FEATURING **FENTO**
ERGONOMIC KNEE PROTECTORS™

SUPPORTING PROFESSIONAL INSTALLERS SINCE 1938

ROBERTS® KEY MILESTONES

- 1938: Company founded**
- 1938: Introduced Smoothedge Carpet Gripper**
- 1939: Introduced Rub-er-egge Latex Carpet Adhesive**
- 1949: Filed Carpet Stretching Device patent** (Today's kicker)
- 1959: Filed trademark for Anchor-Weld**
- 1963: Incorporated**
- 1968: Filed Loop Pile Carpet Cutter patent**
- 1968: Filed Cushion Back Carpet Cutter patent**
- 1968: Filed patent for Carpet Trimmer** (Today's Wall Trimmer)
- 1975: Filed Carpet Adhesive Seaming Iron patent** (Today's Deluxe Heat Bond Iron)
- 1981: Hot-Melt Carpet Seaming Tape was introduced and marketed worldwide**
- 1988: Filed Carpet Stretcher patent** (Today's Power-Lok® and Junior Power Stretcher)
- 1994: Filed Heat Seaming Iron patent** (Today's Cool Shield Heat-Bond Seaming Iron)
- 1997: QEP Co., Inc. acquired Roberts Consolidated Industries, Inc.**
- 1998: Filed Jamb Saw patent**
- 2001: Filed Carpet Knife patent** (Today's Cut & Jam Knife)
- 2017: Filed Flooring Spacer patent** (Today's Dual Expansion Flooring Spacer)
- 2023: Filed patents on 7 new flooring tools**

ROBERTS® began with a shared vision - a vision for working smarter not harder - to more quickly and efficiently install wall-to-wall carpet. Investing \$3,000 in plywood, a table saw, shingle nails, pliers and a few other essentials, Roy Roberts, Hugh Livie and Ken Bishop travelled the USA selling and training installers to use tackless carpet strips.

Decades later, with countless patents and hundreds of products available worldwide, ROBERTS® continues to be recognised as the world's authority on flooring installation tools, earning the respect and trust of generations of carpet installers.

We take great pride in the quality and dependability of our ROBERTS® products and are committed to the evolution of these offerings to meet the needs and challenges of today's professional installers.

SUPPORTING PROFESSIONAL INSTALLERS SINCE 1938

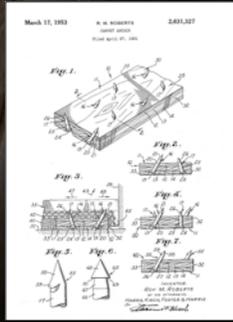

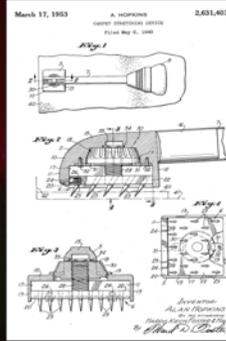

An iconic brand with an established market in more than 100 countries, ROBERTS® capitalises on decades of experience in the industry, fosters true partnerships with national trade associations, and is committed to exceeding your expectations – one product at a time.

- **Expert-level technical support to receive and resolve your product and industry questions**
- **Research and development team dedicated to improving, advancing, enhancing, and innovating our products through best of class findings from across the globe**

ICONS

Best seller, based on sales

A patent has been filed (or is pending) for this product's design or parts

This product is available in two voltage options - 110V for industrial use

This SKU features multiple products

This product features a custom carry case

This product features components that can be adjusted

Uses carpet blades

Uses utility blades

Uses hooked blades

Uses concave blades

Provides straight cuts on planks

Provides diagonal cuts on planks

Replacement parts available

ICONS FOR UNDERLAY

MOISTURE PROTECTION

Metallised foil vapour barrier, overlap and integrated tape links multiple boards and helps ensure superior vapour barrier

MOULD & MILDEW DEFENCE

Moisture-resistance qualities provide protection against the growth of mould, mildew and odour-causing bacteria

RADIANT HEAT

Ideal for use with underfloor heating

SOUND CONTROL

Product's construction provides superior sound reduction. Sound ratings are measured in decibels (dB)

RECYCLED

Features materials that have been recycled or may be recycled

CUSHIONING & LEVELLING

Provides qualities that resist compression, support and protect joints, absorb shock to improve cushioning and level minor subfloor imperfections

FITTER FRIENDLY

Lightweight, easy to handle and cuts easily with a knife

FAN-FOLD

For ease of installation

PREPARATION TOOLS

Tools for every stage of flooring installation preparation. From surface removal to installation readiness, these durable, precise tools deliver dependable performance, simplify demanding tasks, and leave workspaces perfectly prepared for professional results

LONGNECK JAMB SAW

Fitted with a powerful industrial grade motor, the longneck jamb saw cuts doors, jambs, trim and moulding for installation of new floors, as well as brick and cement block

- Adjustable depth guide prevents cutting into plaster or wall board when trimming baseboards
- Extended rotating "tail" for maximum comfort and leverage against torque
- Cuts under toe kicks and full inside corners in moulding up to 12mm thick
- Extended blade guard lever for added safety
- Blade height adjusts from "flush" to 27mm
- 38mm vacuum port for optimal dust containment
- Includes one carbide tipped saw blade (R1047) and one masonry blade (R105524)
- Includes custom moulded carry case

Vacuum port for optimal dust containment

Item No.	Description	Case Qty
R1056IND	Longneck Jamb Saw 110V / 1400W	1
R1056	Longneck Jamb Saw 230V / 1600W	1
R1047	Replacement / Accessory: Carbide Blade for a Jamb Saw	2
R105524	Replacement / Accessory: Masonry Blade for Jamb Saw	1

Case included

CARBIDE TIP SAW BLADE

Compatible with our longneck jamb saw, our replacement blades are designed with resilience and precision in mind

- Large 158mm diameter blade with recessed arbor for precise flush cuts
- Carbide tipped for added toughness and durability

Item No.	Description	Case Qty
R1047	Replacement / Accessory: Carbide Blade for Jamb Saw	2

MASONRY BLADE

Compatible with our longneck jamb saw, our replacement blades are designed with resilience and precision in mind

- Primarily designed for cutting brick and cement block. Not for use with other stone
- Comes with adapter ring

Item No.	Description	Case Qty
R105524	Replacement / Accessory: Masonry Blade for Jamb Saw	1

1400W CONCRETE GRINDER

This concrete grinder is for the cutting and grinding of metal, ceramic, stone and concrete. It is ideal for use on larger format tiles and includes a carry case for easy storage

