Co-Founder & Director
GoodSAM

“ We’re looking forward to connecting with emergency services professionals at The Emergency Services Show Asia and showcasing how GoodSAM’s technology helps strengthen emergency response, improve coordination, and ultimately save more lives.

DESIGNED TO INSPIRE, CONNECT & CELEBRATE

Networking Opportunities

Wrap up Day 1 and Day 2 with our must-attend networking drinks from 16:30. Connect with peers, colleagues, and friends at the heart of the show while enjoying a glass (or two) of beer or soda – on us! This is the perfect opportunity to unwind, network and celebrate the industry together.

8TH EMS ASIA 2026

Organised by the Asian Association for Emergency Medical Services (AAEMS), Section of EMS Physicians (SEMSP) under the College of Emergency Physicians and Academy of Medicine of Singapore, the 8th edition of EMS Asia is the region's foremost international conference for Prehospital and Emergency Medical Services. The conference will co-locate one of its breakout tracks within ESSA theatre.

EMS Asia Competition

The EMS Asia Competition is a regional pre-hospital simulation challenge held in conjunction with the EMS Asia Conference. It brings together EMS teams to demonstrate excellence in clinical care, teamwork, and operational decision-making within realistic, time-critical scenarios.

Meet our Industry Ambassadors

Bruce Wong

Chairman
Hong Kong Volunteer
Rescue Association

“ The launch of The Emergency Services Show Asia is a welcome development for the emergency response community in the region. There is a growing demand for platforms for the region's emergency response community to connect, share best practices and explore the latest innovations. By fostering collaboration, it will help strengthen preparedness, enhance capabilities and support the continued advancement of emergency services across Asia.
