OUR BIGGEST SHOW YET

“ As the dust settles after InstallerSHOW 2026, I would like to thank everyone who came along to the biggest and busiest InstallerSHOW we have ever delivered.

With record visitor numbers and more exhibitors than ever before, we were thrilled to bring so many members of the InstallerSHOW community together. We were also delighted to co-locate with the Painting & Decorating Show, the Professional Woodworking Expo and the World Plumbing Conference.

With so much to see at the event, we have put together this event review to showcase just some of the highlights from the three days in June.

We cannot wait to break records again in 2027, and we are already fully focused on preparing for our best InstallerSHOW yet.

David Ventris Field
Event Director

”

“ WITH AROUND 40,000 PEOPLE PRE-REGISTERED, IT IS A HUGE OPPORTUNITY TO GET OUR BRAND IN FRONT OF THE RIGHT AUDIENCE. ”

installer SHOW

23-25 June 26
NEC
Birmingham

“InstallerSHOW generated an incredible buzz this year, welcoming a record number of visitors through its doors to explore an unprecedented range of product launches from exhibitors.

Across three packed days, the event brought together the entire supply chain, from OEMs, manufacturers and distributors to specifiers and installers, to discover cutting-edge AI software, smart technologies and the latest innovations designed to improve efficiency, drive business growth and strengthen industry relationships.

Visitors also had the opportunity to hear from industry experts as they explored the latest developments and debates across the HVACR sector, covering heat pumps, retrofit, low-carbon systems, modern heating technologies, refrigerants and decarbonisation strategies.”

Olivia Abernethy
Business Development Manager

BRAND AMBASSADOR HUB

The Brand Ambassador Hub – a new feature for 2026, sponsored by ITS – brought together some of social media's best known tradespeople to talk tools, content creation and skills. It also hosted a live version of The Renewables Podcast.

OVERVIEW

installer PLAZA

Sponsored By  Vaillant  glow  worm

Wow what a week at the InstallerPLAZA! Brought to you in partnership with Vaillant and Glow-worm, it was a jam-packed schedule of celebrities, product launches, the hottest debates, Ministerial addresses, live music, freestyle footballers, even pub singers and more.

SKILLS FORUM

The Skills Forum training workshop at InstallerSHOW 2026 provided WorldSkills Plumbing and Heating Competitors and Experts -- representing 16 different countries -- with a taste of international skills competition conditions in their ongoing preparation for WorldSkills Shanghai 2026.

Being positioned as part of World Plumbing Conference 2026, the program also gave participants a unique opportunity to experience new plumbing products, educational innovations, and networking with other industry champions from around the world.

in partnership with

The NHIC Knowledge Hub brought together a hard-hitting line-up of experts discussing the regulatory, economic and technical factors shaping the UK home improvement sector.

Alongside the live sessions and drop-in clinics, the NHIC also worked with Members of the Warm Homes Plan Workforce Taskforce at InstallerSHOW to continue discussions on workforce resilience and the practical actions needed to support delivery of the Warm Homes Plan.

Co-chaired by Minister McCluskey and Assistant General Secretary of the TUC Kate Bell, the session brought together representatives from government, trade unions and industry, to explore how the sector can build a skilled, adaptable and resilient workforce capable of supporting the UK's home energy efficiency ambitions.

This was an excellent meeting focused on building a skilled, diverse workforce to deliver high-quality installations under our Warm Homes Plan. We will support up to 180,000 new jobs by 2030, ensuring they are well paid, high quality and provide long-term resilience for the sector."

Minister for Energy Consumers Martin McCluskey and Co-chair of the Warm Homes Plan Workforce Taskforce

InstallerFUTURES is a key part of InstallerSHOW, celebrating the next generation of tradespeople. Over 2,000 learners from 100+ colleges descended on the NEC to find out about the latest products, test out tools and learn about the initiatives designed to help them find a job in heating, plumbing and renewables.

TradesTalk was our content theatre for all tradespeople, with a mix of discussions and presentations on everything from the importance of branding to tackling tool theft. This busy area also hosted a live recording of The Talking Tradesman podcast, looking at the issue of mental health in the construction trades.

installer BUILD

“InstallerBUILD was the dedicated destination for everything building envelope at InstallerSHOW, bringing together the latest products, innovations and expert advice. Visitors explored the two-storey HAUS, which demonstrated how to build an energy-efficient home, watched the Super Trowel competition and live trade demonstrations, and visited the Trade Hub to meet industry influencers, network with fellow professionals and discover the latest trends shaping the construction industry.”