- For cutting and grinding high spots on substrate substances such as screed, concrete and stone
- Supplied with 125mm grinding disc and grinding guard
- Quick release lever on guards
- Spindle lock for easy disc change
- 3 position side handle

Item No.	Description	Case Qty
R12550	1400W Concrete Grinder	4
R12551	Replacement / Accessory: Grinding Cup	1

GRINDING CUP

For use with Roberts Concrete Grinder R12550

- 125mm dry cut diamond disc
- Grinds metal, ceramic and concrete for a perfect finish

Item No.	Description	Case Qty
R12551	Replacement / Accessory: Grinding Cup	1

ELECTRIC MIXER

A powerful high torque, variable speed 1400W or 1600W mixer for efficient mixing

- Ergonomic handle to minimise fatigue
- Variable speed for greater control
- Safety on/off switch with lock-on function for continuous running
- Thermal overload protection for increased safety
- Robust carry case for ease of transportation
- Paddle - Ø140mm

Case included

Safety ON/OFF Switch

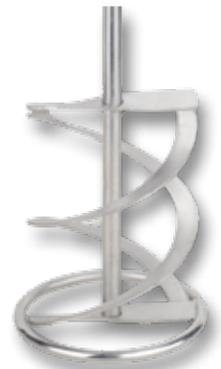

Item No.	Description	Case Qty
R10120IND	Electric Mixer 110V / 1400W	2
R10120	Electric Mixer 230V / 1600W	2
MIXADH120	Replacement / Accessory: Mixer Paddle Ø120mm	4
MIXADH140	Replacement / Accessory: Mixer Paddle Ø140mm	4

MIXER PADDLES

To mix sticky and viscous materials e.g. tile adhesive, bonding mortar, jointing compound, ready mixed plaster, floor screed, fillers etc

- Replacement mixer paddles with an M14 thread connection

Item No.	Description	Case Qty
MIXADH120	Replacement / Accessory: Mixer Paddle Ø120mm	4
MIXADH140	Replacement / Accessory: Mixer Paddle Ø140mm	4

NEW

LASER LEVEL

Take the guesswork out of alignment with this professional self-levelling laser level. Featuring 2/3/5 lines for unmatched precision, it automatically levels itself and warns you if it's beyond range, so every job stays accurate. The 360° rotatable base with fine-tuning knob makes targeting fast and effortless, while the durable carry case ensures you can take it anywhere with ease.

- Bright LD crossline green laser
- Outdoor or indoor use
- Automatic self levelling function
- Horizontal and vertical laser lines
- Anti shock feature
- 8 hours continuous working time
- Approximately 10 metre working distance
- Can be used with a tripod
- 2,3 or 5 different lines
- Moulded carry case included

Item No.	Description	Case Qty
R10635	Laser Level	1

PRO MINI PRY BAR

Made of high-carbon forged steel, the pro mini pry bar is ideal to remove skirting board and carpet gripper

- 32° angle provides ideal leverage for nail removal
- Deep bevel nail slot for easy nail removal
- Versatile mini tool is built to last but small enough to fit in your tool box

Item No.	Description	Case Qty
R510	Pro Mini Pry Bar	3

CARPET PULLER

The carpet puller is ideal for removing carpets and carrying large sheets of thin wood such as plywood

- Wide opening and serrated clamps for a firm grip for quick, effective pulling
- Hinge mechanism for effortless operation and maximum pulling power
- Large, comfortable handle for single-handed pulling

Item No.	Description	Case Qty
R1010	Carpet Puller	2

EXTENDED SCRAPER

The extended scraper is ideal to remove old adhesive, vinyl, carpet, tile and other floor covering materials. 203mm hardened steel blade

- Adjustable from 900mm to 1800mm
- Sturdy construction with locking cam
- 15° angled head reaches underneath small spaces

Item No.	Description	Case Qty
R10296	Extended Scraper	2
R10458	Replacement / Accessory: Spare Blades	1

HEAVY DUTY SCRAPER

Rugged and dependable, the heavy duty scraper is the ideal tool to remove adhesive, carpet, tile and other flooring materials

- Lightweight, heavy duty aluminium construction
- 100mm carbon steel blade

Item No.	Description	Case Qty
R10196	Heavy Duty Scraper	6
R10455	Replacement / Accessory: Spare Blade	30

GRINDING STONE

Grinding stone is a stone with a handle for sanding any seams in wooden/MDF subfloors. Removes imperfections on subfloors prior to flooring installation

- 24 grit grinding stone
- Ergonomic handle

Item No.	Description	Case Qty
R10615	Grinding Stone	1
R10615CC	Grinding Stone Cut Case	4

STRIP CUTTER

Forged from rugged steel construction, the professional 50mm strip cutter is designed to cut carpet gripper and architectural strip without extra effort

- This rugged cutter provides a powerful 8 to 1 cutting force
- Blade storage in handle

Item No.	Description	Case Qty
R10108	Strip Cutter	3
R10439	Replacement / Accessory: Strip Blades (6 pack)	10

SMOOTHEDGE SHEARS

Durable and precise, these smooth edge shears are perfect for cutting wood, MDF planks, and carpet grippers

- Strong, flat anvil
- High quality steel cutting blade
- Safety lock for secure storage

Item No.	Description	Case Qty
R570	Smoothedge Shears	12

STAPLE HAMMER

The staple hammer is ideal for installing carpet padding, roofing felt, insulations, canvas framing and upholstery

- Designed for quick, repetitive stapling with steel construction for durability
- Quick and easy back staple loading
- Comfortable, non slip grip for easy use

Item No.	Description	Case Qty
R10109	Staple Hammer	6
R10111E	Replacement / Accessory: 8mm Staples (5000 pack)	20

NAIL DRIVING BAR

The nail driving bar is the perfect solution for hammering nails in hard-to-reach places including under radiators, toe kicks, overhangs and next to glass doors

- Magnetic head holds nails in place for easy starting
- 31cm length and soft non slip handle helps access hard to reach areas
- Steel construction provides extra durability and extends product life

