

TRAINING SOLVED

Training is more than ticking a box.
It's about **courses that engage** you
so you remember what you've
learned.

It means staying up to date with the
training through **continued access**
to the videos and **weekly refreshers**
by email.

No more old-fashioned, cut-rate
PowerPoint training —
**your training is too important to
cut corners!**

**Learn
whenever it's
convenient,
from any
location and
any device!**

Frequently Asked Questions

What type of courses do you offer?

We offer 5 different types of training to eliminate scheduling headaches, including:

- High Quality Video E-Learning
- Virtual Training
- Hybrid Training
- Nationwide Classroom Training
- Blended Training

What is CPD and why is having Certified CPD important?

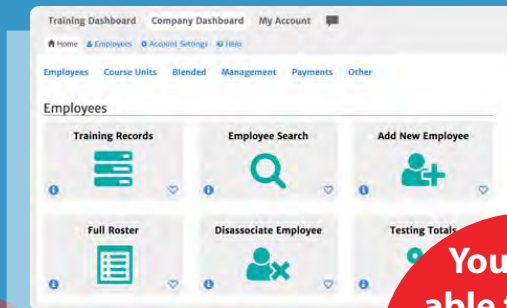

CPD stands for Continuous Professional Development and is required in many business sectors. Even if you do not require a set CPD credit level, having Certified CPD ensures the quality of training. ProTrainings are the highest gold standard of CPD ensuring that all courses are externally verified and mapped to the highest levels.