Chloe Burrows

Senior Business Development Executive

OVERVIEW

FITTER OF THE YEAR

The flooring industry's rising talent went head-to-head in the Fitter of the Year competition, putting their technical ability, attention to detail and workmanship to the test. From preparation through to the final finish, the competition showcased the skill and precision behind a professional flooring installation.

I CANNOT BELIEVE HOW BIG THE SHOW IS OR HOW MANY STANDS THERE ARE. THERE ARE SO MANY BRANDS HERE, AND I CANNOT WAIT TO GET AMONGST IT.”

**EMMA BOHAN, MANAGING DIRECTOR,
IMS HEAT PUMPS (SPEAKER)**

FITA FLOORING DEMO

Sponsored By

The FITA Flooring Demo brought flooring techniques to life throughout the show. Visitors watched every stage of the installation process up close, from preparation and fitting to finishing and best practice, with experts demonstrating the detail needed to achieve a high-quality result.

HERITAGE

Another first for 2026 was the heritage demo area, which was a fantastic hands-on feature allowing our audience to watch skilled tradespeople who work on traditional buildings and hear about why preserving these trades is so important. Visitors enjoyed getting involved and trying pargetting, plaster moulding, stone dressing, lime plastering and stone masonry.

SUPER TROWEL

The Midlands regional heat of Super Trowel took place on the first day of the show, with the cream of the area's bricklaying talent working hard to bag a place in the final later this summer. It was a high energy addition to the show and a real crowd pleaser!

“ THE ENERGY HERE IS COMPLETELY DIFFERENT FROM OTHER TRADE SHOWS I HAVE ATTENDED. THERE IS A REALLY POSITIVE ATMOSPHERE. ”

KATIE, MARKETPLACE TEAM, B&Q (EXHIBITOR)

BUILDING SAFETY FORUM

Sponsored By

KNAUF

Our third annual Building Safety Forum ran alongside InstallerSHOW, with speakers offering their expert insight on the latest changes to building safety legislation, including construction product reform.

THE
GREAT
BRITISH
**SLATE
OFF**

The three finalists for the Great British Slate Off – with the NFRC and SIG Roofing – battled it out live at the show, creating decorative slate roofing that was then opened up to the public vote.

“

**THE QUALITY
OF THE BRANDS
WE ARE SEEING
IS EXACTLY
WHY IT IS SO
IMPORTANT
FOR US TO
COME BACK.”**

KATIE, MARKETPLACE TEAM, B&Q (EXHIBITOR)

Panel discussion and Q&A

BUILD2PERFORM

Technical insight, from the experts. That's what the CIBSE Build2Perfrom theatre brought to InstallerSHOW 2026. Curated in partnership with CIBSE, specialists from across engineering and sustainability shared their knowledge, advice and best practice on range subjects including solar, PV and battery storage, heat pumps and refrigerants, policy, strategy and market opportunities, heat networks, BS 7671 and more.

HAUS

The Haus returned to InstallerSHOW with a retrofit, showcasing a mix of regenerative building materials by Natural Building Systems and modern methods of construction.

FOR ME, IT IS THE NETWORKING EVENT OF THE YEAR. PEOPLE FROM ACROSS THE UK COME HERE TO MEET, CATCH UP AND TALK BUSINESS WITH LIKE-MINDED INDIVIDUALS."

EMMA BOHAN, MANAGING DIRECTOR,
IMS HEAT PUMPS (SPEAKER)

installer ELECTRIC

“InstallerELECTRIC went big at InstallerSHOW 2026, bringing together a wider range of electrical manufacturers than ever before. We had loads of electricians, contractors and wholesalers that attended the show to see the latest electrical products and technologies on display, encompassing everything from connectors, switchgear and wiring accessories to EV charging battery storage and solar solutions.”

Laurence Kenney
Key Account Manager

OVERVIEW

THE EV Café THEATRE

The EV Café & Theatre brought together the products, people and conversations driving the rapidly growing electric vehicle market. Expert sessions explored charging infrastructure, installation, future transport and changing demand, helping visitors understand the opportunities electrification could bring to their businesses and future projects.

installer
ELECTRIC
THEATRE

Sponsored By

The InstallerELECTRIC Content Theatre hosted a packed programme of expert-led sessions covering electrical installation, regulation updates, renewables, EV charging, energy storage and smart technologies. The theatre provided visitors with practical insights and CPD opportunities, making it a key destination for electrical professionals throughout the show.

installer

K&B

The Kitchen & Bathroom Hall at InstallerSHOW 2026 was bigger, bolder, and busier than ever before. Hall 4 was alive with energy from the moment the doors opened, bringing together hundreds of manufacturers, wholesalers and brands with thousands of K&B installers, specifiers, retailers, builders, developers, contractors, merchants, distributors, and carpenters/joiners.