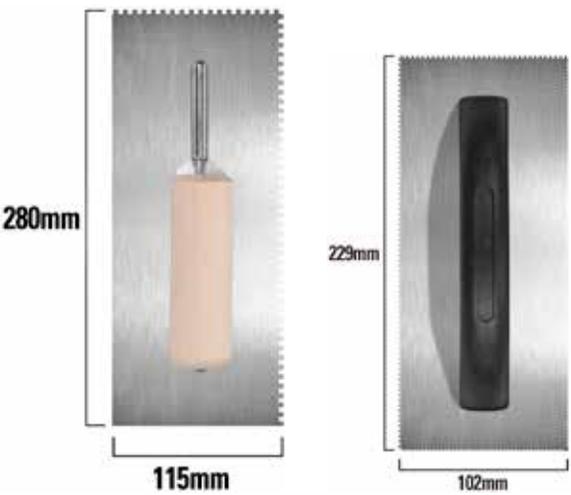

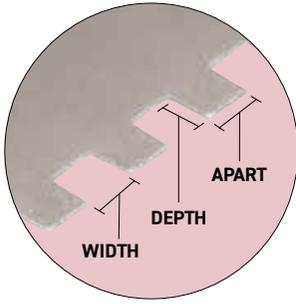

Item No.	Description	Case Qty
R10151	Nail Driving Bar	6

CARPET, VINYL, LVT, VCT & WOOD TROWELS

Notch	Application	Code
<p>1.5mm x 1.5mm x 1.5mm Square Shaped</p> 	For carpet tile, fibreglass sheet, felt-backed sheet, luxury vinyl tile, plank and cork underlay	R49768 (Wood Handle) R10181 (2 Sided Trowel)
<p>3mm x 3mm x 3mm Square Shaped</p> 	For pre-finished parquet and mosaic	R49766 (Wood Handle)
<p>6mm x 6mm x 6mm Flat-Top V Shaped</p> 	For pre-finished engineered wood plank, solid wood, bamboo and acrylic impregnated plank flooring	R49769 (Wood Handle)
<p>1.5mm x 3mm x 3mm U Shaped</p> 	For VCT, vinyl, luxury vinyl tile and plank	R49771 (Wood Handle) R10181 (2 Sided Trowel)

Always check adhesive manufacturer's notch recommendations before selecting a trowel.

All trowels measure:
Width x Depth x Space apart

WOOD HANDLE TROWELS

High quality 280mm x 115mm trowel with hardened and tempered steel blade and large wooden handle for easy grip

- Blade is ground and polished for lasting durability
- Long, die cast aluminium shank
- First and last rivets reinforced and welded for added durability

Item No.	Description	Case Qty
R49768	1.5mm Square Notch Trowel	12
R49766	3mm Square Notch Trowel	12
R49769	6mm Flat Top V Notch Trowel	12
R49771	1.5mm U Notch Trowel	12

ECONOMY 2-SIDED NOTCHED TROWEL

Engineered for extended wear and tear, economy notch trowels are designed for the application of pressure sensitive, resilient adhesives

- Cold rolled 229mm x 102mm steel blade for longer wear
- High impact, black plastic handle for firm comfortable grip

Item No.	Description	Case Qty
R10181	Economy 2-sided Notched Trowel	12

ADHESIVE SPREADERS

Adhesive spreaders feature an extra wide stainless steel blade to ensure adhesive distribution

- Roberts adhesive spreaders are a must have for every floor layer
- Ergonomic handles ensure maximum comfort whilst in use
- A2 adhesive spreader for LVT, vinyl sheet and commercial vinyl features a blade width of 180mm

Item No.	Description	Case Qty
RASA2	A2 Adhesive Spreader for LVT, Vinyl Sheet & Commercial Vinyl	10

- B1 adhesive spreader for LVT, carpet and vinyl features a blade width of 180mm

Item No.	Description	Case Qty
RASB1	B1 Adhesive Spreader for LVT, Carpet & Vinyl	10

- B2 adhesive spreader for needle punch carpet features a blade width of 180mm

Item No.	Description	Case Qty
RASB2	B2 Adhesive Spreader for Needle Punch Carpet	10

HARD FLOORING TOOLS

Specifically engineered for hard flooring installations, including wood, laminate, and LVT, our cutters, tools, and accessories provide dependable performance with consistency, making installation easier and ensuring reliable, professional results across every project

PRECISION CUTS

NEW

630MM PROFESSIONAL FLOORING CUTTERS

Available in 630mm and 330mm

Precision designed to quickly cut carpet tiles, laminate, engineered wood, LVT and other flooring types up to 16mm thick

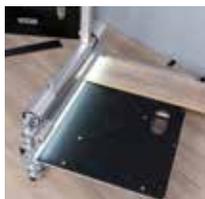

- Large steel rollers for smooth action and increased cutting power
- Incorporated toggle switch to lock blade in place
- Thicker blade carriage for more force in cutting - straight or angled cuts

Built-in ruler features both inches and millimeters for convenience

Built-in light for improved cutting view

Cutting guide accommodate straight edges or angled cuts

Item No.	Description	Case Qty
R10959	630mm Precision Cuts Professional Multi-Flooring Cutter	1
R10942	330mm Precision Cuts Professional Multi-Flooring Cutter	1
R1095SET R10959SET	Replacement / Accessory: 630mm Tungsten Carbide Blade	1

 **ROBERTS**

NEW

330MM MULTI-FLOOR CUTTER

Clean, precise edges every time, handling materials up to 10mm thick and 330mm wide for engineered wood, LVT and laminate

- Cuts material up to 330mm wide and 10mm thick
- Long handle provides extra leverage for more cutting power with less effort
- Elliptical rotating motion grants smooth, constant cutting pressure for clean cuts
- Sturdy aluminium support base with a solid plastic surface for a comfortable working area
- Table mitre guide for 0 to 45° angle cuts
- Long lasting, HSS blade provides a sharp cutting edge (replacement blades sold separately)

CUTS up to 8mm

Luxury Vinyl Tile (LVT) & Plank (LVP), Carpet Tiles, Leather, Rubber Tiles and Soft Plastic

CUTS up to 10mm

Laminate Flooring, Engineered Wood, Cement Board and MDF

Blade lock for safe transportation

5 Angles - 90°, 45°, 30°, 22.5°, 15°

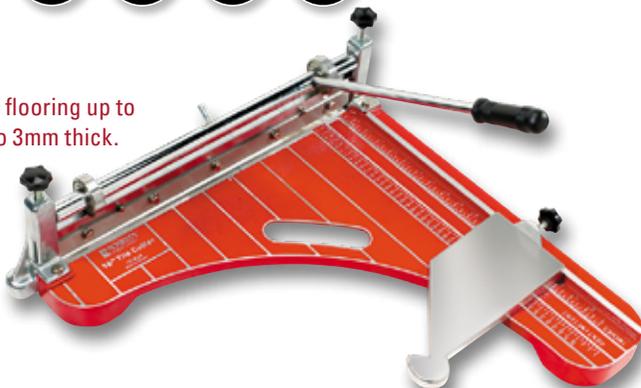

Item No.	Description	Case Qty
R1061A	330mm Multi-Floor Cutter	1
R10161RB	Replacement / Accessory: 330mm Replacement Blade	1

