

PRODUCT OVERVIEW

DOMESTIC RANGE

*20 years guarantee
only on brass products

SPIROTOP[®]

Fast, complete free air removal and venting for safer, more efficient installations

| Article No. | Connection | Description |
|-------------|------------|--|
| AB050 | G½ | Automatic air vent quickly and effectively remove free air and allow for fast, reliable deaeration when a cooling or heating system is drained |

SPIROTRAP[®]

Fast, easy removal of the smallest dirt particles with unique magnetic field booster technology

| Article No. | Connection | Description |
|-------------|------------|---|
| UE022WH* | 22 mm | Dirt Separator MBC - brass solution with universal connection |
| UE022WJ | 22 mm | Dirt Separator MB3 - brass solution with universal connection |
| UE028WJ | 28 mm | |
| UE125WJ | G1¼ | Dirt Separator MBL - brass solution with universal connection |
| UE150WJ | G1½ | |
| UE200WJ | G2 | |

*UE022WH comes with a 10 year guarantee

SPIROVENT[®]

Continuous, effective system water deaeration and fast, easy installation at any angle

| Article No. | Connection | Description |
|-------------|------------|--|
| UA022W | 22 mm | RV2 - microbubble deaerators effectively remove microbubbles and circulating air from system water |
| UA028W | 28 mm | |
| UA125W | G1¼ | |
| UA150W | G1½ | |
| UA200W | G2 | |

SPIROCOMBI[®]

Effective system water deaeration and dirt separation, combined in one unit

| Article No. | Connection | Description |
|-------------|------------|---|
| UC022WJ | 22 mm | Deaerator and dirt separator Combi MB3 - brass solution with universal connection |
| UC028WJ | 28 mm | |
| UC125WJ | G1¼ | |
| UC150WJ | G1½ | |
| UC200WJ | G2 | |

SPIROCROSS[®]

Low-loss Header with deaeration and dirt separation

| Article No. | Connection | Description |
|-------------|------------|--|
| AX100J | G1 | Hydraulic balancing and air & dirt separation. The combination of 3 functions in 1 saves on space, installation and maintenance costs. |
| AX125J | G1¼ | |
| AX150J | G1½ | |

SPIROEXPAND[®]

Pressure expansion vessels with fixed gas filling

| Article No. | Volume [ltr] | Description |
|-------------|--------------|---|
| EVN4 | 4 | Safety expansion vessels for closed hot water, heating, air conditioning and cooling water systems. |
| EVN8 | 8 | |
| EVN12 | 12 | |
| EVN18 | 18 | |
| EVN25 | 25 | |

*Larger sizes available on request

SPIROPLUS[®]

Flushing agents and additives for heating, cooling and process systems

| Article No. | Volume [ltr] | Description |
|-------------|--------------|--|
| CD001 | 1 | Mild Cleaner, Dirt Dissolver (flushing agent, pH-neutral) |
| CC001 | 1 | Power Cleaner, Power Dirt Dissolver (flushing agent, pH-neutral) |
| CL001 | 1 | Lime Cleaner, Descaler (flushing agent) |
| CS001 | 1 | Sealer, Leak Sealer |
| CH001 | 1 | Protector, Corrosion Protector |

SPIROCARE[®]

Bringing professional water quality analysis within reach

| Article No. | Description |
|-------------|-----------------|
| CTA0101 | Prolab Analysis |

ACCESORIES

Accessories for our range

| Article No. | Description |
|-------------|--|
| TAB050 | Insulation set SpiroTop - AB050 |
| TUR100 | Insulation set for universal connection - UE022WJ/UE028WJ/UE022WHA01 |
| TAX150 | Insulation set for SpiroCross Brass - AX100(J)/AX125(J)/AX150(J) |
| TUR125 | Insulation set for SpiroTrap - UE125WJ/UA125W |
| TUR150 | Insulation set for SpiroTrap - UE150WJ/UA150W |
| TUR200 | Insulation set for SpiroTrap - UE200WJ/UA200W |
| CTF075 | Flush connector - for connecting MB3 and RV2 |
| G60.932 | Isolation Valve |
| E50110 | Maintenance unit for expansion vessels, connection 3/4" |
| E50207 | Maintenance unit for expansion vessels, connection 1" |
| E50307 | Maintenance unit for expansion vessels, connection 3/4" |

To help homeowners understand how to achieve better heating performance and efficiency, Spirotech's installer toolkit explains the benefits of deaeration and dirt separation.

Visit www.betterheating.co.uk

"ONCE CUSTOMERS SEE THE WEBSITE, IT REALLY HELPS THEM TO UNDERSTAND THE BENEFITS OF AIR AND DIRT SEPARATION MUCH BETTER."

Alex Treble, AMT Heating Limited, Surrey.
