OUR BEST EVER RANGE

ISSUE 6 - Packed with new Products

TILE LIFTING SYSTEM

Expanding our best ever range

TILE VIBRATOR

Welcome to the latest issue of our Tiling Essentials Catalogue!

We have over 3000 product lines in stock and ready for next day delivery.

We're excited to introduce a range of new innovations in our latest issue, designed to make tiling even more efficient and seamless. Our latest update includes a brand-new selection of Lifting Products, carefully developed to improve handling and installation with ease.

We've also updated our packaging to make key product information simpler and easier to read, ensuring you can find the details you need at a glance. Plus, we've added QR codes that link directly to our website, giving you instant access to more in-depth product information.

With our commitment to outstanding customer service, we continue to offer FREE next working day delivery on all orders that meet our FREE carriage minimum.

Explore the latest solutions from Tileasy and take your tiling projects to the next level!

T: 02392 455 050 E: sales@tileasy.com

Exclusive to Tileasy is our range of tile cutting machines. Japanese made, under the trusted brand name of Ishii, they are designed especially to cut porcelain and other hard materials.

Our offer consists of 5 different sizes of tile cutter

- **Ishii 350 (350mm bed)**
- **Ishii 525 (525mm bed)**
- **Ishii 625 (625mm bed)**
- **Ishii 620 Professional (620mm bed)**
- **Ishii 1040 Premium (1040mm bed)**
- **Ishii 1240 Premium (1240mm bed)**

The Ishii IPC620 is ideal for popular-sized tiles such as 600x300mm and 600x600mm. The top section of the base is spring loaded to ensure quality and precision.

The Ishii IPC1040 and IPC1240 are premium products, with cutting beds of 1040mm and 1240mm long. The base is split into six individual spring loaded sections. The single bar provides exceptional precision. They also both come with a handy canvas carry case, for easy transportation.

Diamond Drill Bits

Diamond drill bits are available in a wide variety of sizes and offer an economical method of drilling a hole in the hardest of tiles. However, in order to produce a good result and ensure long life of the drill bit, it is important to observe the recommended drill speed and only use in conjunction with our relevant cooling system.

All our diamond drill bits have diamond rims and are electroplated. 4-12mm bits incorporate discharge holes, to enable easy removal of waste.

Water Cooling Drill Guide

Radically improve the process of drilling into hard tiles with our innovative Water Cooling Drill Guide.

Designed in-house, this clever product prevents the drill bit from overheating whilst allowing accurate drilling into floor and wall tiles of hard construction.

Ideal for both the DIY enthusiast and the professional. This system features a precise water cooling guide in four drill sizes with fixing pads and reservoir. The guide can be purchased individually with the choice of 6mm, 8mm, 10mm or 12mm drill sizes. The guide can also be purchased as a kit inclusive of all four drill bits.

This unique product ensures the water feed hole delivers the right flow and speed of water to keep the drill bit at a cool and safe temperature. The Drill Guide can also be purchased individually along with additional fixing pads.

Easyfix Mosaic Mesh

Struggling with your mosaic sheets?

The nature of mosaic sheets is that they are floppy and difficult to tile evenly. When applying our Easyfix mosaic mesh to the back of any mosaic sheet, it will instantly make your mosaics rigid and easy to handle, both saving time and resulting in an even finish.

Available in a single sheet or box quantity

PRODUCT CODE: MESH1 (1PC)	PK QTY: 1
Plastic Construction	✓
Makes Mosaic Sheets Rigid	✓
Packs Out Mosaic Sheet	✓
Strong Adhesive Backing	✓
Hexagonal Design	✓
Sheet Size	300 x 300mm
PRODUCT CODE: MESH50 (1BOX)	**PK QTY: 60**

How to use:

- Place mosaic sheet face down on a flat surface. Peel off backing paper from mosaic Easyfix.
- As mosaic sheets vary slightly in size, match the Easyfix mesh carefully to two sides of your mosaic sheet and press firmly into position, ensuring a perfect match.
- If necessary trim off any excess mesh on the remaining two sides using Tileasy utility knife (Code: UKN).

