NETWORKING OPPORTUNITIES

CONNECT+LIVE

HOSTED MEETINGS PROGRAMME

Returning for 2023, make the most of your time out of your working hours through the CONNECT+ Live hosted meetings programme. Matching your buying requirements and needs with a carefully-curated sample of exhibitors, the CONNECT+ Live team of matchmaking experts will fast-track your access to key suppliers and integrators.

THE SECURITY
INSTITUTE

NETWORKING LOUNGE

We have partnered with The Security Institute to bring you the perfect environment to meet with other members and guests to share your experiences, grow your network and keep your knowledge current.

Speak to their team to find out more about how you can be part of the community.

MEMBER LOUNGE & WORKSHOP

ASIS is a global network of 34,000 passionate members who together are driving industry standards and guidelines, specialised training, and certifications to advance security worldwide. Connect in meaningful ways, build a powerful network of support, and enjoy education content through ASIS workshop sessions.

NETWORKING DRINKS

Back by popular demand, join us at the end of each day of the show for our hugely popular reception drinks. Meet with your peers, colleagues and friends in an informal setting and enjoy a glass or two of wine, beer or juice – it's on us!

Day 1 & Day 3
Sponsored By

Day 2
Sponsored By

PHYSICAL SECURITY ZONE

This dedicated zone will showcase the latest products and solutions in physical security. Speak to the experts who can help maximise your safeguarding efforts, ensuring the highest level of protection and integrated security solutions. Access the support and learnings to keep you compliant with regulatory requirements.

DESIGNING OUT CRIME ZONE

In association with

This exciting feature will showcase the latest police techniques to reduce crime and keep local communities safe, providing a unique opportunity to discover best practice and learn about this important national police crime prevention initiative. Join the Designing Out Crime Theatre to hear from leading experts offering a deep dive into the techniques and ideas behind this initiative.

LIVE SECURITY TESTING

In association with

Supported by

This uniquely engaging live demonstration of physical security products showcases the practical reality of new and existing regulatory requirements. Taking place in the Physical Security Zone at 11am and 2pm on each day of The Security Event, come by for a truly spectacular display of vital physical security solutions.

The Security Event is delighted to partner with Skills for Security to bring a fully immersive and interactive zone dedicated to the security engineers of tomorrow. Hosting a series of breakfast clubs, high level training courses and live competitions onsite, this exciting hub of activities will raise the standard for apprentices to excel in their career.

High-quality apprenticeships are an essential component of economic success so let's champion and build the future for security.

EDUCATION PROGRAMME

SECURITY IN PRACTICE CONFERENCE

In association with

MOTOROLA SOLUTIONS

At the Security in Practice Conference, sponsored by Motorola Solutions, leading expert speakers will uncover the emerging technologies, latest trends and best practice case studies for security professionals. With a specially curated agenda, attendees will come away with plenty of inspiring ideas and actionable strategies that can be applied to their respective business and profession.
