

"why join the uk's premier trade body for the painting & decorating industry?"

Just ask a member...

"Brilliant set of resources, free downloads, association benefits, legal advice and general advice, marketing, etc. The directory is excellent at helping publicise our business too - we get our own page and can add photos etc, it links back to our website too. Really cannot fault it and I don't know why we didn't join sooner - thank you for all the help and support so far!"

Mark Ellery, Upcycle Interiors Ltd