At the heart of Hall 4 sat the Wren-sponsored Bishop of Manchester pub—a fitting tribute to the late Andy Bishop, a much-loved and respected figure in the K&B industry.

The Kitchen & Bathroom Hall was buzzing from start to finish—and if 2026 raised the bar, just wait until you see what we have planned for 2027.

Amanda Kevan
New Business Specialist

OVERVIEW

KBB FUTURES ROUNDTABLE

With InstallerSHOW as the Associate Host, the discussion was chaired by Amanda Hughes and sponsored by Blanco and Trojan Baths. KBB Futures brought manufacturers, retailers, industry associations and other inspiring leaders together to address the skills gap, improve recruitment, strengthen retention and foster meaningful collaboration across a fragmented industry.

“The challenges around skills, retention, AI and housing growth are too significant for any one organisation to solve alone. KBB Futures has been created to bring the industry together, encouraging honest conversations and meaningful actions. The outcomes, from this second roundtable, show the appetite for collaboration across the sector.”

Simon Acres, Managing Director, Simon Acres Group

BATHROOM ASSOCIATION THEATRE

In Partnership with

Always the first stop at the SHOW for bathroom professionals, the BA Theatre was back and bigger than ever in 2026. Featuring networking events, technical sessions and speakers from across the globe, plus the Designer's Disco on Wednesday evening had everyone up and raving.

KITCHEN FITTER ARENA

Sponsored By

Visitors packed into the Kitchen Fitter Arena, expertly hosted by Amanda Hughes, while Howdens delivered its hugely popular daily “How to Build Your Business” sessions featuring Gavin Tutton, Jamie Radford and The Bald Builder, sharing practical advice to help tradespeople grow successful businesses.

BIFIS CONFERENCE

The BIFIS Conference brought together experts from across the fitted interiors sector for a packed programme of insight and discussion. Sessions explored kitchens, bedrooms and bathrooms, alongside installation standards, training and skills, giving attendees practical guidance on the issues shaping the industry.

NETWORKING & AWARDS

installer SOCIAL

Pointy's InstallerSOCIAL is THE evening event for InstallerSHOW, bringing together tradespeople from across the UK and beyond. The signature raffle is always a highlight, with installers winning £1000s of pounds of kit from sponsors and supporters. For the first time, live there was live music from Ri-Fi including their charity song Stand Together, which supports the Lost City project 7000. We also live streamed the England vs Ghana game which.... which we won't talk about much.

installer MERIT

2026 was the seventh edition of MERIT, which recognises outstanding achievement by people in our industry doing amazing things – often with little or no personal gain.

An inspirational evening event which took place as part of the World Plumbing Conference Gala dinner, three incredible initiatives were recognised for their awe-inspiring work.

- **Paul Dodds** - For exceptional services to plumbing and heating education
- **Leah Robson** - For supporting diversity and championing the green energy industry
- **Danny Smith and Kev Pearce** - Operation Roofing Man - For providing essential services for those in need

MYREWARDS PARTY

Wednesday evening means Party on the PLAZA. Kicked off by the Vaillant Hare and featuring live music, cocktails, mascots, refreshments and entertainment from the football freestyler. New for 2026 on the InstallerPLAZA was the interactive football game where throughout the three days, the lucky winners could win prizes including England vs Spain tickets courtesy of Vaillant, Glow-worm and myREWARDS.

BIFIS AWARDS

The British Institute of Fitted Interiors Specialists hosted its fifth annual BIFIS Awards at InstallerSHOW on 23 June, celebrating outstanding businesses and individuals from across the sector.

The awards received more than 200 entries across 18 categories, marking another year of growth for the programme. New for 2026, the Installer's Choice Awards gave installers the opportunity to vote for the products and retailers they rated most highly. The ceremony also saw Simon Acres of the Simon Acres Group receive the Special Recognition Award.

PLUMBER AWARDS

The Plumber Awards have launched to crown the best of the best in the plumbing industry. Bought to you by the team behind the Heating Installer Awards, the initiative aims to reward skilled plumbers who deliver high quality, outstanding work.

Live on the InstallerPLAZA, the first ever winner of the Plumber Awards was announced, as Louchavan Lemard, co-founder of PH247 Ltd, was named the inaugural winner of The Plumber Awards. Judges praised his technical expertise, commitment to customer service and ability to deliver practical solutions that make a meaningful difference to homeowners.

