SMART CITIES INITIATIVE

The Smart Cities Initiative brings together government agencies, urban planners, technology providers and industry leaders to explore intelligent infrastructure, AI, integrated security, connectivity and sustainable urban solutions—driving innovation, collaboration and more resilient cities.

COUNTRY PAVILIONS

SECURITY SOLUTIONS ASSOCIATION SINGAPORE

Celebrate local innovation on a global stage. The Singapore Pavilion spotlights homegrown suppliers and trailblazers delivering advanced technologies and integrated services that define the nation's trusted reputation.

bsia

THE VOICE OF THE PROFESSIONAL SECURITY INDUSTRY

Experience British engineering and innovation. The UK Pavilion features top-tier suppliers, technology pioneers, and service providers delivering the secure, high-performance solutions driving today's global markets.

DESIGNED TO INSPIRE, CONNECT & CELEBRATE

NETWORKING OPPORTUNITIES

Wrap up Day 1 and Day 2 with our must-attend networking drinks from 16:30. Connect with peers, colleagues, and friends at the heart of the show while enjoying a glass (or two) of beer or soda – on us! This is the perfect opportunity to unwind, network and celebrate the industry together.

LIVE DEMONSTRATIONS

SKILLS FOR SECURITY COMPETITION ASIA - THE INTEGRATED SECURITY SYSTEM CHALLENGE

Three Days. Eighteen Technicians. One Challenge.

Across three action-packed days, six technicians per day will go head-to-head in dedicated booths, tackling fault-finding, installing, integrating and commissioning of a Security System – all against the clock.

AWARDS & ACCOLADES

MERLION AWARDS 2026

The **Merlion Awards** celebrate outstanding achievements in product innovation and service excellence across the security, fire, workspace safety, emergency services, audiovisual, and lighting industries. Designed for the industry, by the industry, these prestigious awards honour companies that push the boundaries of innovation and set new standards in safety, security, and technology solutions.

Outstanding Security Performance Awards

The **Outstanding Security Performance Awards (OSPAs)** recognise exceptional individuals and organisations across the security sector. Independent and inclusive, the OSPAs honour outstanding performance from both buyers and suppliers.

THE SECURITY LEADERS SUMMIT

Featuring the top-tier experts who will dive into emerging technologies, the latest trends, and best practice case studies for security professionals. With a carefully curated agenda, attendees will walk away with a wealth of inspiring ideas and actionable strategies, ready to drive change.

Themes include **Digital -Physical Convergence, Building Resilience in a Complex Threat Landscape, Cybersecurity** and more.

THE SECURITY EXCHANGE

Organised by

ASIS INTERNATIONAL Singapore Chapter

ASIS INTERNATIONAL Asia Pacific

OSAC

Expect curated sessions with senior executives and governance focused perspectives which would include executive keynote, leadership panels, scenario-based crisis discussion and a fireside chat.

More details will be released on the website shortly.

SECURITY INDUSTRY CONFERENCE

Organised by Temasek Polytechnic Security Industry Institute CREATING TOMORROW

Security Industry Conference 2026 brings together experienced practitioners and thought leaders from across the security industry for a focused half-day of **open dialogue, knowledge sharing, and professional connection.**

WOMEN IN PROTECTIVE SERVICES

Organised by WIPS WOMEN IN PROTECTIVE SERVICES

The first day will focus on **Leadership**, spotlighting influential women driving change across the industry, while the second day, themed **Next-Gen**, will explore mentorship, talent development and empowering the future generation of professionals entering the protective services sector.

TAPA-APAC STRATEGIC FRAMEWORK

Organised by TAPA APAC Transported Asset Protection Association

This session is designed to help organisations identify and **address potential risks in supply chain logistics.** Participants will be equipped with the tools and insights necessary to strengthen supply chain resilience, safeguard operations, and align with globally recognised standards.
