

TRUEN lists in the KOSDAQ stock exchange market

We are very excited to announce that we were listed in the [KOSDAQ](#) stock exchange market on [May 17th 2023!](#)

Since the foundation of the company in 2005, after growing non-stop and achieving our short-term goals, **TRUEN** decided that it was time to expand our business and take a further step onwards.

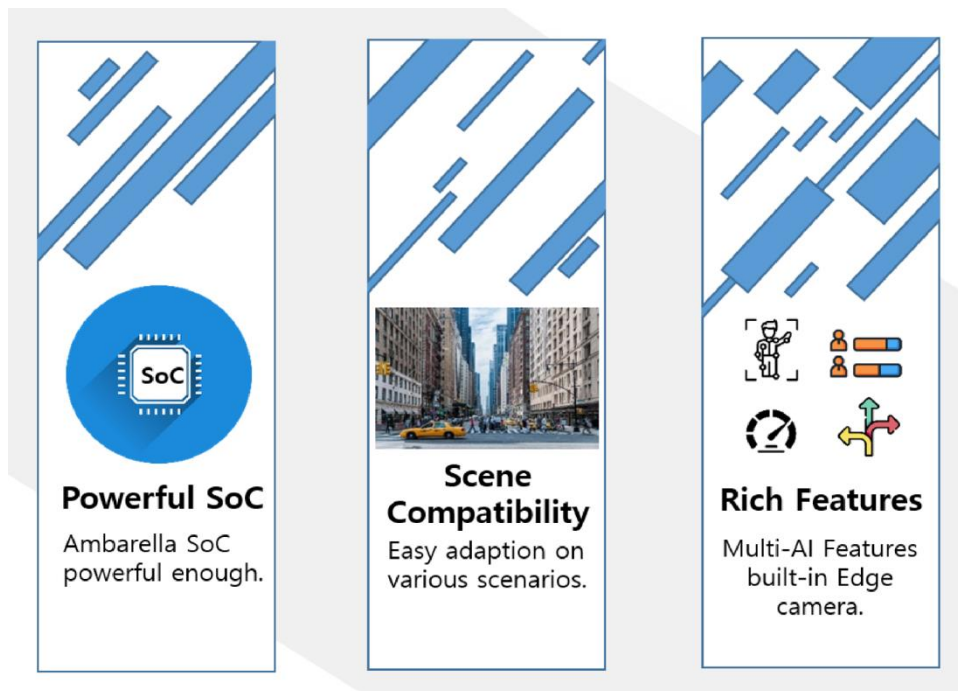

To ensure the best quality assured products, we are always thinking ahead of the customer's needs.

[TX-Series Line Up](#)

Review our products with the powerful [Ambarella SoC](#). Various products for your best needs ranging from [2MP](#) to [4K](#) products.

All products are [NDAA compliant](#) and we assure you will get our [fullest technical or customer support](#).

Invest More on AI Technology

Even before we were listed on the [KOSDAQ](#) stock exchange market, we were already investing on our [AI technology](#). However, with this opportunity, we aim to achieve the impossible. We will target to have the majority of the investments straight to our [AI Quality and Technology](#) to enhance and strengthen our core value "[Full Edge AI Technology](#)".

TRUEN & HAILO Collaboration

TRUEN and **HAILO** are cooperating together to enhance and introduce to the market a more powerful [AI SoC](#) that will [revolutionize](#) the Surveillance Industry. Already in process, we expect to implement the [NEW SoC](#) to all of our **TRUEN** product line up.