Tile Jack

Designed to support the first tiles at the required height and level, when wall tiling. They can be used as single supports or in conjunction with either a wooden batten or spirit level for longer runs.

Twister Levelling System

Twister installation

Introducing the Tileasy Twister Levelling System, a professional-grade solution designed to achieve perfectly level tiled floors with ease.

This innovative system consists of three key components: a Twister Levelling Cap, which provides a secure and effortless tightening mechanism; a Base Spacer, available in 1mm, 2mm, and 3mm sizes to suit different grout joint preferences; and a Scratch Protector, ensuring a damage-free finish on tile surfaces. By eliminating tile lippage and enhancing installation accuracy, the Twister Levelling System is an essential tool for both professional tilers and DIY enthusiasts, delivering flawless results every time.

Pedestal System

Pedestal installation

The Tileasy Pedestal System is a versatile and robust solution for elevating paving and decking areas with precision and stability.

Featuring a self-levelling unit, it effortlessly accommodates height adjustments from 55mm to 90mm, with the option to extend further using 30mm or 80mm extension pieces. Designed for ease of installation, the system ensures a secure and level surface, with a 3mm grout joint. Making it ideal for terraces, balconies, and rooftop spaces. To achieve a clean and professional finish, the top, base, and wall clips allow for seamless integration of fascias and skirts, neatly concealing exposed edges.

Built for durability and flexibility and with a max distributed weight of 1000kg, the Tileasy Pedestal System is the perfect choice for modern, raised flooring solutions.

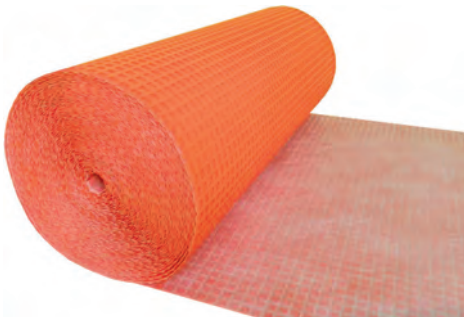
Uncoupling Membrane

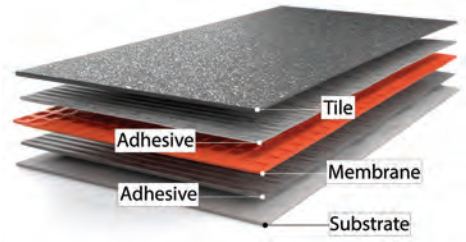
Uncoupling Membrane floor installation

PRODUCT CODE: UM/UM5	PK QTY: 1
Absorbs Movement	✓
Helps Prevent Cracking	✓
Waterproof	✓
For Floor Tile Installations	✓
Square Pocket Design	✓
Roll Width	1m
Roll Thickness	3.5mm
Roll Size	5/30m



Tileasy Membrane is a 2-part anti-fracture matting which is suitable for underlaying on floors prior to tiling porcelain, ceramic, and natural stone tiles, which can be used internally or externally.

Anti-fracture – Prevents transmission of minor cracks and stresses from the substrate to the tiled surface (not to be applied over structural cracking).
Waterproof – Protects substrate from water ingress, so ideal for bathrooms/wet-rooms in conjunction with sealing tapes & corner joints.