450MM VINYL TILE CUTTER

The vinyl tile cutter can rip-cut vinyl flooring up to 450mm (300mm diagonally) and up to 3mm thick. Specially designed to cut solid vinyl tile, luxury vinyl tile and cork tile

- Lightweight vinyl tile cutter is equipped with accurate cutting guides
- Heavy duty aluminium base
- Industrial grade carbon steel blade and ball bearing castors

Item No.	Description	Case Qty
R10918	450mm Vinyl Tile Cutter	1
R1091805	Replacement / Accessory: 450mm Top Blade	1
R1091806	Replacement / Accessory: 450mm Lower Blade	1

300MM VINYL TILE CUTTER

The vinyl tile cutter can rip-cut vinyl flooring up to 300mm (228mm diagonally) and up to 3mm thick. Specially designed to cut solid vinyl tile, luxury vinyl tile and cork tile

- Lightweight vinyl tile cutter provides a professional result with easy manoeuvrability on the job site
- Rubber feet improve stability to hold steady while cutting
- Includes transportation case

Item No.	Description	Case Qty
R10900	300mm Vinyl Tile Cutter	1
R1090005	Replacement / Accessory: 300mm Top Blade	1
R1090006	Replacement / Accessory: 300mm Lower Blade	1

LINOLEUM KNIFE

High-quality, versatile knife cuts and tucks with ease and precision

- Curved blade slices linoleum, vinyl floors
- Tapered, flat-top surface for use as a carpet tucker
- Blade made from hardened stainless steel for extra durability
- Soft, installer-preferred grip for enhanced performance and comfort

Item No.	Description	Case Qty
R10925	Linoleum Knife	12

GROOVER

Groover for putting steady grooves into tough flooring
Ideal for PVC, linoleum and vinyl floors

- Equipped with two height adjustable blades for the perfect groove
- Ergonomically designed for a comfortable grip
- Built-in roller guide ensures a smooth glide against the surface or floor during installation

Adjustable blade height allows the user to accurately mark grooves with precision and perfect finish

Item No.	Description	Case Qty
R50001	Groover	1
R50002	Replacement / Accessory: Spare Front Blade for R50001 Groover	1
R50003	Replacement / Accessory: Spare Rear Blade for R50001 Groover	1
R50004	Replacement / Accessory: Spare Front Plate for R50001 Groover	1
R50005	Replacement / Accessory: Spare Rear Plate for R50001 Groover	1
R50006	Replacement / Accessory: Spare Guide Roller for R50001 Groover	1

DOUBLE TAP™ REVERSIBLE TAPPING BLOCK

Double Tap™ reversible tapping block is designed to push flooring planks together without damaging the joining grooves of the flooring or your fingers

- Double-sided with notches designed for tongue and groove, click-lock laminate, engineered wood or vinyl tile planks
- D-handle can be removed and re-attached to either side of the block
- Offset handle keeps hands away from strike zone

Item No.	Description	Case Qty
R1049	Double Tap™ Reversible Tapping Block	4

FLOORING

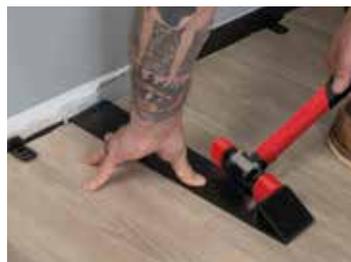

THE MAVERICK™
PULL BAR

WIDE ANGLE PULL BAR

The MAVERICK™ wide angle pull bar is a heavy-duty tool that does not bend against mallet hits. It is ideal to close gaps and tighten seams in small spaces during laminate and wood flooring installation

- Helps tighten seams during laminate, vinyl and wood flooring installation.
- Reaches against a wall or other hard to reach spaces.
- Premium steel construction, the triangle shaped head withstands 10 times the strike force of N Shaped pull bars
- Extra long 41cm length
- Soft felt pads protect against damage to floors

Item No.	Description	Case Qty
R10018CC	Wide Angle Pull Bar	6

DOUBLE HEADED HAMMER

NEW

Designed for hardwood installation and to be used with a tapping block/pull bar

- Moulded plastic handle with rubber grip for comfortable repeat use
- Non-marking hammer
- Designed to be used with a tapping block and pull bar to move the flooring into place
- Double headed hammer to provide a strong impact to the tapping block or pull bar
- Rubber handle for a comfortable grip

Item No.	Description	Case Qty
R10431	Double Headed Hammer	6

LAMINATE EXPANSION SPACERS X30

NEW

Designed to create space between the floor material and wall in floating flooring installations

- Gives a consistent gap around skirting boards when installing wooden and laminate flooring
- Re-usable plastic design
- Made of durable, hard plastic that resist compression
- Serrated surface locks wedge spacer into position once plank is placed against it
- Individual spacer dimensions - 34mm x 62mm x 6.5mm

Item No.	Description	Case Qty
R1027	Laminate Expansion Spacers x30	10

WOOD & LAMINATE INSTALLATION KIT

NEW

FLOORING

Comes complete with a tapping block pull bar and 30 wedge spacers, a handy installation kit

- Expansion joint wedge spacers x30 are designed to create space between the floor material and wall in floating flooring installation
- The pull bar helps tighten seams during laminate, vinyl and wood flooring installation
- The tapping block and pull bar help make the installation a tight fit

Item No.	Description	Case Qty
R1028	Wood & Laminate Installation Kit	10

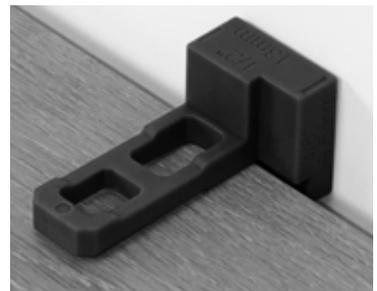

4-IN-1 SPACERS

NEW

For use with vinyl, laminate, and engineered wood installations. x30 patented 4-sided spacers allow for 6mm, 9.5mm, and 13mm expansion gaps, along the wall and 25mm for thresholds between rooms

- Provides space along the room perimeter to allow for expansion and contraction of flooring
- Self-bracing to remain upright throughout installation
- Made of durable, hard plastic that resists compression

Item No.	Description	Case Qty
R1029	4-in-1 Spacers x30	10

NEW

FLOORING REPAIR PUTTY

FLOORING

Fill gaps, nicks and scratches on wood, laminate and vinyl flooring. It can be used alone or by mixing colours to ensure an optimal match to the surface. It is quick-drying, easy to paint or sand, and can be used during installation to fill nail and screw holes, or to repair damage on existing flooring. Low VOC, environmentally friendly and safe to use, each putty comes with a two-year shelf life and is packaged in a 88.7ml, easy-to squeeze tube for quick application

