## Illuminated LED Mirrors

Discreet lighting makes this mirror stunning even when unlit. The lighting is concealed on the front of the frame, with a colour-coded matching lens to 'hide' the light source.

- Functional and flattering, 'front facing' diffused light output.
- Dimming, 3 x Kelvin Adjustable, Demister and memory function.
- Easy install with French Cleat, Spirit Level and Fast Fit Connector.
- Single-touch control for all mirror functionality.
- Double flash at min/max light output on the control button.
- Ability to turn the control button 'off' in standby mode to deactivate the nightlight.
- De-mister is 'Auto off' when light is 'Off' or after 1 Hour of light use.

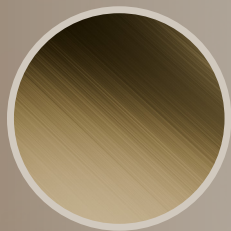

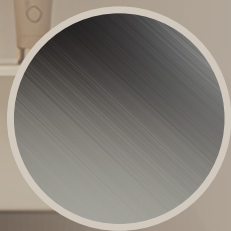

Available in  
3 trend led  
finishes

**Black**

**Brushed Brass**

**Gun Metal**

**Beautiful front lighting  
illuminates your routine**

**Intuitive touch sensor control  
to personalise your lighting**

**Integrated demister ensures  
a steam free reflection**
