

TITAN TI TIROL STRETCHER & KIT

Part of the stretcher range from Lyon Equipment

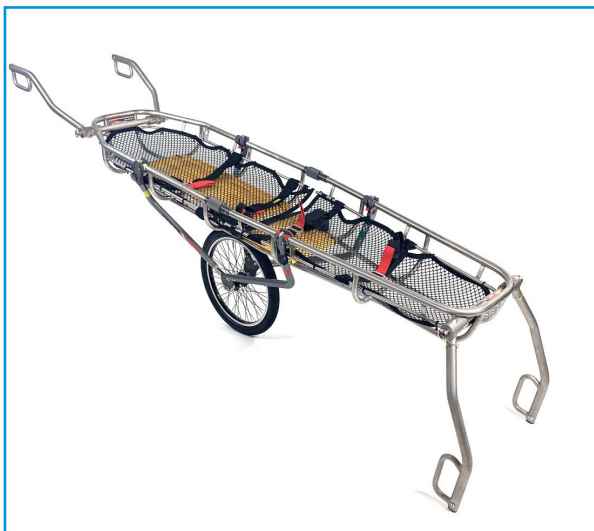

The TITAN TI SPLIT TAPERED STRETCHER and TIROL KIT is a lightweight and versatile patient transport system ideal for long haul retrieval and technical rescue on even the most difficult terrain.

The TIROL KIT is designed to fit a purpose-built TITAN TITANIUM SPLIT BASKET STRETCHER which has additional head and foot plates incorporated. The combination of these two lightweight products makes it easier to operate in hostile and inaccessible areas.

See overleaf for detailed product features
