Pro-Clean® Non-Reflective Matt Ultra Flat Paint for Ceilings & Uneven Plaster

Fleetwood Pro-Clean® Non-Reflective Matt offers an extremely low reflective matt finish which alleviates visual imperfections and eliminates flashing.

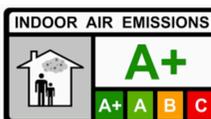

A dead flat matt emulsion, it has been formulated to be anti-flashing and to provide a non-reflective finish at all angles, perfect for ceilings with critical lighting.

Excellent touching-up properties, providing near invisible touch-up for areas in critical lighting. Its water permeable properties make it ideal for period buildings.