Installation Breakdown

5 & 30m2 Rolls

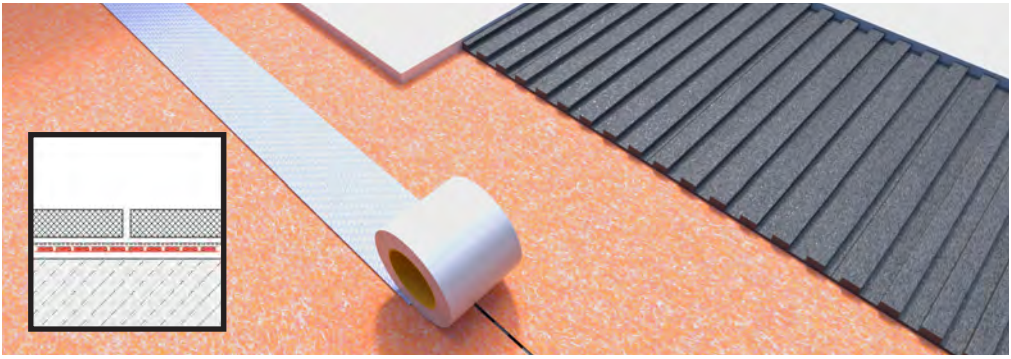
Waterproof Membrane



Waterproof Membrane floor installation

Tileasy waterproof membrane is an easy to install waterproofing and anti-fracture membrane, which is specifically designed to be used in wet and damp areas such as bathrooms and wet rooms.

The membranes non-woven characteristic allows for the required adhesive bond between substrate and membrane and then between membrane and tile covering, creating a thin flexible waterproof layer.

Contract Tile Trim

Contract tile trim is a round edging which has been designed to accommodate small variations in tile depth. This is achieved by allowing tiles to sit under the lip of the trim or depending on the tile thickness, to neatly abut the trim edge.

Premium gloss contract trim is a heavier duty profile, with a high gloss finish.

Tile To Vinyl Trim

Tile to vinyl trim offers a neat transition between a tiled wall and a vinyl floor covering, which has been returned up the wall to form a skirting. This is achieved by allowing tiles to sit on top of the trim and neatly abut the trim edge, allowing the vinyl to return under the trim.

Contract Metal Tile Trim

Contract metal tile trim is a round profile which has been designed to accommodate small variations in tile depth. This is achieved by allowing tiles to sit under the lip of the trim or depending on the tile thickness, to neatly abut the trim edge.

LED Box Tile Trim

Our box profile LED Tile Trims add stylish illumination to tiled edges. Available in 10mm and 12mm sizes with matt black or matt silver finishes, each 2.44m trim includes a light diffuser and end caps. Choose from warm white or cool white self-adhesive LED reels (2.5m), which stick inside the trim, with the diffuser clipping over the top for a sleek, professional look.

Modular Tool & Trim Merchandising System

We have created the perfect merchandising system to display all of our Tileasy products.

Seamlessly connect multiple stands to create the solution that best fits your showroom or trade area.

Simple To Install

- Easy and quick assembly
- Sturdy Construction
- Flat and space saving design

Flexible Merchandising

- One stand will incorporate all Products
- Utilises both hooks and shelving
- Designed to easily include POS

Unlimited Options

- Create your own bespoke modular system
- Flexible options for spatially limited stores
- Seamlessly blend with header and footer

Terms & Conditions

The Customer's attention is drawn in particular to the provisions of clause 14.

Tileasy shall sell and the Customer shall purchase the Goods in accordance with any quotation or offer of Tileasy which is accepted by the Customer, or any order of the Customer which is accepted by Tileasy.

These Terms and Conditions shall govern the Contract to the exclusion of any other terms and conditions subject to which any such quotation is accepted or purported to be accepted by Tileasy, or any such order is made or purported to be made, by the Customer.

Interpretation

In these Terms and Conditions, unless the context otherwise requires, the following expressions have the following meanings:

"Business Day"
means any day other than a Saturday, Sunday or bank holiday;

"Contract"
means the contract for the purchase and sale of the Goods under these Terms and Conditions;

"Contract Price"
means the price stated in the Contract payable for the Goods;

"Customer"
means the person who accepts a quotation or offer of Tileasy for the sale of the Goods or whose order for the Goods is accepted by Tileasy;

"Delivery Date"
means the date on which the Goods are to be delivered as stipulated in the Customer's order and accepted by Tileasy;

"Goods"
means the goods (including any instalment of the goods or any parts for them) which Tileasy is to supply in accordance with these Terms and Conditions;

"Month"
means a calendar month; and

"Tileasy"
means Tileasy Limited, a company registered in England with company number 3568302 whose registered office is at Wellesley House, 204 London Road, Waterlooville, Hampshire PO7 7AN.

