THE HEALTH & SAFETY EVENT

The **Health & Safety Event** is the UK's leading exhibition dedicated to improving workplace safety standards. Featuring a large-scale expo and dedicated features of practical workshops, seminars and zones; it is THE place to conduct business with key decision makers from across a diverse range of industries. Underscored by its consistent growth of exhibitors and visitors, the event is committed to bringing the health and safety community together to meet, network and source the latest products and solutions to improve workplace standards.

increase in the number of exhibitors from 2019

WHO EXHIBITS?

48% increase of sqm from 2019 vs 2021

KEY REASONS TO EXHIBIT:

Generate quality leads all year round

Re-connect with existing clients and build new relationships

Network with key UK buyers and secure business

Launch and demonstrate new products to a focused target audience

Enter new markets through 4 co-located key industry events

WHAT'S ON FOR 2022

DRIVER SAFETY ZONE

IN PARTNERSHIP WITH

This dedicated zone will provide CPD accredited content and specialist suppliers who helps manage work-related road risks.

In partnership with British Safety Industry Federation (BSiF) and its Registered Safety Supplier Scheme, this unique trail will showcase suppliers who meets the appropriate standards, fully complies with the PPE regulations and is appropriately CE marked.

PRODUCT INNOVATION TRAIL

One of the top reasons why visitors come to the show is to see what's new on the market. Highlighting the newest and latest products, technologies and services, drive footfall and interest to your stand by being part of this trail.

4 CPD CERTIFIED EDUCATIONAL THEATRES:

Marketing toolkit

Let your customers know you are exhibiting at the show with customisable banners, invitations and promotional assets.

Show Guide Listing

The Show Guide is available to all visitors to help navigate their way through the halls at the show and both are used well after as an indispensable reference.

Lead Scanner

Capture all the leads from the show and measure the real ROI. Organise all your prospective customers and have their data captured in one central place for you to follow up when you are onsite as well as after the show.

Online Exhibitor listing

Our exhibitor list is one of the most visited pages on the website and where visitors go to plan their visit.

This includes:

- Company profile - 50 words, website, telephone, email
- Company logo
- Stand number
- Product/services category listing
- Unlimited product uploads
- Unlimited press release uploads
- Unlimited video uploads

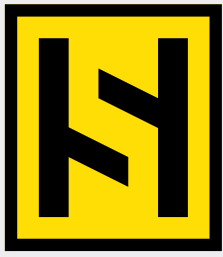

As a representative of a new manufacturer to the UK market, we value the opportunity to showcase our products and to introduce another global presence to add variation to the competition. This will hopefully not only add competition between suppliers but to introduce new products and technology to the Industry market."

Chris Dixon, Ceasefire
