LUXAIR AT A GLANCE

Our desire for perfection, optimization, as well as safety, service & quality are at the very heart of our concerns.

AIRLINE

Luxair proudly flies Luxembourg's colours, offering convenient connections to the biggest European cities and beyond, to business centres and international hubs. With its network of 92 destinations, Luxair provides services for business & leisure clients.

TOUR OPERATOR

Luxair offers a wide range of package deals and thematic holidays through its tour operating division. Products are tailored to suit a great variety of vacation desires and all budgets, always in line with highest quality and safety standards.

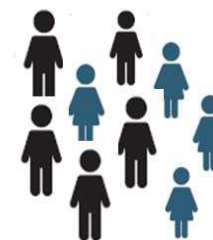

SERVICE PROVIDER

As the unique service provider at Luxembourg airport, Luxair takes care of Passenger Assistance and all tasks relating to fast & efficient servicing of landed aircraft. Catering is responsible for preparing appetizing inflight meals in best freshness conditions.

CARGO HANDLER

Luxair's air freight division handles every kind of merchandise with ease and efficiency and is considered one of the largest freight distribution centres in Europe.

LUXEMBOURG & THE GREATER REGION – AT THE HEART OF EUROPE

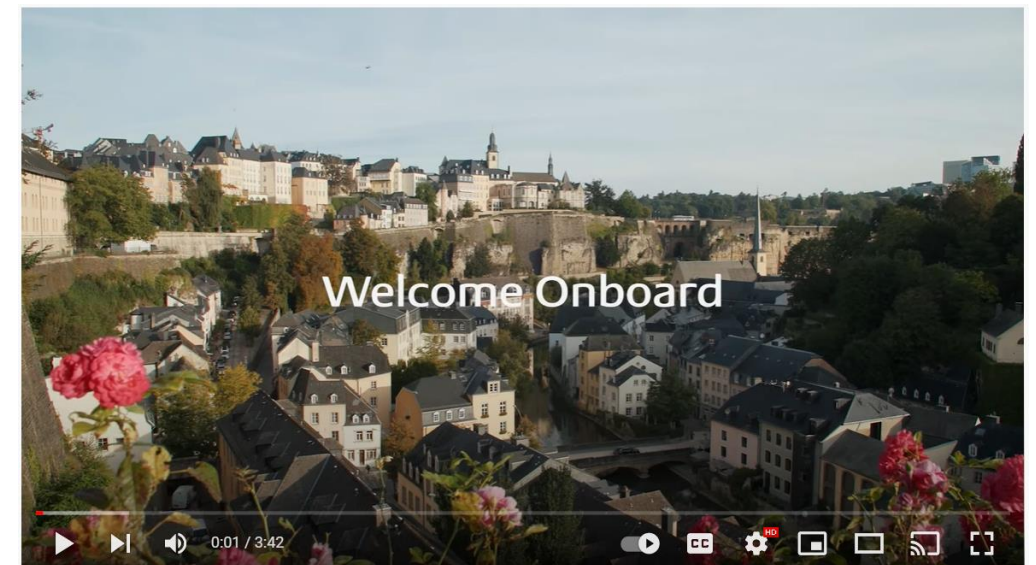

Luxembourg offers fascinating treasures at the heart of Europe, from UNESCO-listed fortifications to prized wines of the Moselle, an animated arts scene, cutting-edge architectural creations, prominent EU institutions... and much more.

Visitors enjoy unique natural pursuits, like hiking the Valley of Seven Castles, the trails of Mullerthal that cut through peculiar sandstone rock formations, or simply relaxing in the sparkling thermal pools of Mondorf-les-Bains.

Last but not least, its central location is ideal to also discover the neighboring countries and cultures of the Greater Region – France, Germany and Belgium.

DISCOVER LUXEMBOURG THROUGH OUR NEW LUXAIR SAFETY VIDEO

Enjoy our new Safety video on board our aircraft. Our crew takes you on a journey through Luxembourg to introduce you the safety features on board.

LUXAIR'S OFFER BETWEEN LONDON CITY AND LUXEMBOURG

- Luxair started its operations from Luxembourg to London City on 17 November 2003, which marked the beginning of a success story.
- To meet the strong passenger demand, we continuously optimize our flight schedule. The fast and convenient connection allows a round trip during the day with the best level of service.

LONDON CITY TO ANTWERP WITH LUXAIR

- Luxair, in cooperation with London City Airport and Antwerp International Airport, is launching direct flights between London City and Antwerp, Belgium's second largest city.
- The goal of opening this new route is to connect two major European cities, and their surroundings, in an hour's flight.
- The quick turnaround times at both airports, the excellent on-time performance and the very short journey between check-in and gate areas, at both airports, are a great asset for business and leisure travelers.
- As a niche player, Luxair believes in the potential and success of the route between London City and Antwerp which was not served for a few years now.
- Its opening is a new venture for Luxair and an opportunity, once again, to pursue new challenges and serve the community in the best possible way.

LONDON CITY TO ANTWERP WITH LUXAIR

- Travelers will be able to fly between London City and Antwerp four times per week on Mondays, Tuesdays, Thursdays & Fridays – with a very convenient flight schedule.
- As of 29 March 2023, an additional flight on Wednesdays, brings the number of weekly rotations to five for summer season.
- Luxair's De Havilland Q400, counting 76 seats, will allow the numerous industries in both cities to exchange effortlessly.

As Alternative to accumulating 30.000 Miles to reach your first Status, you can also achieve the valuable Frequent Traveller Status by flying 30 scheduled flights (15 roundtrips) in 2023!

THANK YOU VERY MUCH!

OUR JOURNEY TOWARDS CO2 NEUTRALITY BEGINS

- Aware of the impact of our activities on the environment and on the occasion of the Aviation Summit held in Toulouse in February 2022, Luxair has joined the signatories to reaffirm its support for the promise of "carbon neutrality by 2050".
- In this respect, Luxair is introducing a new "carbon offset" scheme for the flights of Business Class and the flights of the LuxairTours Excellence Travelers.
- The new carbon offset scheme is part of a global approach to reduce our environmental footprint through numerous actions such as progressive renewal of our fleet, optimization of our flight operations and reduction of single-use plastic on board.

Our new Carbon Offset Program is automatically applied, as soon as Clients book their Luxair Business Class flights and LuxairTours Excellence Packages.
