

TECHUK PAVILION

Join the techUK Pavilion at National Cyber Security Show

National Cyber Security Show are delighted to partner with techUK to host a dedicated pavilion for its partners. techUK Association members are invited to book an exhibition pod within the techUK Pavilion, including an exclusive enhanced marketing package, to promote their business and connect with delegates from across the UK cyber security buying chain.

techUK
FOR WHAT COMES NEXT

ABOUT TECHUK

techUK is the trade association which brings together people, companies and organisations to realise the positive outcomes of what digital technology can achieve. techUK creates a network for innovation and collaboration across business, government and stakeholders to provide a better future for people, society, the economy and the planet.
