

Novus Guard is crowned as a global winner of e-Biz Challenge 2021

Published on: JUNE 28, 2021

Novus Guard secured 1st place at the e-Biz Challenge 2021 in South East Asia. The event was organized to help entrepreneurs, business owners, and SMEs from all fields to engage, connect and grow. A total of 55 startups out of 300 from different countries including Pakistan, India, China, Malaysia, Dubai, and Bangladesh qualified for the semi-finals and ten startups were selected for the final round.

As the global winner of the challenge, Novus Guard gets access to the Malaysian Startup Accelerator program, free PR and marketing services, and membership with e-3 Hub's group to explore the business market through the network with other start-ups and industry experts.
