Tempered Glass Screen Protection

Custom fit, laser cut tempered glass protectors provide additional defense against scratching and impact for the TOUGHBOOK G2. 9H hardness protects the display glass from scratching. High optical clarity and anti-smudge coating delivers a clear viewing experience.

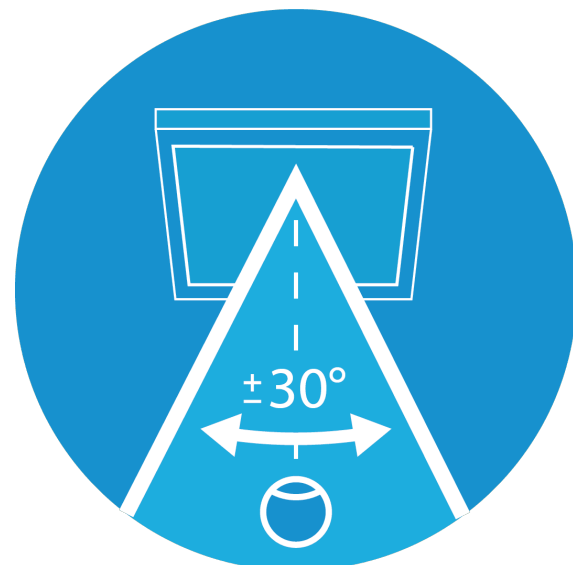

Part#: PCPE-INFG2TG1

Tempered Glass Privacy Screen Protection

Limited viewing angle of +/- 30 ° limits the field of vision, becoming a safety feature for in-vehicle applications where it is critical to remove distractions from the driver.
