Mask Glasses

- ▶ Fits perfectly with all types of face masks
- ▶ Sealing lip for extra protection
- ▶ No more fogged glasses

Perfect with masks
Special Mask Glasses design creates space for glasses and mask.

Better protected
Sealing lip and close-fitting lens with UV filter¹ for maximum protection.

High-tech lens
Highest level of optical clarity, wide field of vision, state-of-the-art anti-fog² and anti-scratch coatings.

High wearing comfort
Snug, flexible sealing lip replaces classic nose pads.
