## OUR AWARDS

# PROVIDING CRITICAL POWER SERVICES FOR MORE THAN 35 YEARS

**WB Power Services (WBPS)** was first established in 1983 and since then we have grown significantly in size and service capability. Today, we provide critical power services to some of the UK's most important businesses and organisations, ensuring essential services are protected across data centres, hospitals, schools,

government sites and other commercial operations. As a family-founded, owned and run business, we are proud to retain our family values on a national scale as we strive to be the biggest and the best power generation company in the UK.

### DELIVERED BY SPECIALISTS

Our team of engineers, project managers, consultants and logistics coordinators are all directly employed by us. It means there are no sub-contractors or middlemen. Just specialists with a wealth of knowledge and expertise offering solutions that are as bespoke as your needs.

### PARTNERS IN POWER

For more than three decades our company ethos has been to build up long-standing customer relationships as not only a service provider, but as an extension of your own team. Our wide portfolio of relationships lasting decades is a great testament to this. As is our ability to provide an industry-leading 24/7 365-day service that's rapid, reliable and cost-effective. It's why, unlike some other suppliers, we manage all our equipment, transport and logistics ourselves. So we can always deliver exceptional service standards no matter what you need or where you are.

### WIDE CHOICE OF QUALITY EQUIPMENT

We can help with all your power infrastructure needs. Whether you want to replace an old generator, require back-up power or replacement parts, we will be able to supply you with what you are looking for. Maybe you have added new machinery that your incumbent generator cannot handle? Or you are expanding the size of your site? We are well placed to supply products for **projects large and small**.

# WHY CHOOSE US?

**As a leading family-owned operator of critical power infrastructure, we can provide you with comprehensive support for every aspect of your critical power needs.**

### The UK's largest Kohler-SDMO distributor

We're the largest approved Kohler-SDMO dealer in the UK. So, whether you need a state-of-the-art Kohler generator or replacement parts, we can help.

### Reliability and availability