- Acrylic based putty
- Fast drying without shrinkage
- Easy to apply, spread and sand down for a perfect finish
- Easy to blend different colours to match to wooden/wood effect flooring
- Can be painted over for wider range colour options and stone effect floors
- Disguise nail and screw holes as well as repair damage

DOESN'T CRACK • SANDABLE • NON-SHRINKING

SPIKED ROLLER 500MM

The spiked roller is perfect for subfloor preparation, effectively removing bubbles in floor levelling compounds

- 500mm width and 21mm tooth height
- Ideal for subfloor preparation
- Helps remove bubbles caused by entrapped air in floor levelling compounds
- Fitted with a heavy duty steel frame
- Accepts standard push fit extension rollers and standard size broom handles

Item No.	Description	Case Qty
R2001	Spiked Roller 500mm	1

SPIKED ROLLER 250MM

Ideal tool for subfloor preparation, as it helps to remove bubbles caused by entrapped air in floor levelling compounds. It also includes a splash guard to minimise mess

- 250mm width and 21mm tooth height
- Designed to fit seamlessly into smaller areas
- Ideal for subfloor preparation
- Helps remove bubbles caused by entrapped air in floor levelling compounds
- Fitted with a heavy duty steel frame
- Accepts standard push fit extension rollers and standard size broom handles

Item No.	Description	Case Qty
R2003	Spiked Roller 250mm	1

NEW

EXTENDABLE FLOOR ROLLER

FLOORING

Designed with the professional installer in mind, the extendable floor roller is a “must have” for installing a wide assortment of flooring including sheet vinyl and linoleum

- Spring-loaded metal collar locks, extends and retracts length quickly
- 7 locking positions extends length from 457mm to 710mm
- Unique, quick-release mechanism for easy length adjustment
- Recessed roller hardware protects against damage to floors or walls
- Segmented rollers provide even pressure and maximum transfer of adhesive to the floor covering
- Smooth metal hand grip leverages body weight for improved control and increased pressure

Extends and locks in 7 positions

Item No.	Description	Case Qty
R10975	Extendable Floor Roller	2

HEAVY DUTY LINOLEUM ROLLERS

FLOORING

Heavy duty rollers are essential for all linoleum and vinyl flooring installations

Ensure a flat and level installation while the heavy duty rollers do all the work, helping to evenly distribute and flatten adhesive build-ups

- Precision-ground, segmented, chrome-plated rollers ensure maximum transfer of adhesive to the backing of the floor application
- 39cm wide segmented roller head exerts constant pressure
- Removable handle and detachable transport wheel

Item No.	Description	Case Qty
R10945	30kg Heavy Duty Linoleum Roller	1
R10952	45kg Heavy Duty Linoleum Roller	1

CARPET TOOLS

Our carpet tools are designed for trade use, combining durability with precision.

From knee kickers to seaming irons, each tool delivers reliable performance, ensuring smoother, faster, more professional carpet installations

EXTRA WIDE KNEE KICKER

The General® features an extra-wide 127mm head, four nap grip strips and five rows of steel pins to manoeuvre carpet with ease and precision

- 25% wider head for improved load distribution
- Gel bumper is mounted at a 5° angle to maximise kicks while reducing knee shock
- High contour neck for use over stretcher head and poles
- Trigger release adjusts from 445mm to 546mm
- Centre grooved head for adjusting power stretcher head
- Die cast aluminium body for maximum strength and durability

Item No.	Description	Case Qty
R102100	The General Extra Wide Knee Kicker	1
R10200003	Replacement / Accessory: Kicker Nap Insert (4 pieces with screws)	1
R10200004	Replacement / Accessory: Pin Plate Assembly	1

GT 2000 KNEE KICKER

The GT 2000 knee kicker has a 28% wider head than other models giving more gripping power

- 5 extendable positions
- Ranging from 470 to 570mm
- Aluminium die-cast body for maximum strength
- Lightweight and easy to handle
- High contour neck fits over stretch poles and heads

Item No.	Description	Case Qty
R102000GT	GT 2000 Knee Kicker	1
R10200003	Replacement / Accessory: Kicker Nap Insert (4 pieces with screws)	1
R10200004	Replacement / Accessory: Pin Plate Assembly	1
R10200009	Replacement / Accessory: Kicker Bumper with Screws	1

CARPET

GT EXTENDABLE KNEE KICKER

Featuring installer designed enhancements, the GT knee kicker is engineered with a solid construction and durability

- Easy trigger release which adjusts the length
- Wider head for improved load distribution
- Ranging from 445mm to 545mm
- High contour neck has been designed to fit over stretcher heads and poles

Item No.	Description	Case Qty
R10422	GT Extendable Knee Kicker	1
R41203	Replacement / Accessory: Kicker Nap Insert	1
R5017A	Replacement / Accessory: Pin Plate Assembly	1
R41209	Replacement / Accessory: Kicker Bumper with Screws	1
R42209	Replacement / Accessory: Kicker Bumper with Extra Thick Screws	1

DELUXE KNEE KICKER SILVER

Elevating the industry standard in knee kickers, the deluxe knee kicker has been in use for over 40 years

- Extendable in 5 positions
- Ranging from 430 to 530mm
- Heavy duty die-cast aluminium body
- Lightweight and easy to handle

Item No.	Description	Case Qty
R10412	Deluxe Knee Kicker Silver	1
R41203	Replacement / Accessory: Kicker Nap Insert	1
R41204	Replacement / Accessory: Pin Plate Assembly	1

NEW

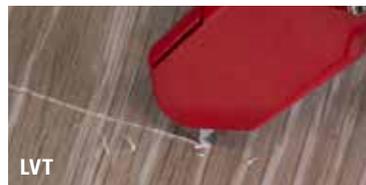

3-IN-1 CARPET, VINYL & UTILITY KNIFE

3-in-1 carpet, vinyl and utility knife is the premier knife among installers due to its versatility. This knife accommodates carpet, utility, trimmer, hook or concave blades. With a quick blade change, it can be used to install carpet, LVT/LVP - or as a utility knife to cut twine and cardboard

- Features patented insert with 3 positions according to blade type and cutting use
- SWIVEL GRIP™ blade storage accommodates 20 individual blades or most 10-pack cartridges
- Can be used with carpet, utility, trimmer, hook or concave blades according to need (see page 37)
- Recessed nose bottom offers more exposure of blade for slicing
- Hinged knife opening allows for full access for easy blade change
- Ergonomic design and moulded comfort grip for all day use

