# The Bathroom Selection

**Founded in 1917 near Barcelona, Roca is widely recognised as a global benchmark in the design and manufacture of bathroom products. A family owned business with over 100 years in the sector and three decades of experience already in the UK, we produce long-lasting and desirable products spanning almost every bathroom category and covering all price points. This brochure brings together a selection of our best-selling and most popular products, in one streamlined and easy to use package, designed with trade professionals in mind, but with the inspiration needed for anyone looking for their next bathroom. Handpicked from our wider collection, The Bathroom Selection brings all the essentials you need to enhance your everyday.**

# Roca Rimless® Vortex<sup>N</sup>

A bowl specially designed to optimise water flow, flush performance and hygiene.

This innovative design replaces the traditional toilet rim with a smooth edge, enabling water to create a powerful 360-degree swirling flow across the entire surface of the bowl. The result is exceptional cleaning performance with minimum water consumption.

Discover the **NEW** Roca Rimless® Vortex technology

## Maximum Hygiene

An effective 360° whirlwind flush system with an enhanced water path to ensure complete coverage of every part of the bowl up to four times.

## No Splashback

Water-saving dual-flush system with silent solution and reduced splashing effect for maximum hygiene and optimum performance.

## Easy Cleaning

Interior bowl with no hidden nooks and crannies for dirt and germs to accumulate.

## Extra Silent

A smoother and more efficient water outlet reduces turbulence and noise.

## Easier to clean

Smooth interior walls and no rims.

## Larger clean area

The design of the bowl allows water to flow upwards, cleaning the entire surface.

## Optimal flushing

Rimless technology flushes the water around the pan providing a thorough flush.

## Hygienic solution

Uniform distribution of water washes the entire surface of the bowl.

# Rimless® Technology

## Hygienic solutions for every bathroom

Rimless® toilets offer a hygienic solution, the elimination of the rim discourages unwanted germs which can often breed underneath standard toilet rims.

Low water consumption and optimum flushing performance complement the hygienic benefits of a smooth, corner-free design.

# Touchless dual flush valve for close-coupled toilets

## EM1 / Touchless dual flush universal mechanism

### Touchless = Hygiene

The flush activates without contact thanks to an integrated infrared sensor, avoiding the spreading of viruses and the growth of bacteria.

### Quick install

Quick assembly and activation.

### Compatible WCs

Compatible with most cisterns with a  $\varnothing 40\text{mm}$  cistern hole and an external cistern height (with cistern lid) of 360-390mm.

### EM1 Touchless dual flush universal mechanism

A822599900  
Touchless dual flush universal mechanism

**£144.93**

Guaranteed  
for over  
40,000  
flushes

**No electrical installation**  
It works on 4 AA batteries (not included) that guarantee more than 40,000 flushes. It also works manually if the batteries run out.

**Universal**  
Compatible with most cisterns with a  $\varnothing 40\text{mm}$  cistern hole and an external cistern height (with cistern lid) of 360-390mm.

**Adjustable dual flush**  
Full and half flush volumes to be adjusted between 2 and 6 litres.

The dual flush valve body has WRAS approval.

### User friendly

Just a simple wave of the hand. EM1 recognises the required flush (full or half flush volumes).

**Wave hand**  
Half flush  
3/2 litres

**Still hand**  
Full flush  
6/4, 5/4 litres

Please note: The EM1 Touchless dual flush mechanism is NOT compatible with Ona close-coupled cisterns.

# Benefits of Stonex®

## Benefits of Stonex®, Roca's innovative composite resin material that combines safety, hygiene and aesthetics

### Anti-slip

The textured surface has been specially engineered to adhere to the highest anti-slip standards (Class C\*) increasing safety for all users.

\*According to DIN 51097 norm

### Adaptable

Easily adaptable to any kind of spaces, thanks to its cut-to-size options.

### Extra slim

The exclusive formulation of Stonex® enables the production of extra slim pieces that can be installed at floor level, providing seamless integration, removing barriers and allowing easy access to the shower.

### Resistant

Stonex® is extremely resistant to wear and tear, discoloration, chemical agents and UV light.

### Hygienic

Compliant with the most demanding hygienic standards, impeding the spread of microorganisms on the surface.

\*Certified by Applus: UNE-EN ISO 846

### Easy cleaning

The surface is designed for stress-free maintenance and can be easily cleaned with soap and water.