Unless the context otherwise requires, each reference in these Terms and Conditions to:

"writing", and any cognate expression, includes a reference to any communication effected by electronic or facsimile transmission or similar means;

a statute or a provision of a statute is a reference to that statute or provision as amended or re-enacted at the relevant time;

"these Terms and Conditions" is a reference to these Terms and Conditions and any Schedules as amended or supplemented at the relevant time;

a Schedule is a schedule to these Terms and Conditions; and

a Clause or paragraph is a reference to a Clause of these Terms and Conditions (other than the Schedules) or a paragraph of the relevant Schedule.

a "Party" or the "Parties" refer to the parties to these Terms and Conditions.

The headings used in these Terms and Conditions are for convenience only and shall have no effect upon the interpretation of these Terms and Conditions.

Words imparting the singular number shall include the plural and vice versa.

References to any gender shall include the other gender.

Basis of Sale

Tileasy's employees or agents are not authorised to make any representations concerning the Goods unless confirmed by Tileasy in writing. In entering into the Contract the Customer acknowledges that it does not rely on, and waives any claim for breach of, any such representations which are not so confirmed.

No variation to these Terms and Conditions shall be binding unless agreed in writing between the authorised representatives of the Customer and Tileasy.

Sales literature, price lists and other documents issued by Tileasy in relation to the Goods are subject to alteration without notice and do not constitute offers to sell the Goods which are capable of acceptance. No contract for the sale of the Goods shall be binding on Tileasy unless Tileasy accepted an order placed by the Customer by whichever is the earlier of:

Tileasy's written acceptance;

delivery of the Goods; or

Tileasy's invoice.

The Contract constitutes the entire agreement between the Parties. The Customer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of Tileasy which is not set out in the Contract.

Unless and until Tileasy provides a new version of these Terms and Conditions or otherwise agrees in writing, these Terms and Conditions shall apply to all future agreements for the provision of goods by Tileasy to the Customer.

Any typographical, clerical or other accidental errors or omissions in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by Tileasy shall be subject to correction without any liability on the part of Tileasy.

Tileasy shall not acknowledge orders submitted by the Customer unless requested to do so. Tileasy reserves the right to decline to accept any order submitted by the Customer.

The specification for the Goods shall be that set out in Tileasy's sales documentation unless varied expressly in the Customer's order (if such variation(s) is/are accepted by Tileasy). The Goods will only be supplied in the minimum units thereof stated in Tileasy's price list or in multiples of those units. Orders received for quantities other than these will be adjusted accordingly.

Illustrations, photographs or descriptions whether in catalogues, brochures, price lists or other documents issued by Tileasy are intended as a guide only and shall not be binding on Tileasy.

Tileasy reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable safety or other statutory or regulatory requirements.

No order which has been accepted by Tileasy may be cancelled by the Customer except with the agreement in writing of Tileasy on the terms that the Customer shall indemnify Tileasy in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges and expenses incurred by Tileasy as a result of such cancellation.

Price

The price of the Goods shall be the price listed in the Supplier's price list current at the date of acceptance of the Customer's order or such other price as may be agreed by Tileasy and the Customer.

Where Tileasy has quoted a price for the Goods other than in accordance with Tile-

Terms & Conditions

asy's published price list the price quoted shall be valid for 30 days only or such lesser time as Tileasy may specify.

Tileasy reserves the right, by giving written notice to the Customer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to Tileasy which is due to any factor beyond the control of Tileasy (including, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods which are requested by the Customer, or any delay caused by any instructions of the Customer or failure of the Customer to give Tileasy adequate information or instructions.

For delivery to an address within the United Kingdom:

On orders with a value of less than £125 (exclusive of VAT) Tileasy will make an additional charge to the Customer for transport of the Goods. Such charge will be based upon the weight and size of the Goods and the appropriate method of transport (as determined by Tileasy) and will be advised to the Customer prior to delivery.

On orders with a value of £125 or more (exclusive of VAT) Tileasy will make no additional charge to the Customer for transport of the goods, unless going to a private address.

For delivery to an address outside the United Kingdom, Tileasy reserve the right to make an additional charge to the Customer for transport of the Goods.

The price is exclusive of any applicable value added tax, excise, sales taxes or levies of a similar nature which are imposed or charged by any competent fiscal authority in respect of the Goods, which the Customer shall be additionally liable to pay to Tileasy.

