

The logo for Renuwell is contained within a white oval that is split vertically by an orange line. The word "Renuwell" is written in a bold, black, sans-serif font on the white background, with a registered trademark symbol (®) to its upper right. Below the brand name, the year "1965" is printed in a smaller, black, sans-serif font. The orange background of the oval is a solid, vibrant shade of orange.

TRUE PASSION FOR WOOD SINCE 1965

Since Heinz Ruchti developed the REGENERATOR FOR FURNITURE® in 1965, Renuwell has stood for high-quality, effective, and sustainable wood care. The products are made from premium raw materials, free from silicone oils, and are valued by professionals for their ease of use and excellent performance.

Today, Renuwell is part of the Martec family and offers a comprehensive range of products to preserve and enhance the value of furniture and wood surfaces. Whether for household or commercial use, Renuwell products are the trusted choice for those who want to maintain the beauty and durability of their wooden furniture.

With our sustainable care and cleaning products, we contribute to conserving resources and reducing waste.

Our Commitment to Sustainability

Our PET packaging is partially made from recycled plastic, helping to reduce plastic waste and conserve raw materials without compromising product quality. Through our partnership with One Tree Planted, we support global reforestation, ecosystem restoration, and climate protection.

Swiss Quality and Tradition

Renuwell has stood for Swiss quality and tradition since 1965. Our products are developed and manufactured in Switzerland, reflecting the highest standards of craftsmanship and sustainability.

WOOD-BUTTER®

The food-safe care product – also perfect for chopping boards and children's toys! Nourishes your wood and blends with its natural colour.

WOOD-BUTTER® protects and cares for wood sustainably with natural beeswax and carnauba wax. Ideal for kitchen utensils and wooden toys thanks to 100% natural ingredients – free from fragrance, preservatives, colourants, solvents, paraffins, and petroleum products.

Handmade and packaged by the Brühlgut Foundation, a Swiss non-profit that supports people with disabilities through housing, work and training. This collaboration allows Renuwell to promote Swiss craftsmanship while fostering inclusion.