Accommodates 20 individual blades or most 10-pack cartridges

2 Blades Included  x1  x1

Item No.	Description	Case Qty
R10216CC	3-in-1 Carpet, Vinyl & Utility Knife	12

PRO DUAL-DEPTH CARPET KNIFE

The pro dual-depth carpet knife, easily adjusts depth to 14mm or 20mm to accommodate different carpet back thicknesses

- Features a patented insert with two depth positions for use according to the carpet-back thickness
- Can be used with round or square-end slotted carpet blades
- Patent-pending blade spindle has extended tangs to prevent blades from slipping through gaps
- 45° angle is optimal for scoring, the ergonomic design improves fit and comfort
- Top of knife is curved for improved comfort and control
- Recessed nose bottom offers more blade for slicing

Rotate for single blades

Rotate for 10-pecks

2 Blades Included  x2

CARPET

CUT & JAM CARPET KNIFE

Uniquely designed to serve a dual function, the cut and jam carpet knife cuts carpet with one end and tucks carpet into gullies with the other

- Rugged yet lightweight, precision die cast aluminium design
- Easy-to open design allows for fast blade change
- Safety thumb and blade guard for additional safety and increased cutting pressure
- Slip-resistant handle provides firm grip for precise, clean cuts
- Convenient handle stores up to 10 additional heavy duty slotted blades

3 Blades Included  x3

Item No.	Description	Case Qty
R10220	Cut & Jam Carpet Knife	6

300MM CARPET SHEARS

Featuring precision ground, high-quality carbon steel blades for maximum durability, the 300mm carpet shears are ideal for use in-between areas like staircases and upholstery

- Superior cutting ability and durability
- Accommodate large hands comfortably with vinyl-coated cushioned handle openings
- Blade edge sharpens easily on stone
- Chrome plated blades

Item No.	Description	Case Qty
R10125	300mm Carpet Shears	6

CARPET

250MM CARPET SHEARS

Featuring precision ground, high-quality carbon steel blades for maximum durability, the 250mm carpet shears are ideal for use in-between areas like staircases and upholstery

- Superior cutting ability and durability
- Accommodate large hands comfortably with vinyl-coated cushioned handle openings
- Blade edge sharpens easily on stone
- Chrome plated blades

Item No.	Description	Case Qty
R10123	250mm Carpet Shears	6

LEFT HANDED CARPET SHEARS

Left handed carpet shears are made of a high quality carbon steel for superior cutting. Features large handles and extra wide cushioned openings

- Premium quality
- Large stainless steel shears
- Superior cutting quality and durability
- Blade length 250mm

Item No.	Description	Case Qty
R10124	Left Handed Carpet Shears	6

DELUXE NAPPING SHEARS

Manufactured with ground blades to ensure precision cuts, the 203mm napping shears are the go-to tool for easy and level napping of carpet fibres

- Offset-handles ensure level napping
- Accommodate large hands comfortably with extra-wide, vinyl-coated cushioned handle openings
- The chrome plated blades are precision ground to ensure sharp cutting edges

Item No.	Description	Case Qty

DELUXE CARPET TRIMMER

Designed to quickly trim carpet along the wall or under toe kicks, carpet trimmers are an installer's must have carpet tool

- Accommodates vertical and horizontal adjustments
- Five position folding handle moves easily for hard to reach areas
- Anti-slip rubber handle and hardened stainless steel guide for accurate cuts

Item No.	Description	Case Qty
R10616	Deluxe Carpet Trimmer	2

CARPET

UNIVERSAL SEAM CUTTER

Designed for top and bottom carpet cutting

- Superior dual design. Use slotted blade for top cutting or utility blade for bottom cutting
- Extra-long nose provides better row separation
- 50° blade angle permits cleaner precise cuts

Item No.	Description	Case Qty
R101543	Universal Seam Cutter	3
R2101	Replacement / Accessory: HD Straight Blades x100	20

LOOP PILE CARPET CUTTER

Developed for cutting loop pile carpets, the loop pile cutter is stainless steel constructed for maximum durability

- Efficiently cuts most loop pile carpet regardless of thickness
- Unique two-blade design accommodates both left and right positions for cutting closer to the yarn edge
- Ergonomic grip for comfort and control

Item No.	Description	Case Qty
R10152	Loop Pile Carpet Cutter	3

POWERLOK STRETCHER GT

CARPET

Power stretchers are the perfect tools for installing wall to wall carpets. Additional extensions are available to ensure you can carpet in even the largest areas!

- Low profile swivel head and a locking device in the handle to avoid needing to adjust the tubes
- Swivel head locks into 5 different stretch / pattern-holding positions
- Adjustable pin penetration for different carpet thicknesses
- Non-marring tail block prevents damage to finished walls while stretching
- Low-profile head with side-kicking platform for use with knee kicker
- Supplied in a custom moulded carry case complete with wheels to ensure easy transportation and protection between jobs

Ensure fitting compliant with BS 5325:2001

Item No.	Description	Case Qty
R10254A	Powerlok Stretcher GT	1
R1023510	Replacement / Accessory: Extension Tube	1
R10250	Replacement / Accessory: Locking Tube	1

SEAM/RE-STRETCHER

Designed to quickly and accurately match patterns during carpet installation and repair

CARPET

INCLUDES:

Tailblade for stretching carpet off of carpet gripper

ON/OFF knob provides locking or conventional operation

- Locking mechanism locks the powerhead at 6mm movement of the pinplate, ensuring precise pattern alignment
- Dual powerhead configuration for correcting bowing, skewing, and misaligned patterns, as well as compressing gapped seams
- Adjustable pin depths to accommodate different carpet thicknesses
- Die cast frame holds up to 300 lbs. of stretch tension
- Includes custom-moulded carrying case

Item No.	Description	Case Qty
R10128	Seam/Re-Stretcher	2

PRO LOOP PILE CARPET SEAM ROLLER

NEW

Featuring star wheels for stronger seams, the pro loop pile carpet seam roller is designed for use with loop pile and berber carpets as well as securing carpet on carpet gripper

- 150mm extra wide head
- Specially designed for seaming loop pile
- Roller deeply presses the carpet backing into the adhesive
- Star wheels maximise the transfer of heat seam tape into the carpet back, creating stronger seams

CARPET

Item No.	Description	Case Qty
R10122	Pro Loop Carpet Seam Roller	3

CARPET SEAM ROLLER

Seam roller ideal for use when seaming loop pile carpets

- 100mm wide head
- Specially designed for seaming loop pile
- Roller deeply presses the carpet backing into the adhesive
- Star wheels maximise the transfer of heat seaming tape into the carpet back, creating stronger seams

