IMPORTANT VISITOR INFORMATION

OPENING TIMES

10 November (Tues) | 9:30am - 5:30pm

11 November (Wed) | 9:30am - 5:30pm

12 November (Thu) | 9:30am - 4:30pm

NETWORKING DRINKS

10 November (Tues) | 4:30pm - 5:30pm

11 November (Wed) | 4:30pm - 5:30pm

CO-LOCATED EVENTS

Your visitor badge grants you free access to all co located events: The Security Event Asia, The Fire Safety Event Asia, The Health & Safety Event Asia, The Emergency Services Show Asia and Pro Integration Future Asia.

PARKING

Please refer to the Marina Bay Sands website for full details on parking rates. To receive your preferential rate car park coupon*, simply present your badge to staff at the Service Concierge (Level 1, beside Blossom and Origin) to obtain one.

**Valid only from 10 to 12 November 2026*

FOOD & REFRESHMENTS

Snacks and beverages are available at kiosks at the sides of the exhibition hall.

Delegates also get to enjoy 20% off selected restaurants* in Marina Bay Sands when you flash your badge upon bill settlement.

Scan the QR code for the full list of participating MBS restaurants

WI-FI INTERNET ACCESS

Free Wi-Fi is available throughout the exhibition hall at the Sands Expo & Convention Centre.

ORGANISERS' OFFICE

The Organisers' Office is located at the entrance of Hall F.

EXHIBITORS' LOUNGE

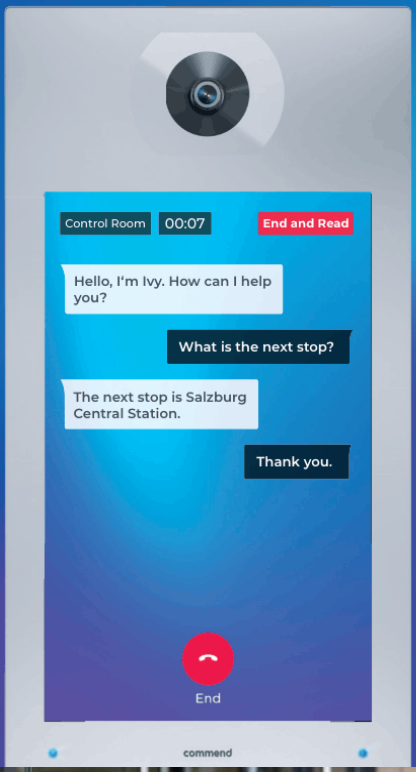

The Exhibitors' Lounge is located at the entrance of Hall F.

RECEIVE A PERSONALISED AGENDA

Scan the QR code and enter your job title and company to receive a personalised event journey including suggested exhibitors to visit and conference sessions to attend.

EVACUATION

In the event of an emergency evacuation, an announcement will be made via the public address system. Please remain calm, listen carefully to the instructions and follow the directions of venue staff.

WHAT'S ON

CONNECTING COMMUNITIES. BRIDGING SECTORS.

Safety and Security Asia connects global audiences with APAC communities, fostering collaboration and creating lasting synergy across sectors. Across 3 days, gain deeper insights into the APAC market through immersive experiences, engaging content and meaningful conversations.

EVENT HIGHLIGHTS

AUTONOMOUS ARENA

BRIDGING ACCESS CONTROL & ROBOTIC INTEROPERABILITY IN SMART SPACES

Presented by MEGAZO

Stand 1801

The Autonomous Arena is a live, interactive feature showcase demonstrating how autonomous robots and human users safely co-exist within a single, unified security architecture.

#ProjectInteroperableEnvironments

MAIN STAGE @NETWORKING LOUNGE (FREE TO ATTEND)

Engage in thought-provoking discussions on emerging challenges, women in the industry, next-generation talent, leadership, and technologies shaping the future of the safety and security ecosystem.

NETWORKING DRINKS

Drinks on us!

Unwind and connect with fellow industry professionals in a relaxed networking setting.

- Day 1: 4:30pm – 5:30pm
- Day 2: 4:30pm – 5:30pm

LIVE MEWP SAFETY DEMONSTRATIONS

Stand 1421

Discover manufacturer-authorised MEWP safety innovations through live demonstrations at IPAF's stand, featuring overhead protection, harness connection reminders and platform extension steps designed to enhance operator safety and confidence when working at height.

See how the right safety innovations can help MEWP operators work safer, smarter and with greater confidence at height!

VOICES OF THE INDUSTRY

Discover topics across 3 key pillars – connecting our industries through meaningful conversations, thought leadership, and shared experiences.

As of 27 October 2026

This is Jean.

See how easily she accesses your building.

See her quickly get on your network

Thing is, you fired Jean two weeks ago.

Identity management closes the door on unwelcome risk.

Data center employees, contractors, and visitors come and go every day. Manual access audits are slow and error-prone. AMAG Technology's Symmetry CONNECT identity management solution automates control of the who, where, when, and why of threat prevention. The world's most critical data facilities trust us to help close vulnerabilities, streamline compliance, and say goodbye to identity risk for good.

advancis

SOFTWARE SOLUTIONS FOR PHYSICAL SECURITY

One connected ecosystem.

Advancis develops vendor-neutral software that connects security systems, centralizes identity and access management, and enables custom extensions. Discover how WinGuard, AIM and AOP help you manage complex security requirements.

10–12
NOV 2026

MEET US AT
The Security Event Asia
Sands Expo & Convention Centre, Singapore

BOOTH 2023

winguard OPEN INTEGRATION PLATFORM

Manage your security systems in one interface.

Connect video surveillance, access control, fire detection and building management across manufacturers. Monitor events centrally and guide operators through incident response.

AIM ADVANCED IDENTITY MANAGER

Manage identities and access across systems.

Centralize identities, credentials and access rights across existing access control and IT systems. Automate approval processes without replacing your infrastructure.

AOP ADVANCIS OPEN PLATFORM

Extend WinGuard to fit your needs.

Our open development framework lets partners and developers add custom applications, functions and integrations to WinGuard using APIs and SDKs.
