## ABOUT GARDAWORLD

GardaWorld is the world's largest privately owned security services company, offering cash services, physical and specialized security solutions and, with the Crisis24 portal, the dissemination of vetted information related to international security.

## BACK

We work in a variety of sectors, such as financial services, infrastructure, natural resources and retail. We are a partner of choice for private companies, governments, humanitarian organizations, and multinationals with personnel all over the world. By mitigating the risks and allowing our clients to conduct business in complete security, we are strengthening the trust they place in us to protect their staff, their assets, and their operations.