Item No.	Description	Case Qty
R10169	Carpet Seam Roller	3

ROLLING CARPET TUCKER

The rolling carpet tucker allows the professional installer to tuck 5 times faster than conventional methods. Capable of tucking all qualities of carpet against tile, wood flooring, LVT and walls for a clean, finished edge

- Non-slip handle provides better grip and control
- Sets carpet into carpet gripper, drives carpet into gullies, and creases carpet along wall lines for a neat finish
- Creases carpeting along wall lines
- Accelerates fitting time in any carpet installation
- Ergonomic and durable handle to drive the tucking wheels into the carpet gully

Item No.	Description	Case Qty
R10523	Rolling Carpet Tucker	1

STAIR TOOL

Made from forged, chrome-plated steel for long-lasting strength and durability, the stair tool is ideal for setting carpet into carpet gripper, driving carpet into gullies and creasing carpet along wall lines

- Use to set the carpet into the carpet gripper
- Drives carpet into gullies and creases the carpet along the wall line
- 100mm wide

Item No.	Description	Case Qty
R521	Stair Tool	3

CARPET TUCKER

A lightweight tucking tool, the EZ TUK carpet tucker will not mark or damage baseboards, walls, ceramic tiles or metal

- Ball handle for a secure hold
- Curved edge is ideal for stairs
- Square edge works well for tucking carpet into corners
- 90mm wide blade for faster tucking

Item No.	Description	Case Qty
R10522	Carpet Tucker	4

CARPET AWL

This awl is ideal for tucking carpet at baseboards as well as use for upholstery work. Cushion grip adds comfort to use

- 100mm awl
- Ideal for use during upholstery installation
- Ergonomic handle provides a firm grip

Item No.	Description	Case Qty
R530	Carpet Awl	20

ROW FINDER

The row finder is ideal for separating carpet rows to minimise damage to nap and loops

- Features tapered round end for cut pile carpets and flattened end for loop pile carpets
- Slip-resistant, chequered grip
- Steel construction for durability

Item No.	Description	Case Qty
R10517	Row Finder	6

COOL SHIELD® SEAMING IRON

230V

Designed to seam carpets like a professional, the Cool Shield® heat bond iron melts heat bond tapes while shielding carpets against heat damage

- Double heat shield minimises deforming of carpet backing and face yarn
- S-shaped heating element provides even heating and longer heat retention
- Comb profile forms ridges in adhesive for stronger carpet seams
- Top mounted thermostat control for easy heat-setting adjustments
- 3-way cord guide keeps the 3m cord out of the way
- Grooved non-stick plate for fast, easy clean-up
- Thermostat indicator light shows when iron is heating
- Approximate heat range 57°C to 220°C

Item No.	Description	Case Qty
R10483EG	Cool Shield® Seaming Iron	2

CARPET

DELUXE CARPET SEAMING IRON

230V

The deluxe heat bond iron is the first choice of carpet installation professionals worldwide

- Low-profile design makes seaming carpet easy with heat-bond seaming tapes
- Even heat distribution for faster more efficient melting
- Up-front thermostat control for easy heat-setting adjustments
- Thermostat indicator light changes from red to green when desired temperatures is achieved
- Heat shield prevents backings from overheating
- Comb profile forms ridges in adhesive for stronger carpet seams
- 2-way pivoting cord for easier control
- Non-stick coated plate for easy clean-up
- Approximate heat range 57°C to 220°C

Item No.	Description	Case Qty
R10282EG	Deluxe Carpet Seaming Iron	2

SEAMING TAPE

- **Low smoke / Low odour formula** – safer for fitter and customer
- **Low profile scrim** – for less visible seams
- **No stitching** – adhesive will not seep through to underlay
- **Silicone backing** – prevents tape from sticking to underlay

SUPER GOLDEN

- Pack Size: 10 x 20m
- Application: Universal (domestic/commercial)

CARPET SEAM SEALER

8015 universal carpet seam sealer is a solvent-free formula developed for seaming most types of carpet to prevent unravelling and de-laminating. This sealer can also be used to repair bubbling in existing carpets

- A zero VOC sealer that dries clear and cleans up with soap and water
- For seaming carpet edges, to prevent unravelling and de-laminating, and to repair bubbles
- Suitable for all types of carpet, including vinyl-backed carpets
- Powered by Microban® for superior mould and mildew protection
- Can be used on both direct and double bond installs
- Fast drying, synthetic polymer formula
- Solvent-free
- 235ml bottle

Item No.	Description	Case Qty
R8015A	Carpet Seam Sealer x12	1

CARPET

ANTI FRAY SPRAY

Prevents carpets from fraying while cutting. Can be used with woven carpets, sisal, coco, carpet-tiles, underpadding, clothing, felt and carton

- Dries clear for a neat finish
- 2-5 minute drying time for a quick installation
- Carpet spray dries without leaving a sticky residue
- Can be cleaned with acetone
- Shelf life is 1 year +20°C in unopened can
- Prevents carpets from fraying while cutting. Can be used with woven carpets, sisal, coco, carpet-tiles, underpadding, clothing, felt and carton

Item No.	Description	Case Qty
R532	Anti Fray Spray	12

STORAGE & PROTECTION

One of the greatest attributes of a tool in an installer's toolbox is its ability to be used in numerous installation environments or for different types of projects.

With this in mind, we offer storage and protection to move or protect your equipment

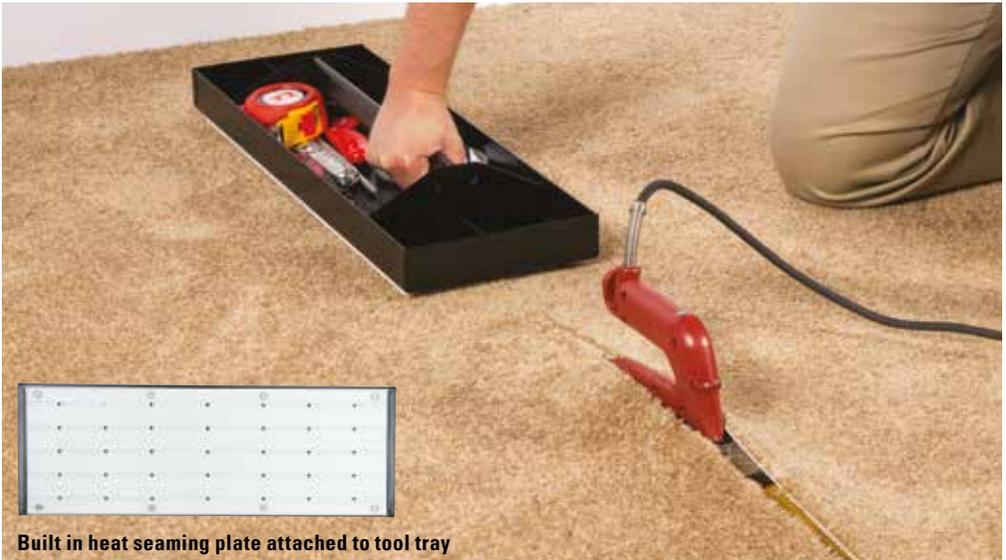

FITTERS TOOLBOX

WITH BUILT-IN
SEAMING PLATE

Built to last, with heavy-duty steel construction and a premium finish. Features an innovative, vented nylon plate (on the bottom of the storage tray) that doubles as a seaming weight, the ROBERTS® toolbox is a must have for every professional