James Bell-Taylor, JBT Plumbing and Heating Ltd was named as the silver winner, while bronze went to Steve Gray of Steve Gray Gas Services Ltd.

HEATING INSTALLER AWARDS

With over a decade of celebrating excellence in the industry, the Heating Installer Awards announcement is one of the most popular attractions at InstallerSHOW.

Daniel Davies, of Daniel Davies Plumbing and Heating Engineers from Lampeter, secured the Heating Installer Awards national title after impressing judges with his work on a 200-year-old stone farmhouse that had stood abandoned for almost a century.

Adam Dare, Eco Renewables Ltd (Berkshire), was named as Highly Commended in the National Awards Category.

Daisy Turner of Toucan Heating and Plumbing Ltd, who was named Rising Star of the Year.

Best HVAC Installer went to James Lacey, JLN Plumbing and Heating (Coventry).

And George Tiefenthaler, POP Heating and Renewables (Northampton) scooped the coveted Best Renewables Installer title.

A Huge congrats to the winners, and the Regional Winners on their fantastic work.

JUDI AWARDS

The second annual Judi Awards were announced on the final day of the show, celebrating content creators within the trades.

Our mascot – Judi Wrench – presented the trophies to the talented winners.

NETWORKING & AWARDS

Supporting Women in
CONSTRUCTION

CELEBRATING WOMEN IN ENGINEERING

To mark Women in Engineering Day on Tuesday 23rd June, and celebrate the incredible contribution of women across the engineering and construction sector, Mitsubishi Electric hosted a Networking and Story Sharing Lunch.

The insightful panel discussion focused on the experiences, opportunities and challenges facing women in construction today. Bringing together inspiring professionals from across the industry, the conversation highlighted the importance of representation, mentorship and creating pathways for future generations entering the built environment sector.

For 90 years, Calor have been bringing energy to off-grid homes and businesses across the UK. In that time, they've built more than just a delivery network - they've created a grid of their own. A grid that connects customers to the UK's largest LPG supply. A grid that supports our installer community and leads the way in lowering carbon emissions. A grid that cares about the future and is helping to decarbonise rural Britain, starting with BioLPG - a renewable alternative to conventional LPG that produces fewer emissions than oil. With Calor, you're not off grid, you're on their grid.

InstallerSHOW

A British-based manufacturer of electric heating systems, trusted by installers and tradespeople across the UK since 1998. They design reliable, high-performance electric heating products that are easy to specify, quick to install and built to last, helping reduce issues on-site and callbacks. Supporting the trade with 24/7 UK-based support, helping installers deliver efficient, dependable heating with confidence. Known as the installer's brand of choice, ThermoSphere combines expertise with smart, practical technology. From electric underfloor heating to intelligent controls, their systems save time on site, with fast quote turnaround and next-day availability through local resellers — without selling direct.

THE WHOLE BUILT ENVIRONMENT. UNDER ONE ROOF.

For the first time, InstallerSHOW was co-located with the Painting & Decorating Show, Professional Woodworking Expo and World Plumbing Conference. Together, the four events created an even bigger destination for the built environment, bringing thousands of visitors, exhibitors, delegates and speakers together at the NEC Birmingham.

Professional Woodworking Expo

3,916
VISITORS

95+
EXHIBITORS

Professional Woodworking Expo brought woodworking and joinery to the heart of InstallerSHOW. Carpenters, joiners and manufacturers explored the latest machinery, tools, software and materials, while live demonstrations and expert-led sessions showcased the skills, technology and innovations shaping the future of the sector.

Painting & Decorating Show

4,596
VISITORS

85+
EXHIBITORS

The Painting & Decorating Show brought the trade together for three packed days of new products, practical demonstrations and expert advice. Painters and decorators met leading suppliers, tested the latest tools and materials, picked up new techniques and explored ideas to help them work smarter and achieve better results.

WPC WORLD PLUMBING CONFERENCE

350+
DELEGATES &
SPEAKERS

25+
COUNTRIES
REPRESENTED

The 14th World Plumbing Conference came to InstallerSHOW under the theme Worldwide Problems, Global Solutions. Global plumbing leaders, innovators and industry experts shared ideas and solutions across skills development, sustainability, water supply and conservation, technology and public safety, creating three days of international collaboration and knowledge sharing.

**WE ALL WORK TOGETHER AND WE ARE ALL PART OF THE SAME INDUSTRY,
SO IT MAKES SENSE TO BRING EVERYONE TOGETHER UNDER ONE ROOF**
