THE cyber security event

Held at Olympia London on the 27th - 28th September 2022, International Cyber Expo is the perfect meeting place for CISOs, CTOs, Managing Directors, business owners, cyber security specialists, government officials and end-users to connect and source products from the thriving cyber security market.

It will deliver best-in-class education around cyber security risks & threats, detection & response, and the very latest technology and services that protect the digital and physical future of businesses.

Reasons to attend:

▶▶ Backed by an Advisory Council of esteemed professionals chaired by Professor Ciaran Martin CB, former CEO, NCSC.

▶▶ 100+ international companies showcasing the latest cyber products and solutions

▶▶ High-level CPD-certified education programme

▶▶ Live immersive demonstrations and practical interactive exercises that put the latest cyber solutions to the test

▶▶ Unrivalled networking opportunities including The Cyber House Party - A FREE networking drinks reception at the end of day one

▶▶ Free to attend when registering in advance (£99 +VAT on the door)

Co-located with International Security Expo, the world's premier Government and end-user security event.

INTERNATIONAL SECURITY EXPO

What's waiting for you
at this year's event?

International Cyber Expo is packed full of educational content and interactive features that will educate and inspire.

GLOBAL CYBER SUMMIT

The Global Cyber Summit will feature panel discussions, fireside chats, and presentations looking at the real cyber issues impacting us today. This is your opportunity to see the latest product launches with companies on hand to talk about real life applications and case studies – don't miss out on these game changing solutions from the NCSC, police and the intelligence professionals charged with understanding the real threats.

This Summit will give insights into the key areas needed to protect government, research, enterprise, SMEs, public sector and Government.

Sponsored by

snyk

IASME PAVILION

IASME Consortium Certification Bodies from across the UK and Crown Dependencies will be available to discuss how they can help certify organisations of all sizes in both cyber security and counter fraud.

GOVERNMENT ZONE

International Cyber Expo is proud of its Government support, spanning National Cyber Resilience Centre Group, DCMS, Government Security Group (GSG), UKDSE, National Cyber Security Council, Greater Manchester Cyber Advisory Council and more. The central Government Zone will provide you with a platform to network and discover the latest projects and plans, some departments and agencies participating include:

CISO ROUNDTABLES

Dedicated closed-door roundtable discussions hosted by industry experts covering a range of the most topical subjects. By Invitation Only.

Sponsored by

INTERNATIONAL PAVILIONS

Explore a range of International Pavilions to expand the market opportunity and international nature of this high-level cyber security event.

VIP PROGRAMME

Senior UK and International buyers in the cyber security sector will be invited to join our meeting service - Connect+ LIVE where they will be put in contact with solution providers who can meet their needs. Want to get involved? Contact us to find out more. *info@internationalcyberexpo.com*

Sponsored by

LIVE DEMONSTRATIONS

These demonstrations present how experts prepare for and face cyber security threats in real-life situations.

IMMERSIVE DEMONSTRATOR

The live Immersive Cyber Demonstrator won 'Best Feature Area' at the recent Exhibition News Awards 2022, as it provides visitors with a better understanding of the current threats, how to prepare and source products and services to increase cyber resilience.

Sponsored by

In association with:

DECISIONS & DISRUPTION EXERCISES

The Cyber Griffin Team from City of London Police deliver award-winning exercises designed to explore the decisions that people make in real-life scenarios in order to protect their businesses from modern day threats.
