PFU (EMEA) Limited is responsible for marketing and sales of Fujitsu document scanners. The European company was established in the United Kingdom in 1981 and has offices in Germany, Italy and Spain and Knowledge Suites in the UK, Italy, France and Russia.

PFU offers the most comprehensive range of document scanners available on the market today. Manufactured to the highest quality standards, Fujitsu scanners have an excellent reputation for reliability. Whether your application involves document management, archiving, workflow or forms processing, PFU most likely has the optimum scanner for the capture of your documents and data.

Workgroup and Departmental

fi-7300NX

Gateway to flexible, centralised capture

- Scan direct from the scanner with touch screen operation
- Various authentication methods for improved efficiency and security
- Scan from your smart device to any business platform
- PaperStream NX Manager and Scanner Central Admin for centralised management
- Manual Feed Mode for scanning folded or bound documents

fi-7030

The starting point for document capture

- PaperStream Capture V 1.5 batch scanning efficiency
- Compact design: footprint smaller than A4 paper
- Instant processing performance at 27 ppm / 54 ipm (A4, portrait, colour, 200 / 300 dpi)
- Mixed batch scanning from 40-207 g/m²
- 50 sheet adjustable and refillable document feeder

fi-7140

Professional capture at the desktop

- 40 ppm / 80 ipm at 300 dpi in colour and B&W
- Skew reducer aided by independent pick rollers
- Manage from one location with Scanner Central Admin

fi-7240

Supports multiple scan requirements

- 40 ppm / 80 ipm at 300 dpi in colour and B&W
- Skew reducer aided by independent pick rollers
- Manage from one location with Scanner Central Admin
- Flatbed for scanning bound or stapled documents

fi-7160 / fi-7180 A milestone in document scanning

- 60 ppm / 120 ipm (fi-7160) and 80 ppm / 160 ipm (fi-7180) at 300 dpi in colour and B&W
- iSOP (Intelligent Sonic Paper Protection)
- Skew reducer aided by independent pick rollers
- Integrated LCD and Central Admin tools

fi-7260 / fi-7280 High performance desktop scanning

- 60 ppm / 120 ipm (fi-7260) and 80 ppm / 160 ipm (fi-7280) at 300 dpi in colour and B&W
- iSOP (Intelligent Sonic Paper Protection)
- Skew reducer aided by independent pick rollers
- Integrated LCD and Central Admin tools
- Flatbed for scanning bound or stapled documents

fi-7460 / fi-7480 Superior distributed scanning technology

- 60 ppm / 120 ipm (fi-7460) and 80 ppm / 160 ipm (fi-7480) at 300 dpi in colour and B&W
- Ultra compact design (W: 380 x D: 209 x H: 168 mm)
- A8 – A3 and folded scanning up to A1
- iSOP (Intelligent Sonic Paper Protection)
- Skew reducer aided by independent pick rollers
- Integrated backlight enhanced LCD and Central Admin tools

Workgroup and Departmental

fi-800R

Versatile scanning for a seamless customer experience

- 40 ppm / 80 ipm at 300 dpi in colour and B&W (A4 portrait)
- Space-saving design made for the front desk
- Process passports, ID and documents on the same machine with dual path scanning
- Extract data to your workflows for enriched customer profiles
- Eliminate errors and rescans with reliable, no-fuss feeding

Production

fi-7800 / fi-7900

Real-life productivity for volume scanning

- 110 ppm / 220 ipm (fi-7800) , 140 ppm / 280 ipm (fi-7900) at 300 dpi in colour and B&W (A4 landscape)
- 500 sheet hopper, A8 to A3 scanning
- Market leading technology and automated routines
- Added features for even better automation powering efficiency

fi-7600 / fi-7700/S High performance document capture

- Instant processing performance at 75 ppm (fi-7700S), 100 ppm / 200 ipm (fi-7600 / fi-7700) (A4, landscape, colour, 200 / 300 dpi)
- Mixed batch scanning – A8 to A3 from 20-413 g/m²
- Folded documents up to A1 and longer
- 300 sheet ADF, rotatable ADF and flatbed (fi-7700/S)

fi-5950

Built for volume scanning

- 135 ppm / 270 ipm at 300 dpi in colour and B&W (A4 landscape)
- A8 to A3 scanning / 500 sheet hopper
- 3 ultrasonic sensors capable of zoning
- 600 dpi optical resolution

Network Scanner

N7100

Processing with one touch scanning and transmission

- Touchscreen with feeding speeds of 25 ppm / 50 ipm
- Instant processing and hardware image enhancement
- Active paper feeding mechanism handles broadest range of mixed documents and plastic cards
- USB ports for keyboard or IC reader connectivity
- Monitor and manage centrally through Scanner Central Admin tools

Speciality Scanners

fi-65F

High speed A6 format scanner

- Quick and easy scanning of documents to A6 size
- 1 second per A6 scan (B+W), 1.7 seconds (colour)
- Ultra compact design, 145 x 234 mm footprint
- Auto cropping and auto deskew
- Can be optionally USB powered
