“To the Rapid Relief Team,

“As a grandmother of 3 little boys, who have gone through a lot of trauma. I’ve struggled juggling any sort of work and now taking care of their daily needs.

It not only fed us with food, but fed us with much joy, that there is still such love and kindness in the world today; The joy overflowed into watching my 6-year-old grandson opening the box and making suggestions of what we could make and where to put the items. He was so excited, and my heart just melted!

I want to become a writer and encourage others as soon as I have the resources to move forward.

Thank you and may God bless you all today!”