Payment

Subject to any special terms agreed in writing between the Customer and Tileasy, Tileasy shall invoice the Customer for the price of the Goods and delivery charges (if any) on or at any time after delivery of the Goods, unless the Goods are to be collected by the Customer or the Customer wrongfully fails to take delivery of the Goods, in which event Tileasy shall be entitled to invoice the Customer for the price and delivery charges (if any) at any time after Tileasy has notified the Customer that the Goods are ready for collection or (as the case may be) Tileasy has tendered delivery of the Goods.

The Customer shall pay the price of the Goods and delivery charges (if any) (without deduction credit or set off) within 30 calendar days of the date of Tileasy's invoice or otherwise in accordance with such credit terms as may have been agreed in writing between the Customer and Tileasy in respect of the Contract. Payment shall be made on the due date notwithstanding that delivery may not have taken place and/or that the property in the Goods has not passed to the Customer. The time for the payment of the price shall be of the essence of the Contract. Receipts for payment will be issued only upon request.

All payments shall be made to Tileasy as indicated on the invoice issued by Tileasy.

Tileasy is not obliged to accept orders from any Customer who has not supplied Tileasy with references satisfactory to Tileasy. If at any time Tileasy is not satisfied as to the creditworthiness of the Customer it may give notice in writing to the Customer that no further credit will be allowed to the Customer in which event no further goods will be delivered to the Customer other than against cash payment and notwithstanding sub-Clause 6.2 of these conditions, all amounts owing by the Customer to Tileasy shall be immediately payable in cash.

Delivery of the Goods shall be made:

by Tileasy posting the Goods or passing the Goods to a third party carrier for onward delivery to the place specified in the Customer's order and/or Tileasy's acceptance as the location to which the Goods are to be delivered; or

if no place of delivery is so specified, by the Customer collecting the Goods at Tileasy's premises at any time after Tileasy has notified the Customer that the Goods are ready for collection.

The Delivery Date is approximate only and time for delivery shall not be of the essence unless previously agreed by Tileasy in writing. The Goods may be delivered by Tileasy in advance of the Delivery Date upon giving reasonable notice to the Customer.

Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by Tileasy to deliver any one or more of the instalments in accordance with these Terms and Conditions or any claim by the Customer in respect of any one or more instalments shall not entitle the Customer to treat the Contract as a whole as repudiated.

If the Customer: requests postponement of delivery of the Goods or any part of them and Tileasy accepts such request; and/or

fails to take delivery of the Goods or any part of them on the Delivery Date; and/or

fails to provide any instructions, documents, licences, consents or authorisations required to enable the Goods to be delivered on that date,

Tileasy shall be entitled upon giving written notice to the Customer to store or arrange for the storage of the Goods and then notwithstanding the provisions of sub-Clause 10.1 risk in the Goods shall pass to the Customer, delivery shall be deemed to have taken place and the Customer shall pay to Tileasy all costs and expenses including storage and insurance charges arising from such failure.

Non-Delivery

If Tileasy fails to deliver the Goods or any part thereof on the Delivery Date other than for reasons outside Tileasy's reasonable control or the Customer's or its carrier's fault:

if Tileasy delivers the Goods at any time thereafter Tileasy shall have no liability in respect of such late delivery; or

if the Customer gives written notice to Tileasy within 5 Business Days after the Delivery Date and Tileasy fails to deliver the Goods within 15 Business Days after receiving such notice the Customer may cancel the order and Tileasy's liability shall be limited to the excess (if any) of the cost to the Customer (in the cheapest available market) of similar goods to those not delivered over the price of the Goods not delivered.

The Customer is under a duty whenever possible to inspect the Goods on delivery or on collection as the case may be.

Where the Goods cannot be examined the carrier's note or such other note as appropriate shall be marked "not examined".

Tileasy shall be under no liability for any damage or shortages that would be apparent on reasonable careful inspection if the provisions of this Clause 9 are not complied with and, in any event, will be under no liability if a complaint is not made to Tileasy within 24 hours of delivery detailing the alleged damage or shortage.