- Spacious: L 610mm x W 248mm x D 222mm
- Soft grip handle
- Integrated locking loops
- Heavy duty locking latches
- Tough inset side handles

Built in heat seaming plate attached to tool tray

Item No.	Description	Case Qty
R10163	Fitters Toolbox	1

TOOL BAG

This tool bag has eight external and four internal pockets to help organise and separate consumables whilst allowing quick 'on the job' access to smaller tools like tapes and nails. Handling flexibility with carry handles and integral shoulder straps

- L 500mm. D 250mm. W 300mm
- 8 external and 4 internal pockets
- Quick 'on the job' access via separated pockets
- Sturdy construction and material
- Holds up to 20kg

Item No.	Description	Case Qty
RT00LBAG	Tool Bag	1

DELUXE GRIP LEATHER POUCH

The deluxe grip pouch holds tools firmly in place with special leather insert grips

- 100% leather with double stitching for extended wear and longer product life
- Features one large pocket 190 x 114 x 19mm
- Slotted design to fit directly on a belt

Item No.	Description	Case Qty
R10260	Deluxe Grip Leather Pouch	12

PRO KNEE PADS

Premium knee pads for increased protection whilst installing carpets. The padded upper strap is specifically designed to be used during knee kicking

- Soft, non-pinching straps
- Wide straps that hold knee pads in place
- Excellent knee protection from any hard floor
- Padded upper strap specifically designed to be used during knee kicking
- Knee protection against all flooring types

Item No.	Description	Case Qty
R79034	Pro Knee Pads	6

CARPET GRIPPER

One of the most important products for carpet installations, our carpet gripper ensures that your carpet stays locked in position.

Once gripped, they help to keep the seams of your carpet tight and prevent it from stretching out of shape over time

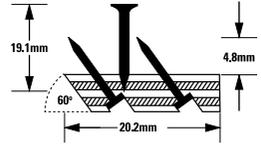

Roberts® Standard carpet gripper is pre-nailed for ease of installation. Our carpet gripper uses high quality carbon steel nails and 5 ply plywood. More than enough strength to handle the toughest woven carpet and toughest patterned carpet.

FROM RECYCLED PLASTICS

Item No.	Description	Case Qty
R04FF	4mm Plus Premium Underlay	1

NEW

The 4mm PLUS premium underlay is our top-tier foil-layered fan-fold board, offering a thickness of 4mm for ultimate sound absorption, strength, and thermal properties. It features a vapour-tight foil membrane with overlap and integrated tape to create a damp proof barrier beneath the floor. This Underlay provides enhanced floor comfort and levelling, making it particularly ideal for high-traffic areas. Made from recycled plastics

- **PLUS** - Vapour barrier, overlap and integrated tape
- L 1200mm x W 400mm x D 2.5mm
- Area: 9.6m² / 20 boards
- Premium performance underlay
- Levelling and floor comfort
- High traffic strength

Technical Data/Product	Unit	
SKU Code		R04FF
Finish	-	Fan-fold Metallized Foil
Dimension	mm	400 x 1200
Pack Size/Folds per Pack	-	20 Boards
Pack Coverage	m ²	9.6
Thickness	mm	4
Colour	-	Black
Compression Strength	kPa	≥ 95
Compression Creep	kPa	≥ 25
Dynamic Load (DL ₂₅)	Cycles	≥ 250.000
Impact Sound Reduction	dB	= 20
Punctual Conformability (PC Value)	mm	≥ 3.6
Resistance to Large Ball (RLB)	mm	≥ 1500
Water Vapour Permeability (SD Value)	m	125
Thermal Resistance (R Value)	m ² K/w	0.14
Tog Rating	Tog	1.4
Water Absorption	Vol. %	< 0.1
Fire Protection Classification	Euroclass	E

STAND OPTIONS

- Designed and merchandised to deliver incremental sales at high margins

A LIFE WITHOUT KNEE & BACK PROBLEMS

KNEE PROTECTION

Prevent knee and back problems with FENTO'S unique ergonomic pressure distribution technology.

This innovative award-winning concept evenly distributes pressure across the lower leg, utilising an ergonomic wedge across all FENTO products

FENTO
ERGONOMIC KNEE PROTECTORS™

ORIGINAL

The ergonomic wedge ensures the correct distribution of pressure across the lower leg, which prevents knee and back problems. The improved fit takes on the shape of your own knee, offering even greater comfort

- Hardwearing and waterproof outer layer
- Wide support area for maximum stability
- The whole product is easy to clean
- Breathable inlay distributes pressure over knee and lower leg to prevent back and knee complaints
- Replaceable inlay
- Elastic straps do not constrict behind the knee

FENTO BOARD

ERGONOMIC KNEE PROTECTORS™

Ergonomic knee board designed for extra mobility. Keep it nearby on the floor, take it with you easily, and use it wherever you need it. The ergonomic FENTO wedge ensures even pressure distribution across the knee and lower leg, helping to prevent knee and back problems

- The handle on top of the knee protector makes it possible to carry it around, which enables great mobility
- Wide support area for maximum stability
- The knee protector distributes pressure over the knee and lower leg to prevent knee and back complaints
- The knee protector is easy to clean, has a hardwearing outer layer and has just enough weight to not be taken away by the wind

FENTO BOARD M2

ERGONOMIC KNEE PROTECTORS™

The FENTO BOARD M2 is an ergonomically designed knee board, specifically developed for comfort in rough working areas. Its unique FENTO wedge shape ensures even pressure distribution over the knee and lower leg, helping to prevent knee and back problems

- The BOARD M2 features a soft, shock-absorbing PU top layer that is waterproof, easy to clean, and possesses anti-static and flame-retardant properties.
- Its wear-resistant bottom layer enhances stability, protection, and slip resistance.
- Additionally, the magnetic tool tray is a handy feature that prevents you from losing small parts during assembly or disassembly.
