Hitachi Vantara

Your Data Foundation for *Innovation*

In this era of rapid change, predictability is the best surprise. From solid data infrastructure, intelligent data management to AI-ready hybrid cloud storage – we build the strongest data infrastructure the world's innovators rely on.

100%
Data Availability Guaranteed

Unrivaled Reliability
- 100% data availability guaranteed
- World's fastest ransomware recovery
- Trusted by 76% of the Fortune Global 100
- 3.5x faster cloud migration

350+
Flash Storage Patents

110+ Years of Innovation
- Backed by Hitachi's legacy. Innovating technology to solve society's challenges since 1910
- 350-plus flash storage patents
- Building digital infrastructures for the AI era
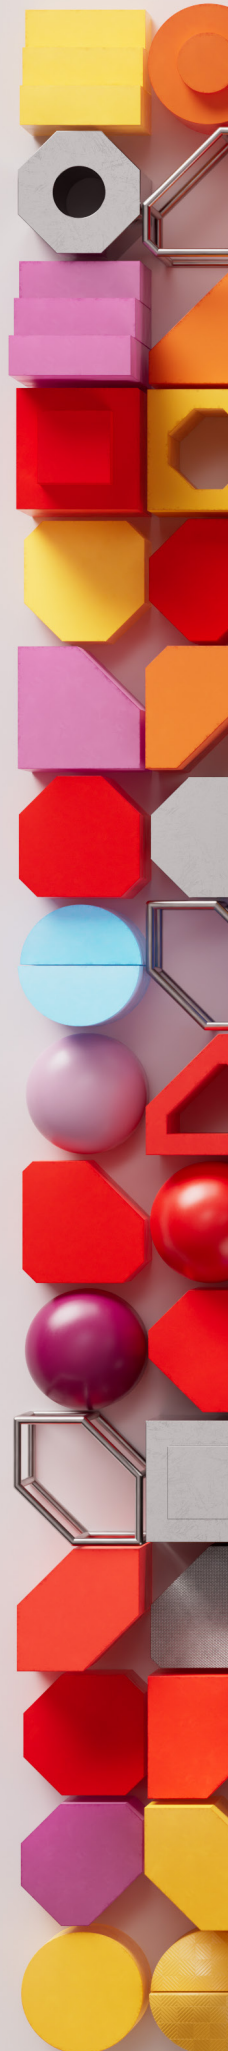

96%
Reduction of C02 Emissions

Achieving Sustainability
- Externally certified by both CFP and ENERGY STAR
- Eco-friendly data storage can reduce CO_2 emissions up to 96%
- Extending the life cycle of systems up to 10 years

Portfolio Powering Agility + Stability
We architect data infrastructures that evolve with your business.

- Future-proofing data against evolving threats for **Cyber Resiliency.**
- Simplifying data storage + management for ultimate clarity in **Hybrid Cloud.**
- Intelligent data management built for **GenAI.**

Powering Innovation Across Industries
*Trusted by**

9/10 Top Banks	**10/10** Top Insurers	**8/10** Top Healthcare, Life Sciences Providers
9/10 Top Manufacturers	**10/10** Top Telcos	

*Customers from the Fortune Global 500

Recognition

Storage leadership position with Gartner Magic Quadrants 13 years in a row.

Market leader in primary storage, object storage and storage as a service.

Our Global Footprint of Data Innovation

50 countries | 90+ locations
Headquartered in Santa Clara, CA, USA

Why Choose Hitachi Vantara

Hitachi Vantara is transforming the way data fuels innovation. Through data storage, infrastructure systems, cloud management and digital expertise, we build the foundation for sustainable business growth.