In all cases where damage or shortages are complained of Tileasy shall be under no liability in respect thereof unless an opportunity to inspect the Goods is supplied to Tileasy before any use is made thereof or any alteration or modification is made thereto by the Customer.

Terms & Conditions

Subject to sub-Clauses 9.3 and 9.4, Tileasy shall make good any shortage in the Goods and where appropriate replace any Goods damaged in transit as soon as it is reasonable to do so, but otherwise shall be under no liability whatsoever arising from such shortage or damage.

Tileasy may, at its complete discretion, accept the return of Goods where the Customer has over-ordered or ordered in error. In respect of returned Goods:

Tileasy reserves the right to charge a handling fee;

the Customer must contact Tileasy to arrange a return within 10 Business Days of the Delivery Date;

the returned Goods must be received by Tileasy in their original condition;

the risk of damage to or loss of the Goods remains with the Customer until receipt and inspection by Tileasy.

Risk and Retention of Title

Risk of damage to or loss of the Goods shall pass to the Customer at:

in the case of Goods to be delivered at Tileasy's premises, the time when Tileasy notifies the Customer that the Goods are available for collection; or

in the case of Goods to be delivered under sub-Clause 7.1.1, the time that the Goods leave Tileasy's premises.

Notwithstanding delivery and the passing of risk in the Goods, or any other provision of these Terms and Conditions, legal and beneficial title of the Goods shall not pass to the Customer until Tileasy has received in cash or cleared funds payment in full of the price of the Goods.

Sub-Clause 10.2 notwithstanding, legal and beneficial title of the Goods shall not pass to the Customer until Tileasy has received in cash or cleared funds payment in full of the price of the Goods and any other goods supplied by Tileasy and the Customer has repaid all moneys owed to Tileasy, regardless of how such indebtedness arose.

Until payment has been made to Tileasy in accordance with these Terms and Conditions and title in the Goods has passed to the Customer, the Customer shall be in possession of the Goods as bailee for Tileasy and the Customer shall store the Goods separately and in an appropriate environment, shall ensure that they are identifiable as being supplied by Tileasy and shall insure the Goods against all reasonable risks.

In the event that the Customer sells or transfers the Goods to a third party before legal and beneficial title has passed to him under these Terms and Conditions, the proceeds of the sub-sale or transfer (or such proportion as is due to Tileasy) shall be held by the Customer on behalf of Tileasy. The Customer shall ensure that such moneys are held separately from, and are in no way mixed with, any other moneys or funds, and that all moneys held on Tileasy's behalf are identified as such.

The Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of Tileasy, but if the Customer does so all money owing by the Customer to Tileasy shall (without prejudice to any other right or remedy of Tileasy) forthwith become due and payable.

Tileasy reserves the right to repossess any Goods in which Tileasy retains title without notice. The Customer irrevocably authorises Tileasy to enter the Customer's premises during normal business hours for the purpose of repossessing the Goods in which Tileasy retains title or inspecting the Goods to ensure compliance with the storage and identification requirements of sub-Clause 10.4.

The Customer's right to possession of the Goods in which Tileasy maintains legal and beneficial title shall terminate if:

the Customer commits or permits any material breach of his obligations under these Terms and Conditions;

the Customer enters into a voluntary arrangement under Parts I or VIII of the Insolvency Act 1986, the Insolvent Partnerships Order 1994 (as amended), or any other scheme or arrangement is made with his creditors;

the Customer is or becomes the subject of a bankruptcy order or takes advantage of any other statutory provision for the relief of insolvent debtors;

the Customer convenes any meeting of its creditors, enters into voluntary or compulsory liquidation, has a receiver, manager, administrator or administrative receiver appointed in respect of its assets or undertaking or any part thereof, any documents are filed with the court for the appointment of an administrator in respect of the Customer, notice of intention to appoint an administrator is given by the Customer or any of its directors or by a qualifying floating charge-holder (as defined in paragraph 14 of Schedule B1 of the Insolvency Act 1986), a resolution is passed or petition presented to any court for the winding up of the Customer or for the granting of an administration order in respect of the Customer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Customer.

Assignment

Tileasy may assign the Contract or any part of it to any person, firm or company without the prior written consent of the Customer.

The Customer shall not be entitled to assign the Contract or any part of it without the prior written consent of Tileasy.

Defective Goods

If on delivery any of the Goods are defective in any material respect and either the Customer lawfully refuses delivery of the defective Goods or, if they are signed for on delivery as "condition and contents unknown" the Customer informs Tileasy of such defect within 24 hours of such delivery, Tileasy shall at its option:

Replace the defective Goods within 15 Business Days of receiving the Customer's notice; or
refund to the Customer the price for those Goods (or parts thereof, as appropriate) which are defective,
but Tileasy shall have no further liability to the Customer in respect thereof and the Customer may not reject the Goods if delivery is not refused or notice is not given by the Customer as set out above.
No Goods may be returned to Tileasy without the prior agreement in writing of Tileasy. Subject thereto any Goods returned which Tileasy is satisfied were supplied subject to defects of quality or condition which would not be apparent on inspection shall either be replaced free of charge or, at Tileasy's sole discretion Tileasy shall refund or credit to the Customer the price of such defective Goods but Tileasy shall have no further liability to the Customer.
Tileasy shall be under no liability in respect of any defect arising from fair wear and tear, or any wilful damage, negligence, subjection to normal conditions, failure to follow Tileasy's instructions (whether given orally or in writing), misuse or alteration of the Goods without Tileasy's prior approval, or any other act or omission on the part of the Customer, its employees or agents or any third party.
Subject as expressly provided in these Terms and Conditions, and except where the Goods are sold under a consumer sale, all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent permitted by law.

Except in respect of death or personal injury caused by Tileasy's negligence, or as expressly provided in these Terms and Conditions, Tileasy shall not be liable to the Customer by reason of any representation, or any implied warranty,

condition or other term, or any duty at common law or under statute, or under the express terms of the Contract, for any direct or consequential loss or damage sustained by the Customer (including without limitation loss of profit or indirect or special loss), costs, expenses or other claims for consequential compensation whatsoever (and whether caused by the negligence of Tileasy, its servants or agents or otherwise) which arise out of or in connection with the supply of the Goods or their use or resale by the Customer.

The Customer shall be responsible for ensuring that, except to the extent that instructions as to the use or sale of the Goods are contained in the packaging or labelling of the Goods, any use or sale of the Goods by the Customer is in compliance with all applicable statutory requirements and that handling and sale of the Goods by the Customer is carried out in accordance with directions given by Tileasy or any competent governmental or regulatory authority and the Customer will indemnify Tileasy against any liability loss or damage which Tileasy might suffer as a result of the Customer's failure to comply with this condition.

Customer's Default

If the Customer fails to make any payment on the due date then, without prejudice to any other right or remedy available to Tileasy, Tileasy shall be entitled to:

cancel the order or suspend any further deliveries to the Customer;

appropriate any payment made by the Customer to such of the Goods (or the goods supplied under any other contract between the Customer and Tileasy) as Tileasy may think fit (notwithstanding any purported appropriation by the Customer); and

charge the Customer interest (both before and after any judgement) on the amount unpaid, at the rate of 3% per annum above Barclays Bank plc base rate from time to time, until payment in full is made (a part of a month being treated as a full month for the purpose of calculating interest).

This condition applies if:

the Customer fails to perform or observe any of its obligations hereunder or is otherwise in breach of the Contract;

the Customer becomes subject to an administration order enters into a voluntary arrangement under Parts I or VIII of the Insolvency Act 1986 or the Insolvent Partnerships Order 1994 or (being an individual or firm) becomes bankrupt or (being a company) goes into liquidation;

an encumbrancer takes possession, or a receiver is appointed, of any of the property or assets of the Customer;

the Customer ceases, or threatens to cease, to carry on business; or

Tileasy reasonably apprehends that any of the events mentioned above is about to occur in relation to the Customer and notifies the Customer accordingly.

If sub-Clause 13.2 applies then, without prejudice to any other right or remedy available to Tileasy, Tileasy shall be entitled to cancel the Contract or suspend any further deliveries under the Contract without any liability to the Customer, and if the Goods have been delivered but not paid for the Contract Price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.

Limitation of Liability

Subject to condition 7, condition 8 and condition 13, the following provisions set out the entire financial liability of Tileasy (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Customer in respect of:

any breach of these conditions;

any use made (including but not limited to modifications) or resale by the Customer of any of the Goods, or of any product incorporating any of the Goods; and

any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.

All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, to the fullest extent permitted by law, excluded from the Contract.

Nothing in these Terms and Conditions excludes or limits the liability of Tileasy:

for death or personal injury caused by Tileasy's negligence;

for any matter which it would be illegal for Tileasy to exclude or attempt to exclude its liability; or

for fraud or fraudulent misrepresentation.

Subject to sub-Clauses 14.2 and 14.3:

Tileasy's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated perfor

mance of the Contract shall be limited to the Contract Price; and

Tileasy shall not be liable to the Customer for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the Contract.

Confidentiality, Publications and Endorsements

The Customer will regard as confidential the contract and all information obtained by the Customer relating to the business and/or products of Tileasy and will not use or disclose to any third party such information without Tileasy's prior written consent provided that this undertaking shall not apply to information which is in the public domain other than by reason of the Customer's default;

The Customer will not use, authorise or permit any other person to use any name, trademark, house mark, emblem or symbol which Tileasy is licensed to use or which is owned by Tileasy upon any premises, note paper, visiting cards, advertisement or other printed matter or in any other manner whatsoever unless such use shall have been previously authorised in writing by Tileasy and (where appropriate) its licensor;

The Customer will use all reasonable endeavours to ensure compliance with this Clause 15 by its employees, servants and agents.

The provisions of this Clause 15 shall survive the termination of the Contract.

Communications

All notices under these Terms and Conditions and under the Contract shall be in writing and be deemed duly given if signed by, or on behalf of, a duly authorised officer of the Party giving the notice.

Notices shall be deemed to have been duly given:

when delivered, if delivered by courier or other messenger (including registered mail) during the normal business hours of the recipient; or

when sent, if transmitted by facsimile or e-mail and a successful transmission report or return receipt is generated; or

on the fifth business day following mailing, if mailed by national ordinary mail, postage prepaid; or

on the tenth business day following mailing, if mailed by airmail, postage prepaid.

Terms & Conditions

All notices under this Contract shall be addressed to the most recent address, e-mail address, or facsimile number notified to the other Party.

Force Majeure

Neither Party shall be liable for any failure or delay in performing their obligations where such failure or delay results from any cause that is beyond the reasonable control of that Party. Such causes include, but are not limited to: power failure, Internet Service Provider failure, industrial action, civil unrest, fire, flood, storms, earthquakes, acts of terrorism, acts of war, governmental action, default of suppliers or manufacturers, or any other event that is beyond the control of the party in question.

Waiver

The Parties agree that no failure by either Party to enforce the performance of any provision in these Terms and Conditions or under the Contract shall constitute a waiver of the right to subsequently enforce that provision or any other provision. Such failure shall not be deemed to be a waiver of any preceding or subsequent breach and shall not constitute a continuing waiver.

Severance

The Parties agree that, in the event that one or more of the provisions of these Terms and Conditions or the Contract are found to be unlawful, invalid or otherwise unenforceable, that / those provisions shall be deemed severed from the remainder of these Terms and Conditions (and, by extension, the Contract). The remainder of these and the Contract shall be valid and enforceable.

Third Party Rights

A person who is not a party to the Contract shall have no rights under the Contract pursuant to the Contracts (Rights of Third Parties) Act 1999.

Law and Jurisdiction

These Terms and Conditions and the Contract (including any non-contractual matters and obligations arising therefrom or associated therewith) shall be governed by, and construed in accordance with, the laws of England and Wales.

Any dispute, controversy, proceedings or claim between the Parties relating to these Terms and Conditions or to the Contract (including any non-contractual matters and obligations arising therefrom or associated therewith) shall fall within the jurisdiction of the courts of England and Wales.
